

SCOTTISH PARLIAMENT LEGISLATION

SESSION 1

This Fact sheet lists all bills considered by the Scottish Parliament in Session 1 (12 May 1999 – 31 March 2003).

It is divided into bills which were passed and became Acts of the Scottish Parliament, bills which were withdrawn¹ and bills which fell².

Each table is arranged alphabetically by act or bill title, and indicates the type of bill, the person or organisation that introduced it and the key dates in its progress.

The following abbreviations have been used to indicate the different types of bill: **C** for a Committee Bill, **E** for an Executive Bill, **M** for a Member's Bill and **P** for a Private Bill.

All Acts of the Scottish Parliament appear on the Office of Public Sector Information (OPSI) website at the following link:
www.opsi.gov.uk/legislation/scotland/s-acts.htm

¹ A bill can be withdrawn by the MSP, Committee or Minister who introduced it. For example, an MSP may choose to withdraw his or her Member's Bill because the Scottish Executive introduces a bill legislating in the same area.

² A bill can fall for a number of reasons. For example, the Parliament does not agree to the Bill's general principles at Stage 1 or the Bill is not passed before the end of the parliamentary session. For a full description you can refer to the Standing Orders of the Scottish Parliament, Rule 9. This document can be found on the Scottish Parliament website:
