[AS INTRODUCED]

An Act of the Scottish Parliament to confer and regulate public rights of access to land for recreational and other purposes, and to extend some of the provisions for that purpose to rights of way and other rights; to make provision under which bodies representing rural and crofting communities may buy the land with which those communities have a connection; and for connected purposes.

PART 1
ACCESS RIGHTS

CHAPTER 1
NATURE AND EXTENT OF ACCESS RIGHTS

1 Creation of access rights

(1) Everyone has the rights created by this Part of this Act.

(2) Those rights (in this Part of this Act called “access rights”) are—
(a) the right to be, for recreational purposes, on land; and
(b) the right to cross land.

(3) The reference—
(a) in subsection (2)(a) above to being on land for recreational purposes is a reference to—
(i) going into, passing over and remaining on it for those purposes and then leaving it; or
(ii) any combination of those;
(b) in subsection (2)(b) above to crossing land is a reference to going into it, passing over it and leaving it all for the purpose of getting from one place outside the land to another such place.

(4) Access rights are exercisable above and below (as well as on) the surface of the land.

(5) The land in respect of which access rights are exercisable is all land except that specified in or under section 6 below.
2  Access rights to be exercised responsibly

(1) A person has access rights only if they are exercised responsibly.

(2) In determining whether access rights are exercised responsibly a person is to be presumed to be exercising access rights responsibly if they are exercised so as not to cause unreasonable interference with any of the rights (whether access rights, rights associated with the ownership of land or any others) of any other person, but—

(a) a person purporting to exercise access rights who, at the same time—

(i) engages in any of the conduct within section 9 below or within any byelaw made under section 12(1)(a)(i) below; or

(ii) does anything which undoes anything done by Scottish Natural Heritage under section 26 below.

is to be taken as not exercising those rights responsibly; and

(b) regard is to be had to whether the person exercising or purporting to exercise access rights is, at the same time—

(i) contravening any rule of responsible conduct set out in the Access Code and incumbent on persons exercising access rights; or

(ii) disregarding any request included or which might reasonably be implied in anything done by Scottish Natural Heritage under section 26 below.

(3) In this section the references to the responsible exercise of access rights are references to the exercise of these rights in a way which is lawful and reasonable and takes proper account of the interests of others and of the features of the land in respect of which the rights are exercised.

3  Reciprocal obligations of owners

(1) It is the duty of every owner of land in respect of which access rights are exercisable—

(a) to use and manage the land; and

(b) otherwise to conduct the ownership of it,

in a way which, as respects those rights, is responsible.

(2) In determining whether the way in which land is used, managed or the ownership of it is conducted is responsible an owner is to be presumed to be using, managing and conducting the ownership of land in a way which is responsible if it does not cause unreasonable interference with the access rights of any person exercising or seeking to exercise them, but—

(a) an owner who contravenes section 14(1) or (3) or 22(2) of this Act or any byelaw made under section 12(1)(a)(ii) below is to be taken as not using, managing or conducting the ownership of the land in a responsible way;

(b) regard is to be had to whether any act or omission occurring in the use, management or conduct of the ownership of the land is a contravention of any rule of responsible conduct set out in the Access Code and incumbent on the owners of land.
Land Reform (Scotland) Bill
Part 1—Access rights
Chapter 2—Nature and extent of access rights: further provisions

(3) In this section the references to the use, management and conduct of the ownership of land in a way which is responsible are references to the use, management and conduct of the ownership of it in a way which is lawful and reasonable and takes proper account of the interests of persons exercising or seeking to exercise access rights.

4 Modification of sections 2 and 3 and enactments referred to in them

(1) Ministers may by order modify any of the provisions of sections 2 and 3 above and, for the purposes of those sections, any of the provisions of sections 9, 14 and 22 below.

(2) They may do so generally (that is to say in terms similar to those in sections 2 and 3 above as enacted) or by making provision which relates to particular areas, locations or classes of land or to particular access rights or particular activities which may take place in the exercise of access rights or to particular ways of using, managing or conducting the ownership of land or any combination of those.

5 Access rights, reciprocal obligations and other rules and rights

(1) The exercise of access rights does not of itself constitute trespass.

(2) The extent of the duty of care owed by an occupier of land to another person present on the land is not affected by this Part of this Act or by its operation.

(3) The existence or exercise of access rights does not diminish or displace any other rights (whether public or private) of entry, way, passage or access.

(4) The existence or exercise of access rights does not diminish or displace any public rights under the guardianship of the Crown in relation to the foreshore.

(5) The exercise of access rights does not of itself amount to the exercise or possession of any right for the purpose of any enactment or rule of law relating to the circumstances in which a right of way or servitude or right of public navigation may be constituted.

(6) Access rights do not constitute a public right of passage for the purposes of the definition of “road” in section 151(1) (interpretation) of the Roads (Scotland) Act 1984 (c.54).

(7) A person exercising access rights is to be regarded as being in a public place for the purposes of section 53 (obstruction by pedestrians) of the Civic Government (Scotland) Act 1982 (c.45).

Chapter 2
Nature and extent of access rights: further provisions

6 Land over which access rights not exercisable

The land in respect of which access rights are not exercisable is land—

(a) to the extent that there is on it—

(i) a building or other structure or works, plant or fixed machinery;

(ii) a caravan, tent or other place affording a person privacy or shelter;

(b) which—

(i) forms the curtilage of a building which is not a house or of a group of buildings none of which is a house;

(iii) consists of land contiguous to and used for the purposes of a school; or

(iv) comprises, in relation to a house or any of the places mentioned in paragraph (a)(ii) above, sufficient adjacent or associated land to enable persons living there to have reasonable measures of privacy and undisturbed enjoyment of the whole;

(c) to which, not being land within paragraph (b)(iv) above, two or more persons have rights in common and which is used by those persons as a private garden;

(d) to which public access is, by or under any enactment other than this Act, prohibited, excluded or restricted;

(e) which is held by the Queen in Her private capacity;

(f) which has been developed or set out—

(i) as a sports or playing field, while in use as such; or

(ii) for a particular recreational purpose while in use for that purpose;

(g) to which—

(i) for not fewer than 90 days in the year ending on 31st January 2001, members of the public were admitted only on payment; and

(ii) after that date, and for not fewer than 90 days in each year beginning on 1st February 2001, members of the public are, or are to be, so admitted;

(ii) works being carried out by a statutory undertaker for the purposes of the undertaking,

are being carried out;

(j) in which crops have been sown or are growing;

7 Provisions supplementing and qualifying section 6

(1) Land which bears to be within section 6 above by virtue of a development or change of use for which planning permission was or is required under the Town and Country Planning (Scotland) Act 1997 (c.8) shall, if—

(a) such planning permission has not been granted; or

(b) such permission was granted subject to a condition which has not been complied with,

be regarded, for the purposes of that section, as if that development or change of use had not occurred.
(2) Where planning permission for such a development or change of use of land has been granted, the land shall, for the purposes of section 6 above, be regarded, while that development or change of use is taking place in accordance with the permission, as having been developed or having had its use changed accordingly.

(3) In section 6(b)(iii) above, “school” means not only a school within the meaning of section 135(1) of the Education (Scotland) Act 1980 (c.44) but also any other institution which provides education for children below school age within the meaning of that provision.

(4) There are included among the factors which go to determine what extent of land is sufficient for the purposes mentioned in section 6(b)(iv) above, the location and other characteristics of the house or other place.

(5) For the purposes of section 6(d) above, access rights do not extend to the land to which public access is prohibited, excluded or restricted only to the extent of the prohibition, exclusion or restriction.

(6) Section 6(f)(ii) above does not prevent or restrict the exercise of access rights over land to which it applies if those rights are exercised so as not to interfere with the recreational use to which the land is being put.

(7) For the purposes of section 6(i) above land on which crops are growing —

(a) includes a plantation of trees which are at such an early stage of growth that they are likely to be damaged by the exercise of access rights in respect of the land in which they are planted, but does not otherwise include woods, forests, orchards and other places in which trees are planted;

(b) includes land on which grass is being grown for hay and silage, but does not otherwise include grassland;

(c) does not include unsown headrigs, endrigs or other margins of fields in which crops are growing,

and “crops” means plants which are cultivated for agricultural, forestry or commercial purposes.

8 Adjustment of land excluded from access rights

(1) Ministers may by order modify any of the provisions of section 6 and 7 above.

(2) They may do so generally (that is to say, in terms similar to those in sections 6 and 7 above as enacted) or by making provision which relates to particular areas, locations or classes of land.

9 Conduct excluded from access rights

(1) The conduct which is within this section is—

(j) any conduct specified by a local authority in an order under section 11 or in byelaws under section 12 below as prohibited conduct or as conduct which has the same effect in relation to access rights as conduct within this section.

(3) For the purposes of subsection (1)(d) above, a motorised wheelchair is not to be regarded as a mechanically propelled vehicle.

CHAPTER 3

THE SCOTTISH OUTDOOR ACCESS CODE

10 The Scottish Outdoor Access Code

(1) It is the duty of Scottish Natural Heritage to draw up and issue a code, to be known as the Scottish Outdoor Access Code, setting out, in relation to access rights, rules of responsible conduct by—

(a) those exercising these rights;

(b) owners of land in respect of which these rights are exercisable.

(2) Scottish Natural Heritage shall consult local authorities and such other persons or bodies as they think appropriate about the proposed Access Code and then submit it (with or without modifications) to Ministers together with copies of any objections or representations made in response to that consultation.

(3) On receiving a proposed Access Code, Ministers may—

(a) approve it, with or without modifications; or

(b) reject it.
(4) Where Ministers reject a proposed Access Code under subsection (3)(b) above they may either instruct Scottish Natural Heritage to submit a new Code or they may substitute a Code of their own devising.

(5) Where Ministers approve an Access Code with or without modification under subsection (3)(a) above or devise a Code themselves under subsection (4) above, they shall lay the proposed Code before the Scottish Parliament and Scottish Natural Heritage shall not issue the Code unless it has been approved by resolution of the Parliament.

(7) Subsections (2) to (13) of section 265 (local inquiries) of the Town and Country Planning (Scotland) Act 1997 (c.8) apply to an inquiry held under subsection (6)(b) above as they apply to one held under that section.

(8) Ministers may—

CHAPTER 5

LOCAL AUTHORITY FUNCTIONS: ACCESS AND OTHER RIGHTS

13 Duty of local authority to uphold access rights

(1) It is the duty of the local authority to assert, protect and keep open and free from
obstruction or encroachment any route or other means by which access rights may
reasonably be exercised.
(2) The local authority may, for the purposes set out in subsection (1) above, institute and defend legal proceeding and generally take such steps as they think expedient.

14 Prohibition signs, obstructions, dangerous impediments etc.

(1) The owner of land in respect of which access rights are exercisable shall not, for the purpose or for the main purpose of preventing or deterring any person entitled to exercise these rights from doing so—

(a) put up any sign or notice;

(b) put up any fence or wall, or plant, grow or permit to grow any hedge, tree or other vegetation;

(c) position or leave at large any animal;

(d) carry out any agricultural or other operation on the land; or

(e) take any other action similar to any in paragraphs (a) to (d) above.

(2) Where the local authority consider that anything has been done in contravention of subsection (1) above they may, by written notice served on the owner of the land, require that such remedial action as is specified in the notice be taken by the owner of the land within such reasonable time as is so specified.

(3) If the owner fails to comply with such a notice, the local authority may—

(a) remove the sign or notice; or, as the case may be,

(b) take the remedial action specified in the notice served under subsection (2) above, and, in either case, may, if necessary, enter the land and may recover from the owner such reasonable costs as they have incurred by acting under this subsection.

(4) An owner on whom a notice has been so served may, by summary application made to the sheriff, appeal against it.

(5) Rules of Court shall provide—

(a) for public notice of the making of summary applications for the purposes of this section;

(b) for enabling persons interested in the exercise of access rights over the land to which a summary application relates, and persons or bodies representative of such persons, to be parties to the proceedings;

(c) for limiting the number of persons and bodies who may be such parties.

15 Measures for safety, protection, guidance and assistance

(1) The local authority may take such steps (which may include the putting up and maintenance of notices and fences) as appear to them appropriate—

(a) to warn the public of and protect the public from danger on any land in respect of which access rights are exercisable;

(b) to indicate or enclose recommended routes or established footpaths over, or to give directions to, such land.
Part 1—Access rights

Chapter 5—Local authority functions: access and other rights

(2) Where the local authority consider that a fence, wall or other erection is so constructed or adapted (whether by the use of barbed wire or other sharp material or by being electrified or otherwise) as to be likely to injure a person exercising access rights, they may by written notice served on the owner of the land on which it is placed, require the owner to take, within such reasonable time as is specified in the notice, such reasonable action as is so specified, being action calculated to remove the risk of injury.

(3) Subsections (3)(b), (4) and (5) of section 14 above apply in respect of a notice served under subsection (2) above as they apply to a notice served under those subsections.

(4) The local authority may install, in any land in respect of which access rights are exercisable, gates, stiles or other means of facilitating the exercise of these rights, and seats, lavatories and other means of contributing to the comfort and convenience of persons exercising them.

(5) The local authority may, in relation to inland waters in respect of which access rights are exercisable, provide staff for life saving and any boats or equipment which are appropriate for life saving.

(6) In exercising their powers under this section, the local authority shall have regard to the needs of persons with disabilities.

(7) The local authority may carry out the operations authorised by subsections (4) and (5) above within the land over which the access rights are exercisable only with the consent of the owner.

16 Acquisition by local authority of land to enable or facilitate exercise of access rights

(1) Where it appears to the local authority to be necessary or expedient for the purpose of enabling or facilitating the exercise of access rights in respect of any land to which this section applies that the land be acquired by them, the authority may—

(a) acquire it by agreement (whether by purchase, feu, lease or excambion); or

(b) with the consent of Ministers, acquire it compulsorily.

(2) The land to which this section applies is land other than—

(a) land in respect of which access rights do not extend by virtue of section 6(a)(ii), (d), (f) or (g) above;

(b) land which has been exempted by order made by the local authority under section 11(1)(a) of this Act.

(3) A local authority shall hold and manage any land acquired by them under this section so as best to facilitate the exercise of access rights.

(4) The Acquisition of Land (Authorisation Procedure) (Scotland) Act 1947 (c.42) shall apply in relation to a compulsory purchase under this section as if this section had been in force immediately before that Act.

17 Core paths plan

(1) It is the duty of the local authority, not later than 2 years after the coming into force of this section, to draw up a plan for a system of paths (“core paths”) sufficient for the purpose of giving the public reasonable access throughout their area.

(2) Core paths consist of—
(a) rights of way by foot, horseback, pedal cycle or any combination of those, being rights which are or may be established by or under any enactment or rule of law;

(b) paths, footways, footpaths, cycle tracks or other means of access (however described but not falling within paragraph (a) above) which are or may be provided by or under any enactment other than this Act;

(c) paths which are or may be delineated by a path agreement under section 20 or a path order under section 21 below.

(3) In drawing up the plan, the local authority shall have regard to—

(a) the likelihood that persons exercising rights of way and access rights will do so by using core paths;

(b) the desirability of encouraging such persons to use core paths; and

(c) the need to balance the exercise of those rights and the interests of the owner of the land in respect of which those rights are exercisable.

(4) The plan may consist of or include maps showing core paths and, where it does not, shall refer to such maps.

(5) Ministers may give guidance on the performance of the duty under subsection (1) above.

(6) Such guidance may be given generally or to a particular local authority.

(7) A local authority to which such guidance is given shall have regard to it.

(8) Before giving such guidance, Ministers shall—

(a) consult each (or the) local authority to whom they propose to give it; and

(b) lay a draft of the proposed guidance before the Scottish Parliament;

and the guidance shall not be given until after a period of 40 days beginning with the day on which the draft was so laid.

(9) If, within that period, the Parliament resolves that the guidance proposed should not be given, Ministers shall not give it.

(10) In calculating any period of 40 days for the purposes of subsection (8) or (9) above, no account is to be taken of any time during which the Parliament is in recess for more than 4 days.

(11) The local authority shall—

(a) at such times as they consider appropriate; and

(b) on Ministers requiring them to do so,

review the plan as adopted under this section and, if the authority think fit, propose changes to it.

(12) Subsections (1) to (10) above apply in relation to a plan with proposed changes as they apply to a plan drawn up under subsection (1) above.

18 Core paths plan: further procedure

(1) The local authority shall—

(a) give public notice of the plan drawn up by them under section 17 above and any maps it refers to;
(b) make the plan and any such maps available thereafter for public inspection for a period of not less than 12 weeks; and

(c) consult—
   (i) the local access forum for their area;
   (ii) persons representative of those who live, work, carry on business or engage (or would be likely to engage) in recreational activities on the land on which it is proposed that there be core paths;
   (iii) Scottish Natural Heritage; and
   (iv) such other persons as the local authority think fit,

in each case inviting objections and representations to be made to them within such period as they specify.

(2) If no objections are made or any made are withdrawn, the local authority shall adopt the plan.

(3) If an objection is made and not withdrawn, the local authority shall not adopt the plan unless Ministers direct them to do so.

(4) Where an objection remains unwithdrawn, Ministers shall not make such a direction without first causing a local inquiry to be held into whether the plan will, if implemented, fulfil the purpose mentioned in section 17(1) above.

(5) Ministers may, in any other case, cause such an inquiry to be held.

(6) Subsections (2) to (13) of section 265 (local inquiries) of the Town and Country Planning (Scotland) Act 1997 (c.8) apply to an inquiry held under subsection (4) or (5) above as they apply to one held under that section.

(7) Following the publication of the report by the person appointed to hold the inquiry, Ministers may (but need not) direct the local authority to adopt the plan either as drawn up under section 17 above or with such modification as Ministers specify in the direction.

(8) On adopting the plan, the local authority shall—
   (a) give public notice of its adoption;
   (b) compile a list of core paths;
   (c) keep the plan, any maps it refers to and the list available for public inspection and for sale at a reasonable price; and
   (d) send a copy of each of those documents to Ministers.

(9) The list of core paths shall be compiled and maintained so as to indicate the extent of the public rights in each of the core paths listed.

(10) Where Ministers decline to make a direction under subsection (3) or (7) above, the local authority shall draw up a revised plan and shall do so in accordance with such procedure and within such time limits as Ministers specify.

(11) Such specification shall include provision under which Ministers may (but need not) direct the local authority to confirm the revised plan.
19 Application of sections 13 to 15 in respect of certain core paths

Sections 13 to 15 above apply in relation to land which is a core path by virtue of section 17(2)(a) or (b) as they apply to land which is a path delineated by a path agreement under section 20 below or a path order under section 21 below.

20 Delineation by agreement of paths in land in respect of which access rights exercisable

(1) The local authority may enter an agreement (a “path agreement”) with a person having the necessary power for the delineation and maintenance or, as the case may be, for the delineation, creation and maintenance of a path within land in respect of which access rights are exercisable.

(2) A path agreement shall be on such terms and conditions as to payment or otherwise as may be specified in it.

(3) A path agreement shall contain a sufficient description of the land to which it relates to enable it to be recorded in the Register of Sasines or entered in the Land Register of Scotland as appropriate.

(4) The local authority shall secure that every path agreement to which it is a party is so recorded or entered.

21 Compulsory powers to delineate paths in land in respect of which access rights exercisable

(1) Where, in the circumstances set out in subsection (2) below, it appears to the local authority that, having regard to the rights and interests of the owner of land in respect of which access rights are exercisable and persons likely to exercise these rights, it is expedient to delineate a path within that land, the authority may, by order (a “path order”), do so.

(2) These circumstances are that it appears to the local authority to be impracticable to delineate the path by means of a path agreement.

(3) Where the local authority make a path order—

(a) delineating an existing path, they have the duty of maintaining it;

(b) delineating a new path, they have the duty of creating and maintaining it.

(4) A path order may be revoked by the local authority.

(5) A path order shall be in such form as is prescribed but shall contain a map showing the delineation of the path.

(6) Any person authorised by the local authority to do so may for the purposes of this section (including that of surveying land in respect of which a path order might be made) enter any land.

(7) Where access rights—

(a) have, by virtue of any provision of this Part of this Act, not been exercisable over any land consisting of a public path created under sections 30 to 36 of the Countryside (Scotland) Act 1967 (c.86); but

(b) become exercisable over that land,
the public path creation agreement or the public path creation order or public path diversion order by which the public path was created shall, for the purposes of the exercise of access rights, be treated as a path agreement or, as the case may be, a path order.

(8) Schedule 1 to this Act has effect for the purposes of providing further as to path orders.

(9) In section 28 (interpretation) of the Land Registration (Scotland) Act 1979 (c.33) in paragraph (g) of the definition of “overriding interest” (which paragraph provides that public rights of way etc. are overriding interests) there is inserted at the end “or in respect of the exercise of access rights within the meaning of the Land Reform (Scotland) Act 2002 (asp 00) by way of a path delineated in a path order made under section 21 of that Act”.

22 **Ploughing of paths**

(1) Where land is, in accordance with good husbandry, being ploughed and it is convenient to plough a path delineated by a path order together with the land, nothing in this Part of this Act prevents that path from being ploughed.

(2) The owner of land being a path which has been ploughed in accordance with subsection (1) above shall, however—

   (a) within the period of 7 days after the ploughing, notify the local authority of the fact; and

   (b) within the period of 8 weeks after the ploughing or such longer period as the local authority may allow, reinstate the path.

(3) An owner who fails to comply with subsection (2)(a) or (b) above shall be guilty of an offence and liable on summary conviction—

   (a) in the case of failure to comply with subsection (2)(a), to a fine not exceeding level 2 on the standard scale;

   (b) in the case of failure to comply with subsection (2)(b), to a fine not exceeding level 3 on that scale.

(4) If the owner fails to comply with subsection (2)(b) above, the local authority may, after giving the owner 14 days’ notice of their intention to do so—

   (a) take all necessary steps to reinstate the path; and

   (b) recover from the owner their reasonable expenses in doing so.

(5) Nothing in this section prejudices any limitation or condition having effect otherwise.

23 **Rangers**

(1) The local authority may appoint persons to act as rangers in relation to any land in respect of which access rights are exercisable.

(2) The purposes for which such rangers may be so appointed are—

   (a) to advise and assist the public as to any matter relating to the exercise of access rights in respect of the land; and

   (b) to perform such other duties in relation to the exercise of those rights in respect of that land as the local authority determine.
Land Reform (Scotland) Bill

Chapter 5—Local authority functions: access and other rights

Part 1—Access rights

(3) A person appointed under this section as a ranger may, for the purpose of exercising any function conferred by or under subsection (2) above, enter any land in respect of which access rights are exercisable.

24 Local access forums

(1) Each local authority shall establish for its area a body, to be known as the “local access forum”, to carry out the functions set out in subsection (2) below.

(2) Those functions are—

(a) to advise the local authority and any other person or body consulting the forum on matters having to do with the exercise of access rights or the drawing up and adoption of a plan for a system of core paths under sections 17 and 18 above;

(b) to offer and, where the offer is accepted, to give assistance to the parties to any dispute about—

(i) the exercise of access rights;

(ii) the drawing up and adoption of the plan referred to in paragraph (a) above;

or

(iii) the use of core paths,

towards the resolution of the dispute.

(3) A local access forum consists of such persons as are appointed to it by the local authority.

(4) The matters to which the local authority have regard when making appointments to the local access forum shall include—

(a) ensuring reasonable representation in the forum of—

(i) bodies representative of persons with an interest in any of the matters mentioned in subsection (2)(b)(i) to (iii) above;

(ii) persons having such an interest;

(iii) bodies representative of the owners of land in respect of which access rights are exercisable or in which there is a core path; and

(iv) owners of such land, and

(b) ensuring a reasonable balance among those mentioned in sub-paragraphs (i) to (iv) of paragraph (a) above.

(5) The local authority may appoint one or more of its own members to a local access forum.

(6) More than one local access forum may be established for the area of a local authority.

(7) The local authority may pay to members of the local access forum such expenses and allowances as the local authority determine.

(8) Ministers may give guidance to local authorities to assist them in the performance of their functions under this section.

(3) In this section, the “natural heritage” of land includes the flora and fauna, geological and physiographical features and the natural beauty and amenity of the land.

27 Existing byelaws providing for public access to land

It is the duty of every person, body or authority having power under any enactment to make byelaws which may provide for or relate to public access to land in respect of which access rights are exercisable and which is owned or managed by that person, body or authority—

(a) within 2 years of the coming into force of this section, to review those of its byelaws which so provide or relate and are in force at the time of the review; and

(b) to modify any of those byelaws which are inconsistent with the provisions of this Act (including any made under it) as they apply to that land so as to make them consistent.

(2) In subsection (1) above, “excluded land” means land described as such in an order made by Ministers.

(3) In determining what land is to be so described, Ministers—

(a) may have regard to factors relating to population and to such other factors associated with or characteristic of the land as they think fit; and

(b) shall secure that registrable land is land appearing to them to be rural.
(4) The description of excluded land in an order under this section shall consist of or include—
   (a) a map showing the boundaries of that land; or
   (b) a reference to such a map.

(5) Where that description consists of or includes a reference to a map which does not form part of the order, Ministers shall make copies of the map available for public inspection at such times and places as they think fit.

      (ii) if no other community body or crofting community body is so approved, to Ministers.

(2) Ministers may, if they think it in the public interest to do so, disapply the requirement specified in subsection (1)(d) above in relation to any body they may specify.

(3) In subsection (1) above—
“company limited by guarantee” has the same meaning as in section 1(2)(b) of the Companies Act 1985 (c.6); and

(a) the interest remains registered; or, as the case may be,

(b) the land remains in its ownership,

modify its memorandum or articles of association without Ministers’ consent in writing.

(2) If Ministers are satisfied that a body which has registered a community interest is no longer a community body, they may direct the Keeper to delete that interest from the Register.

(3) If Ministers are satisfied that a body which has, under this Part of this Act, bought land would, had it not so bought that land, no longer be entitled to do so, they may acquire the land compulsorily.

33 Register of Community Interests in Land

(2) The Register shall be set up and kept so as to contain, in a manner and form convenient for public inspection, the following information and documents relating to each community interest registered in it—

(3) If, however, the community body registering an interest requires that any such
information or document relating to that interest and within subsection (4) below as is
specified in the requirement be withheld from public inspection, that information or
document shall be kept by or on behalf of Ministers separately from and not entered in
the Register.

(4) Information or a document is within this subsection if it relates to—

(a) the use to which the land in which the interest is registered is proposed to be put; or

(b) arrangements for the raising or expenditure of money to enable that use.

(5) Nothing in subsection (3) or (4) above obliges an applicant community body, or
empowers Ministers to require such a body, to submit to Ministers any information or
document within subsection (4) above.

(6) Ministers may by order modify paragraphs (a) to (p) of subsection (2) or subsections (3)
or (4) above.

CHAPTER 2

REGISTRATION OF INTERESTS

34 Registration of interest in land

(1) A community interest in land may be registered only upon an application made by a community body to Ministers in the prescribed form and accompanied by information of the prescribed kind, including information (provided, where appropriate, by or by reference to maps or drawings) about the location and boundaries of the land.

(2) A community body applying under subsection (1) above shall, at the same time as it applies, send a copy of its application and the accompanying information to the owner of the land in which the community interest would be registered.

(3) Where an application relates to land in respect of which a creditor in a standard security has a right to sell the owner shall, on receipt of the copy application and accompanying information, provide—

(a) the community body; and

(b) Ministers,

with notice, in the prescribed form, of that fact.

(4) Where an applicant community body satisfies Ministers that the owner of the land in which a community interest is sought to be registered is unknown or cannot be found, Ministers may dispense with the requirement in subsection (2) above and, where they do so, shall, in that respect, be relieved of their duties under subsections (6) to (11), and paragraphs (b) and (c) of subsection (18), below.

(5) Ministers shall not be satisfied under subsection (4) above unless the community body has given public notice of the proposed application by—

(a) placing an advertisement, in two consecutive weeks, in a local newspaper circulating in the area where the land in which a community interest is sought is situated; and

(b) affixing a conspicuous notice in the prescribed form to a part of that land.

(6) On receipt of an application, Ministers shall—

(a) invite the owner of the land to send them, so as to be received not later than 21 days after the sending of the invitation, views in writing on the application;

(b) send a copy of the invitation to the community body; and

(c) by notice sent to the owner of the land, prohibit the owner from taking, during the period beginning with the date on which the owner receives the notice and ending on the date on which Ministers determine whether an interest is to be registered, any action which, if the interest had been registered, would be prohibited under section 37(1) below,

(7) On receipt of a notice under subsection (3) above, Ministers shall—

(a) invite the creditor to send them, so as to be received not later than 21 days after the sending of the invitation under subsection (6)(a) above, views in writing on the application; and

(b) send a copy of the invitation to the community body; and
(c) by notice sent to the creditor, prohibit the creditor from taking, during the period beginning with the date on which the creditor receives the notice and ending on the date on which Ministers determine whether an interest is to be registered, any action which, if the interest had been registered, would be prohibited under section 37(1) below.

(8) Ministers shall send a copy of—

(a) each application received by them, together with a copy of the accompanying information;

(b) each notice sent under subsection (6)(c) or (7)(c) above,

to the Keeper.

(9) A transfer in breach of a prohibition imposed under subsection (6)(c) or (7)(c) above is of no effect.

(10) Ministers shall—

(a) send a copy of any timeous response to an invitation to the community body; and

(b) invite it to send them, so as to be received not later than 21 days after the invitation under this subsection, its views in writing on that response.

(11) Ministers shall take any views timeously sent to them under this section into account when considering whether the community interest to which those views relate should be entered in the Register.

(12) Ministers shall decline to consider an application that—

(a) does not comply with the requirements of or imposed under this section;

(b) is otherwise incomplete;

(c) discloses that any land to which it relates is not registrable land; or

(d) otherwise indicates that it is one which Ministers would be bound to reject;

and Ministers shall be relieved of their duties under subsections (6) to (11) above, and paragraph (c) of subsection (18) below, in relation to such an application.

(13) Declinature of an application is, for the purposes subsection (18) below, to be regarded as a decision not to enter the community interest in the Register.

(14) More than one community interest may be registered in respect of the same land.

(15) A community body may, subject to subsection (16) below, register an interest in more than one holding of land.

(16) An application under subsection (1) above may relate to only one holding of land.

(17) In subsections (15) and (16) above, a “holding” of land is land in the ownership of one person or in common or joint ownership.

(18) Ministers shall, within 63 days of receiving an application under subsection (1) above, send notice of their decision whether or not the community interest is to be entered in the Register together with a statement of their reasons—

(a) to the applicant community body;

(b) to the owner of the land; and

(c) where an invitation was sent under subsection (7)(a) above, to the creditor.
(19) A notice under subsection (18) above shall—
   (a) contain information about the effect of registration of a community interest or, as
       the case may be, of Ministers’ decision that such an interest is not to be entered in
       the Register and about the rights of appeal under section 57 below; and
   (b) be in the prescribed form.

(20) Any failure to comply with the time limit specified in subsection (18) above does not
      affect the validity of anything done under this section.

(21) Where Ministers decide that a community interest is to be entered in the Register they
      shall direct the Keeper to so enter the interest with effect from the date on which
      Ministers made the decision.

35 Criteria for registration

(1) Ministers shall not decide that a community interest is to be entered in the Register
    unless they are satisfied—
    (a) that the land is registrable land;
    (b) that—
        (i) a significant number of the members of the community defined under
            section 31(1)(a) above have a substantial connection with the land; or
        (ii) the land is sufficiently near to land with which those members of that
            community have a substantial connection and that its acquisition by the
            community body will substantially support the sustainable development of
            that community;
    (c) where the land is salmon fishings or mineral rights, that the community body—
        (i) has registered or is registering an interest in; or
        (ii) has or is acquiring,
            other land containing or contiguous to the waters in which those salmon fishings
            exist or the land in which those mineral rights are exigible;
    (d) that there is within the community a level of support sufficient to justify such
        registration; and
    (e) that it is in the public interest that the community interest be so registered.

(2) For the purposes of subsection (1)(d) above, Ministers—
    (a) shall regard an indication of the approval of one tenth or more of the members of
        the community; and
    (b) may regard an indication of the approval of less than one tenth of those members,
        as signifying a sufficient level of support.

(3) In subsection (1)(b)(ii) above, “sustainable development” has, in relation to a
    community, the same meaning as it has in section 31 above.

(4) References in this section to the community are, as respects a community body,
    references to the community defined in relation to that body under section 31(1)(a)
    above.
36 Procedure for late applications

(1) This section applies in relation to an application to register a community interest in land—

(a) where the application is received by Ministers—

(i) after the date on which the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land has taken action which, if a community interest had been registered, would be prohibited under section 37(1) below; and

(ii) before the date on which—

(A) missives for the sale and purchase of the land are concluded; or

(B) an option to acquire the land is conferred, in pursuance of that action; or

(b) where another community body has registered an interest in the land, where the application is received by Ministers—

(i) after the date on which the owner of the land or, as the case may be, such a creditor has, under section 44(1) below, notified that community body that a transfer is proposed; and

(ii) before Ministers have consented, under section 47(1) below, to a transfer to that community body.

(2) Where this section applies in relation to an application—

(a) the owner of the land or, as the case may be, such a creditor shall, on receipt of an invitation under section 34 above, inform Ministers that this section applies; and

(b) the procedure for registering community interests in land set out in section 34 above is, for the purposes of the application, subject to the following modifications—

(i) paragraph (b) of subsection (10) does not apply; and

(ii) in subsection (18), for “63” there is substituted “30”.

(3) Where this section applies in relation to an application, Ministers shall not decide that a community interest is to be entered in the Register unless they are (additionally to the matters as to which they are to be satisfied under section 35 above) satisfied—

(a) that there were good reasons why the community body did not secure the receipt of an application before the owner of the land or, as the case may be, the creditor took the action, or gave the notice, such as is mentioned in subsection (1) above;

(b) that the level of support within the community for such registration is significantly greater than that which Ministers would, by virtue of subsection (2) of that section, have considered sufficient for the purposes of subsection (1)(d) of that section had the application been received before that action was taken or, as the case may be, the notice was given; and

(c) that the factors bearing on whether it is or is not in the public interest that the community interest be registered are strongly indicative that it is.

(4) Where a community interest in land is registered in pursuance of an application in relation to which this section applies—
Part 2—The community right to buy
Chapter 2—Registration of interests

(a) the owner of the land is, for the purposes of this Part of this Act (other than section 55(4)), deemed to have, on the date on which that interest is so registered, given notice under section 44(1) below that a transfer is proposed;
(b) section 45 below does not apply in so far as it relates to that interest; and
(c) for the purposes of sections 51(2) and (4), 52(3), 55(1) and 62(1)(a) below, the community body is deemed to have sent the confirmation which Ministers would, had section 45 below applied, have required to seek under subsection (2)(a) of that section on the date on which the interest is registered.

(5) Where, but for the provision made by subsection (1)(a)(ii) above, this section would apply in relation to an application to register a community interest in land Ministers—
(a) shall decline to consider the application; and
(b) shall be relieved of their duties under subsections (6) to (11), and paragraph (c) of subsection (18), of section 34 above in relation to that application.

37 Effect of registration

(1) For so long as a community interest in land is registered the owner of the land, and any creditor in a standard security having a right to sell the land, is prohibited from—
(a) transferring that land (or any land of which that land forms part); or
(b) taking any action with a view to the transfer of that land (or any land of which that land forms part),
except in accordance with this Part of this Act.

(2) A transfer in breach of subsection (1)(a) above is of no effect.

(3) Subsection (1) above operates so as to prohibit transfers of, or other actions in relation to, land in respect of which no community interest has been registered only where that transfer, or action, also relates to land in respect of which a community interest has been registered.

(4) Subsection (1) above does not apply in relation to—
(a) a transfer otherwise than for value;
(b) a transfer from one to another member of the same family;
(c) a transfer in implement or pursuance of an order of a court (other than an order under section 24 of the Conveyancing and Feudal Reform (Scotland) Act 1970 (c.35) or a decree in an action for the division and sale of land);

(v) conveying a house to a person who has purchased it in pursuance of the tenant’s right to buy it under Part III of the Housing (Scotland) Act 1987 (c.26) (“the 1987 Act”);

(vi) which requires, or which but for the provisions of section 14 of the 1987 Act would require, the consent of Ministers under subsection (5) or (7) of section 12 of the 1987 Act;

(vii) under section 65 of the Housing (Scotland) Act 2001 (asp 10); or

(viii) vesting the land in a person for the purposes of any enactment relating to sequestration, bankruptcy, winding up or incapacity or to the purposes for which judicial factors may be appointed; and

(h) a transfer of land in consequence of—

(i) the assumption or resignation or death of one or more of the partners in a firm; or

(ii) the assumption or resignation or death of one or more of the trustees of a trust.

(5) Action is taken with a view to a transfer of land when—

(b) the owner or such a creditor, or a person acting on behalf of the owner or such a creditor, enters into negotiations with another with a view to the transfer of the land; or

(c) the owner or such a creditor, or a person acting on behalf of the owner or such a creditor, proceeds further with any proposed transfer of the land which was initiated prior to the date on which the interest was registered.

(6) In section 25 of the Conveyancing and Feudal Reform (Scotland) Act 1970 (c.35) (exercise of power of a creditor in a standard security to sell the security subjects), after “may” there is inserted “, subject to sections 34(6)(c) or (7)(c) or 37(1) of the Land Reform (Scotland) Act 2002 (asp 00) (prohibition of transfer of land registered under that Act except in accordance with its provisions),”.

(7) In subsection (4)(f) above, “statutory undertaker” shall be construed in accordance with section 214 of the Town and Country Planning (Scotland) Act 1997 (c.8).

Provisions supplementary to and explanatory of section 37

(1) For the purposes of section 37(4)(b) above, a person is a member of the same family as another if that person is—

(5) References in subsection (5) of section 37 above to the owner of land include references to the person in whom it has vested for the purposes of any such enactment as is mentioned in subsection (4)(g)(viii) of that section.

39 Power to modify sections 37(4) and (5) and 38

Ministers may by order modify sections 37(4) and (5) and 38 above or any provision thereof.

40 Anti-avoidance provisions

(1) A transfer such as is mentioned in paragraph (a), (e) or (h) of subsection (4) of section 37 above is a transfer to which subsection (1) of that section applies if it is or forms part of a scheme or arrangement or is one of a series the main purpose or effect, or one of the main purposes or effects, of which is the avoidance of the requirements or consequences of this Part of this Act.

(2) Where land in respect of which a community interest is registered is being transferred otherwise than by way of a transfer to the community body which registered that interest, the transferor shall incorporate in the deed giving effect to the transfer a declaration—
(a) specifying which provision of subsection (4) of section 37 above operates so as to make the transfer one to which subsection (1) of that section does not apply; and
(b) where the provision so specified is paragraph (a), (e) or (h) of that subsection, stating that the transfer does not form part of a scheme or arrangement, and is not one of a series, such as is mentioned in subsection (1) above.

41 Duration and renewal of registration

(1) A registered community interest has effect for a period of five years from the date when it was registered.

(2) A community body which has registered a community interest may, at any time within six months before the expiry of that period, apply under section 34 above to re-register the interest.

(3) On such an application, Ministers may, subject to section 35 above, direct the Keeper to re-enter the interest in the Register.

(4) An interest so re-registered continues to have effect as a registered community interest for a period of five years from the date of that re-registration.

42 Deletion of community interest in land

(1) If Ministers are satisfied that there has, since the date on which they decided that a community interest should be registered, been a change in any matters to the extent that, if the application to register that community interest were made afresh, they would decide that the interest is not to be entered in the Register, they shall direct the Keeper to delete that interest.

(2) Ministers shall not, however, do so without first giving the community body which registered the community interest and the owner of the land an opportunity to state views on the proposed deletion.

CHAPTER 3

ACTIVATION OF RIGHT TO BUY

43 Activation of right to buy

(1) The right to buy land in which a community interest has been registered arises and may be exercised when the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land gives, or is deemed to have given, notice under section 44(1) below that a transfer is proposed.

(2) That right, however, is exercisable only in relation to particular holdings of land; accordingly, references in this and the following sections of this Part of this Act to land as respects which the right to buy is being exercised, is sought to be exercised or has been exercised are references to such holdings.

(3) Subsection (1) above shall not operate so as to provide a community body with a right to buy any land in respect of which it has not registered an interest in accordance with this Part of this Act.

(4) In subsection (2) above, “holding” has the same meaning as in subsections (15) and (16) of section 34 above.
44 Duties on owner, or creditor, proposing to transfer land

(1) Where the owner of land in respect of which a community interest is registered or, as the case may be, a creditor in a standard security with a right to sell such land proposes to transfer that land (or any land of which that land forms part) by way of a transfer under this Part of this Act, the owner or, as the case may be, such a creditor shall notify that fact to—

(a) the community body, or bodies, in respect of which the interest is registered; and

(b) Ministers.

(2) Notification under subsection (1) above shall be given in such form and otherwise in accordance with such provisions as are prescribed.

(3) Subsection (1) above operates so as to require notification of a proposal to transfer land in respect of which no community interest has been registered only where that proposed transfer also relates to land in respect of which a community interest has been registered.

(4) Where notification under subsection (1) above is given by a creditor in a standard security with a right to sell the land, references in the following sections of this Part of this Act to the owner of the land shall, for the purposes of determining the procedure which is to apply in respect of the sale of the land by that creditor, be deemed to be references to that creditor.

45 Procedure following receipt of notice under section 44

(1) On receipt of notification under section 44 above from an owner of land, Ministers shall direct the Keeper to enter particulars of the notification in the Register.

(2) Not later than 7 days after such receipt Ministers shall—

(a) send to the community body which has registered the interest in the land a notice in the prescribed form seeking its confirmation in writing that it will exercise its right to buy the land; and

(b) send to the owner of the land a notice in the prescribed form narrating their compliance with paragraph (a) above.

(3) A notice under subsection (2)(a) above shall specify the date referred to in and narrate the effect of subsection (4) below.

(4) If, by the date specified in the notice, being a date not later than 30 days after it was sent, the community body has not caused its confirmation to be received by Ministers, Ministers shall be deemed to have received written notice from the community body under subsection (1) of section 50 below that it will not exercise its right to buy the land and subsections (2) to (4) of that section shall apply accordingly.

(5) Ministers shall send a copy of—

(a) the notice sent under subsection (2)(a) above; and

(b) any confirmation received by them in pursuance of this section, to the owner of the land and to the Keeper.

(6) Any failure to comply with the time limit specified in subsection (2) above does not affect the validity of anything done under this section.
Power to activate right to buy land where breach of this Part

(1) If, on an application made to it by a community body which has registered an interest in land, the Lands Tribunal determine that—

(a) the owner of that land, or a creditor in a standard security with a right to sell that land, has acted in breach of a prohibition under—

(i) subsection (6)(c), or (7)(c), of section 34 above; or

(ii) section 37(1) above; and

(b) each of the conditions set out in subsection (2) below is met,

the Tribunal shall notify Ministers of that fact.

(2) Those conditions are—

(a) that the action referred to in subsection (1)(a) above occurred during the period of ten years immediately prior to the date on which the application was made;

(b) that the land has, during such period, not ceased to be registrable land; and

(c) that the community interest in the land which had been registered, or applied for, before the action referred to in subsection (1)(a) above remains in effect or another has, since then, been registered.

(3) On receipt of notice under subsection (1) above Ministers shall—

(a) give notice of the Tribunal’s determination to each community body which—

(i) had, or had applied to register, an interest in the land on the date on which the action referred to in subsection (1)(a) above occurred; and

(ii) has such an interest on the date on which the notice is served; and

(b) send a copy of the notice to the owner of the land and to the Keeper.

(4) A notice under subsection (3) above shall narrate the effect of subsection (5) below.

(5) Where notice is given by Ministers under subsection (3) above the owner of the land is, for the purposes of this Part of this Act, deemed to have, on the date on which notice was given by Ministers, given notice under section 44(1) above that a transfer of the land is proposed.

CHAPTER 4

PROCEDURE AFTER ACTIVATION OF RIGHT TO BUY

Exercise of right to buy: approval of community and consent of Ministers

(1) A community body shall not proceed to buy land under this Part of this Act without—

(a) the approval of the community; and

(b) the consent of Ministers.

(2) The community are to be taken as having given their approval for the purposes of subsections (1) above and (3) below if Ministers are satisfied—

(a) that—
(i) at least half of the members of the community, as defined for the purposes of section 31(1)(a) above, have voted in a ballot conducted by the community body on the question whether the community body should buy the land; or

(ii) where less than half of the members of the community have so voted, the proportion which did vote is, in the circumstances, sufficient to justify the community body’s proceeding to buy the land; and

(b) that the majority of those voting have voted in favour of the proposition that the community body buy the land.

(3) Ministers shall not consent for the purposes of subsection (1) above unless the community have given their approval and Ministers are satisfied—

(a) that the land is registrable land;

(b) that the community body continues to comply with the provisions of section 31 above;

(c) that what the community body proposes to do with the land is compatible with the sustainable use and development of the land;

(d) that the proposed purchase of the land is in the public interest; and

(e) that there has not, since the date on which they decided the community body’s interest should be registered, been a change in any matters to the extent that, if the application to register the community interest were made afresh, they would decide that the interest is not to be entered in the Register.

(4) In subsection (3)(c) above, the reference to the sustainable use and development of the land is a reference to use and development of it calculated to—

(a) provide increasing social and economic advantage to the community defined under section 31(1)(a) above in relation to the community body which is to use or develop the land; and

(b) protect the environment.

(5) A community body may require Ministers to treat as confidential any information or document relating to—

(a) the use to which the land is proposed to be put; or

(b) arrangements for the raising or expenditure of money to enable that use,

being information or a document made available to Ministers for the purposes of subsection (3) above.

(6) Ministers shall, within 21 days of receiving notification, under section 48(6) below, of the result of the ballot, send notice of their decision as to consent and their reasons for it in writing to the community body and to the owner of the land and shall direct the Keeper to enter a record of that decision in the Register.

(7) Any failure to comply with the time limit specified in subsection (6) above does not affect the validity of anything done under this section.

48 Ballot procedure

(1) The ballot shall be conducted fairly and reasonably.
(2) Any question whether a ballot has been so conducted shall be determined by Ministers.

(3) In so determining, Ministers may determine that a failure to comply with subsection (5) or (6) below has not prevented a ballot from being so conducted.

(4) If a ballot has not been conducted fairly and reasonably, the right to buy of the community body conducting it shall be extinguished.

(5) The ballot shall be conducted as prescribed; and the provisions prescribed shall include provision for the ascertainment and publication of the number of persons eligible to vote in the ballot, the number who did so and the numbers of valid votes respectively cast for and against the proposition mentioned in section 47(2)(b) above.

(6) The community body which conducts a ballot shall, within the period set out in subsection (7) below and in the prescribed form of return, notify—

(a) the result;
(b) the number of persons eligible to vote;
(c) the number who voted; and
(d) the number who voted in favour of the proposition mentioned in section 47(2)(b) above,

to Ministers.

(7) The period referred to in subsection (6) above is the period of 28 days beginning with the date—

(a) when the valuer notified the community body under section 56(2) below of the assessed value of the land and any moveable property; or
(b) where the price assessed by the appointed valuer is the subject of appeal, the date on which the price is determined on appeal as mentioned in subsection (2)(b) of section 52 below or settled as mentioned in subsection (2)(c) of that section.

49 Provisions supplementary to section 47: salmon fishings and minerals

Where the land in which a community interest has been registered is salmon fishings or mineral rights, Ministers shall not consent under section 47(1) above to the exercise of the right to buy unless they are (additionally to the matters as to which they are to be satisfied under section 47(3) above) satisfied that—

(a) the salmon fishings are in waters which are within or contiguous to;
(b) where in separate ownership from the land, the mineral rights are exercisable within,
land which the community body is, at the same time, exercising its right to buy or already owns.

50 Declinature or extinction of right to buy

(1) If, at any time, a community body which has registered a community interest decides that it will not exercise its right to buy the land, it shall give Ministers written notice of its decision.

(2) On receipt of a notice under subsection (1) above, Ministers shall—
(a) direct the Keeper to delete the community interest from the Register; and
(b) notify the owner of the land of that fact.

(3) Where, when that notice is given, that right to buy has arisen, the right is then extinguished.

(4) Nothing in or done under subsections (1) to (3) above prevents a community body from registering a community interest in the same land for a second or subsequent time.

(5) If, at any time after the owner of land has given notice under section 44(1) above but before the owner has concluded missives with a community body for the sale and purchase of the land in respect of which a right to buy has arisen, the owner of the land decides not to proceed further with the proposed transfer the owner shall give written notice of that fact to—
   (a) Ministers; and
   (b) each community body which has registered an interest in the land.

(6) Where a notice is given under subsection (5) above, the right to buy the land which arose under section 43 above is extinguished.

(7) Subsections (5) and (6) above do not apply where the right to buy land has arisen and is being exercised by virtue of the owner of land being deemed, by section 46(5) above, to have provided notice under section 44(1) above.

(8) Nothing in subsection (6) above prevents a right to buy land from arising for a second or subsequent time.

51 Right to buy same land exercisable by only one community body

(1) Only one community body may exercise the right to buy land in which two or more community bodies have registered community interests.

(2) Where two or more community bodies have confirmed that they will buy such land it is for Ministers to decide which one is to proceed.

(3) On Ministers so deciding—
   (a) the other community body’s right to buy the land is extinguished; and
   (b) they shall—
      (i) direct the Keeper to delete its interest from the Register; and
      (ii) notify the owner of the land of that fact.

(4) Where a community body has confirmed that it will buy the land as respects which a crofting community body has applied to Ministers under section 70 below for consent to exercise the right to buy, it is for Ministers to decide which body is to proceed.

(5) Where Ministers decide that the crofting community body is to proceed—
   (a) the community body’s right to buy the land is extinguished; and
   (b) they shall—
      (i) direct the Keeper to delete its interest from the Register; and
      (ii) notify the owner of the land of that fact.
Procedure for buying

(1) It is for the community body to make the offer to buy in exercise of the right conferred by this Part of this Act.

(2) The offer shall be at a price—

(a) equal to the value assessed by the appointed valuer;

(b) determined by an appeal; or, as the case may be,

(c) settled between the community body and the owner of the land after an appeal has been lodged,

and shall specify the date of entry and of payment of the price in accordance with subsection (3) below.

(3) The date of entry and of payment of the price shall be—

(a) a date not later than 6 months from the date when the community body sent the confirmation sought by Ministers under section 45(2)(a) above of its intention to buy;

(b) where the price assessed by the appointed valuer is the subject of appeal and has neither been—

(i) determined on appeal as mentioned in subsection (2)(b) above; nor

(ii) settled as mentioned in subsection (2)(c) above,

within the period of 4 months after the date when the community body sent the confirmation sought by Ministers under section 45(2)(a) above of its intention to buy, a date not later than the expiry of 2 months after that determination or settlement; or

(c) such later date as may be agreed between the community body and the owner of the land.

(4) The offer may include such other reasonable conditions as are necessary or expedient to ensure that the community body receives a good and marketable title to the land and to secure the efficient progress and completion of the transfer.

(5) If a community body has not, within the period fixed by or agreed under subsection (3) above, done any of the things mentioned in subsection (6) below, the community body’s right to buy the land is extinguished and Ministers shall—

(a) direct the Keeper to delete its interest in the land from the Register; and

(b) notify the owner of the land of that fact.

(6) The things referred to in subsection (5) above are—

(a) concluding missives with the owner of the land for its sale to the community body;

(b) if the community body has not so concluded missives, taking all steps which, in the opinion of the Lands Tribunal, it could reasonably have taken in the time available towards so concluding missives short of applying to the Lands Tribunal for an order under section 53 below; and

(c) where—

(i) paragraph (b) above applies;
(ii) all such steps as are there mentioned have been taken; and

(iii) there has been, in the opinion of the Lands Tribunal, reasonably sufficient
time also to apply to the Lands Tribunal for an order under section 53
below,

applying to the Lands Tribunal accordingly.

53 Powers of Lands Tribunal in event of failure or delay

(1) If, on application made to it by the owner of the land or the community body, the Lands
Tribunal is satisfied that, following the making of an offer in pursuance of section 52
above, the owner of the land or the community body has unreasonably delayed the
progress of transferring title to the land to the community body, the Tribunal may order
the owner of the land or, as the case may be, the community body to take such remedial
action as is specified in the order and to do so within such time as is so specified.

(2) If a community body—

(a) fails to comply with an order under subsection (1) above; and

(b) has not, within the time in which remedial action specified in such order is
required to be taken, given notice under section 50 above to Ministers that it no
longer wishes to exercise its right to buy the land,

the Lands Tribunal may make an order extinguishing its right to buy the land and, where
the Tribunal makes such an order, it shall send a copy of the order to Ministers and the
owner of the land.

(3) Ministers shall, if an order is made under subsection (2) above—

(a) direct the Keeper to delete the community body’s interest from the Register; and

(b) notify the owner of the land of that fact.

(4) If an owner of land—

(a) fails to comply with an order under subsection (1) above; and

(b) has not, within the time in which remedial action specified in such order is
required to be taken, given notice under section 50 above to Ministers and the
community body that the owner of the land no longer wishes to proceed with the
transfer of the land,

the Lands Tribunal may make an order authorising the community body to acquire the
land subject to such terms and conditions as may be specified in the order and requiring
the owner of the land to transfer the land to the community body in accordance with
such terms and conditions.

(5) An order under subsection (1) or (4) above against an owner of land may be enforced as
if it were a decree *ad factum praestandum* of the Court of Session.

54 Procedure where right to buy activated by virtue of notice under section 46(3)

(1) Where a right to buy land arises, and may be exercised, by virtue of Ministers sending
notice under section 46(3) above, subsections (2) to (8) below apply in place of sections
52 and 53 above in relation to the exercise of that right.
(2) It is for the community body to secure the expeditious exercise of such a right to buy and, in particular—
   (a) to prepare the documents necessary to effect the transfer; and
   (b) in so doing, to ensure that the land in respect of which the right to buy has arisen is the same as the land to be transferred.

(3) The community body shall pay a price—
   (a) equal to the value assessed by the appointed valuer; or
   (b) determined by an appeal.

(4) The owner of the land being bought is obliged—
   (a) to make available to the community body such deeds and other documents as are sufficient to enable the body to proceed to complete its title to the land; and
   (b) to transfer title accordingly.

(5) If the owner of the land refuses or fails to make those deeds and other documents available or they cannot be found, the Lands Tribunal may, on the application of the community body, order the owner or any other person appearing to the Tribunal to have those deeds and documents to produce them.

(6) If the owner of the land or any other person who is infeft in the land refuses or fails to effect such transfer as is mentioned in subsection (4) above, the Lands Tribunal may, on the application of the community body, authorise its principal clerk to adjust, execute and deliver such deeds or other documents as will complete such transfer to the like force and effect as if done by the owner.

(7) Any heritable security which burdened the land immediately before title is transferred to the community body in pursuance of this section shall, on the recording of that title in the Register of Sasines or recording in the Land Register of Scotland of the body’s interest in the land, cease to do so.

(8) Unless the creditors in right of any such security otherwise agree, the owner shall pay to them according to their respective rights and preferences any sum paid to the owner by the community body as consideration for the land or interests.

**CHAPTER 5**

**VALUATION OF LAND**

**Assessment of value of land**

(1) Ministers shall, within 7 days of the receipt of a confirmation, sought by them under section 45(2)(a) above, that a community body will exercise its right to buy the land, appoint a valuer to assess the value of the land.

(2) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1) above.

(3) In assessing the value of land in pursuance of an appointment under subsection (1) above, a valuer does not act on behalf of the owner of the land or the community body which is exercising its right to buy the land.

(4) The value to be assessed is the market value of the land—
(a) as at the date of notification under section 44(1) above which gave rise to the right to buy the land; or

(b) in a case where the community body’s interest was registered in pursuance of an application to which section 36 above applied, as at the date of Ministers’ receipt of that application.

(5) Where the land the value of which is to be assessed includes salmon fishings or mineral rights, the value of those fishings or rights shall be separately assessed.

(6) The “market value” of land, for the purposes of subsection (4) above, is the value it would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing, knowledgeable and prudent.

(7) In assessing the market value of land for those purposes—

(a) account may be taken, insofar as a seller and a buyer of the land such as are mentioned in subsection (6) above would do so, of any factor attributable to the known existence of a person who (not being the community body which is exercising its right to buy the land) would be willing to buy the land at a price higher than other persons because of a characteristic of the land which relates peculiarly to that person’s interest in buying it;

(b) where a community body is exercising a right to buy which has arisen in relation to part only of the land in respect of which the owner has given notice under section 44(1) above that a transfer is proposed, account shall be taken of any diminution in the value of the other part of that land which is attributable to the fact that part only of that land is being bought by the community body;

(c) no account shall be taken of—

(i) the registration of an interest in or the exercise of a right to buy the land by a community body under this Part of this Act;

(ii) the absence of the period of time during which the land would, on the open market, be likely to be advertised and exposed for sale;

(iii) any factor attributable to any use of the land which is or would be unlawful;

(iv) any depreciation in the value of any other land owned by the seller;

(v) the expenses of the valuation or otherwise related to the sale and purchase of the land.

(8) Where the proposed transfer which gave rise to a community body’s right to buy land was conditional upon moveable property belonging to the owner of the land and used in connection with it being sold with the land, the appointment of the valuer shall be extended to include the valuation of that moveable property.

(9) In any case where that appointment is so extended the moveable property shall be valued separately from the land, individual items of moveable property shall be valued separately from each other and the provisions of this section relating to the assessment of the value of land shall, so far as appropriate, apply for the purposes of the valuation of the moveable property.

(10) The expense of a valuation under this section shall be met by Ministers.
56 Procedure for valuation

(1) In carrying out a valuation under section 55 above, the valuer shall invite the owner of the land and the community body which is exercising its right to buy the land to make written representations about the value of the land and any moveable property being bought with the land and shall consider any representations made accordingly.

(2) The valuer shall, within the period set out in subsection (3) below, notify Ministers, the owner of the land and the community body which is exercising its right to buy the land of the assessed value of the land and of any moveable property which has been valued.

(3) The period referred to in subsection (2) above is the period of 6 weeks beginning with the date of appointment of the valuer or such other longer period as Ministers may fix.

(4) The validity of anything done under this Part of this Act is not affected by any failure by a valuer to comply with the time limit specified in subsection (3) above.

57 Appeals

(1) An owner of land may, by summary application, appeal to the sheriff against—

(a) a decision by Ministers that a community interest in the land is to be entered in the Register; or

(b) a decision by Ministers to give consent to the exercise by a community body of its right to buy the land.

(2) A community body may, by summary application, appeal to the sheriff against—

(a) a decision by Ministers that its community interest is not to be entered in the Register; or

(b) a decision by Ministers not to give consent to the exercise by the community body of its right to buy.

(3) A person who is a member of a community as defined for the purposes of section 31(1)(a) above in relation to a community body or who has any interest in the land giving rise to a right which is legally enforceable by that person may, by summary application, appeal to the sheriff against—

(a) a decision by Ministers that a community interest in land is to be entered in the Register on the application of the community body; or

(b) a decision by Ministers to consent to the exercise of the community body’s right to buy land.

(4) An appeal under subsection (1), (2) or (3) above shall be lodged within 28 days of the date on which Ministers decided whether to enter the community interest or, as the case may be, whether to consent to the exercise of the right to buy land.

(5) The sheriff in whose sheriffdom the land or any part of it is situated has jurisdiction to hear an appeal under this section.

(6) Where an appeal is made—

(a) under subsection (1) above the owner shall intimate that fact to—
(i) the community body; and
(ii) Ministers;

(b) under subsection (2) above the community body shall intimate that fact to—
   (i) the owner; and
   (ii) Ministers; or

(c) under subsection (3) above the member of the community shall intimate that fact
   to—
   (i) the community body;
   (ii) the owner; and
   (iii) Ministers.

(7) The decision of the sheriff in an appeal under this section—
   (a) may require rectification of the Register;
   (b) may impose conditions upon the appellant;
   (c) is final.

58 Appeals to Lands Tribunal: valuation

(1) The owner of land the value of which has been assessed under section 55 above and the
    community body which is exercising its right to buy the land may appeal to the Lands
    Tribunal against the valuation.

(2) An appeal under this section shall state the grounds on which it is being made and shall
    be lodged within 21 days of the date of notification under section 56 above.

(3) In an appeal under this section, the Lands Tribunal may reassess the value of the land.

(4) The valuer whose valuation is appealed against may be a witness in the appeal
    proceedings.

(5) The hearing of an appeal under this section shall begin not later than the first sitting day
    after the expiry of the period of four months beginning with the day on which the appeal
    was lodged.

(6) In subsection (5) above, a “sitting day” is a day when the Lands Tribunal normally sits.

(7) The Lands Tribunal shall give reasons for its decision on an appeal under this section
    and issue a written statement of those reasons within 2 weeks of the hearing of the
    appeal.

(8) The validity of anything done under this Part of this Act is not affected by any failure of
    the Lands Tribunal to comply with the time limit specified in subsection (7) above.

(9) Ministers are not competent parties to any appeal under this section by reason only that
    they appointed the valuer whose valuation is the subject of the appeal.

(10) Ministers’ powers under the Lands Tribunal Act 1949 (c.42) to make rules as respects
    that Tribunal extend to such rules as may be necessary or expedient to give full effect to
    this section.

   (c) attributable to a prohibition imposed under subsection (6)(c) or (7)(c) of section 34 above; or
   (d) as a result of the operation of paragraph (a) or (b) of section 52(3) above, is entitled to compensation from Ministers.

(2) The reference in subsection (1)(d) above to loss or expense incurred as a result of the operation of paragraph (a) or (b) of section 52(3) above is a reference to loss or expense incurred which would be likely not to have been incurred in a sale of the land to a person who, not being a community body, would not have had the benefit of the provision of those paragraphs.

(3) Where the community body and the owner of the land agree, under paragraph (c) of section 52(3) above, that the date of entry and payment of price shall be on a date after the last date on which that date could, by the operation of paragraphs (a) or (b) of that section, otherwise have been, no compensation shall be payable for any loss or expense attributable to any period occurring after that last date.

(4) A person who has incurred loss or expense as a result of the suspension or extinction under this Act of a right of pre-emption, redemption or reversion enjoyed by that person is entitled to compensation.

(5) The assessment of losses and expenses, the calculation of compensation and the procedure for recovering it shall be as prescribed.

60 **Compensation appeals**

(5) Subsection (4) above does not apply where the application has been rejected by reason only of the application not being accompanied by a declaration required under section 40(2) of that Act of 2002.”
Construction of references to land in which community interest registered

(1) Any reference in this Part of this Act (other than a reference in subsection (2) below) to land in which a community interest has been registered includes a reference to part of such land.

(2) Subsection (1) above shall not operate so as to enable a right to buy land to be exercised by a community body in relation to part only of the land in respect of which the right has arisen.

PART 3
THE CROFTING COMMUNITY RIGHT TO BUY

CHAPTER 1
GENERAL EXTENT OF CROFTING COMMUNITY RIGHT TO BUY

Land which may be bought: eligible croft land

(1) The land which may be bought under this Part of this Act is eligible croft land.

(2) In this Part of this Act, “eligible croft land” means—

(a) land within the meaning of “croft” given by section 3 (meaning of “croft” and “crofter”) of the Crofters (Scotland) Act 1993 (c.44) (“the 1993 Act”) together with any land or right which is deemed by subsections (4) or (5) of that section to be a croft or part thereof (including arable machair and scattalds);

(b) any land in which a tenant of a croft, whether alone or in common with others, has a right of pasture or grazing;

(c) any land—

(i) comprising any part of a common grazing held by a tenant of a croft; or

(ii) held runrig by a tenant of a croft,

which has not been apportioned for the exclusive use of a tenant of a croft under section 52 of the 1993 Act; and

(d) any land which consists of salmon fishings in inland waters within or contiguous to, or mineral rights (other than rights to oil, coal, gas, gold or silver) in, land referred to in paragraphs (a) to (c) above (including any such fishings or rights which are owned separately from that land).

(3) Eligible croft land does not, however, include any croft occupied or worked by its owner or a member of its owner’s family.

(4) In subsection (3) above, the reference to a croft being occupied includes—

(a) a reference to its being occupied otherwise than permanently; and

(b) a reference to its being occupied by way of the occupation by its owner of any dwellinghouse on or pertaining to it.

Land which may be bought: salmon fishings and mineral rights

(1) A crofting community body may apply, under section 70 below, to buy eligible croft land which consists of salmon fishings or mineral rights only—
(a) where—
   (i) it is simultaneously applying; or
   (ii) it has made an application in respect of which Ministers have not made a decision,

to buy the croft land to which such fishings or rights relate; or

(b) during the relevant period.

(2) Such an application may be made during the relevant period only where the crofting community body—
   (a) has provided confirmation under section 82(1) below of its intention to proceed to buy the croft land to which the fishings or rights relate; or
   (b) has bought and retained that related croft land in accordance with the provisions of this Part of this Act.

(3) In subsection (1) above, “relevant period” means the period beginning with the date on which Ministers consented to the application under section 70 below to buy the croft land to which the fishings or rights relate and ending—
   (a) where the crofting community body does not proceed to exercise its right to buy that related croft land, on the date on which it withdraws, under section 82(2) below, its confirmation to so proceed; or
   (b) where the crofting community body has bought and retained that related croft land—
      (i) in relation to salmon fishings, one year; or
      (ii) in relation to mineral rights, five years,

      after the date on which the crofting community body bought that land.

67 Land which may be bought in addition to eligible croft land

(1) Where eligible croft land is being bought under this Part of this Act eligible additional land may also be so bought.

(2) Where eligible croft land is being, or has been, bought under this Part of this Act eligible sporting interests may, subject to subsection (3) below, also be so bought.

(3) Where the crofting community body have bought, and retained ownership of, eligible croft land in accordance with the provisions of this Part of this Act it may, within the period beginning with the date on which Ministers consented to the application under section 70 below to buy the eligible croft land and ending 5 years after the date on which the crofting community body bought that land, apply under that section to buy eligible sporting interests which have not previously been leased by the crofting community body under section 80 below.

(4) In this Part of this Act—

   “eligible additional land” means, in relation to a crofting community body, land—
   (a) any part of which is contiguous to the eligible croft land which is being bought by the body; and

   (b) owned by the owner of such eligible croft land,
other than land which consists of salmon fishings in inland waters within or contiguous to, or mineral rights in, such land; and

“eligible sporting interests” means the rights of a person other than the owner of eligible croft land under any lease or other contract to shoot or fish on the land.

(5) The definition of “eligible sporting interests” in subsection (4) above does not include any right under a lease of salmon fishings in inland waters within or contiguous to eligible croft land.

68 **Crofting community bodies**

(1) A crofting community body is a company limited by guarantee, the memorandum and articles of association of which include the following—

(a) a definition of the crofting community to which the company relates;

(b) provision that the main purpose of the company is the sustainable development of the crofting community;

(c) provision enabling the company to exercise the right to buy land and sporting interests under this Part of this Act;

(d) provision that the company must have not fewer than 20 members;

(e) provision whereby the majority of the members of the company is to consist of members of the crofting community;

(f) provision whereby the members of the company who consist of members of the crofting community have control of the company;

(g) provision ensuring proper arrangements for the financial management of the company and the auditing of its accounts;

(h) provision that any surplus funds or assets of the company are to be applied for the benefit of the crofting community; and

(i) provision that on the winding up of the company and after satisfaction of its liabilities, its property (including any land and sporting interests acquired by it under this Part of this Act) passes—

(ii) to such other crofting community body or community body as may be approved by Ministers; or

(2) In subsection (1) above—

“company limited by guarantee” has the same meaning as in section 1(2)(b) of the Companies Act 1985 (c.6); and

the “sustainable development” of a crofting community is development calculated to—

(a) provide increasing social and economic advantage to the crofting community; and

(b) protect the environment.

(3) A crofting community shall be defined for the purposes of subsection (1)(a) above—

(a) as those persons who—

(i) are resident in the crofting township which is situated in or otherwise associated with the croft land which the crofting community body has a right to buy under this Part of this Act; or

(ii) being tenants of crofts in that crofting township, are resident in any other place within sixteen kilometres of that township,

and who are entitled to vote in local government elections in the polling district or districts in which that township or, as the case may be, that other place is situated; or

(b) if, in Ministers’ opinion, it is inappropriate so to define the crofting community, in such other way as Ministers approve for the purposes of this paragraph.

(4) In subsection (3)(i) above, “crofting township” means—

(a) any two or more crofts which share the right to use a common grazing together with that common grazing and any houses pertaining to or contiguous to those crofts or that common grazing; or

(b) any combination of two or more crofting townships within that meaning.

69 Provisions supplementary to section 68

(1) A crofting community body which has bought land under this Part of this Act shall not, for as long as the land remains in its ownership, modify its memorandum or articles of association without Ministers’ consent in writing.

(2) If Ministers are satisfied that a body which has so bought land would, had it not so bought that land, no longer be entitled to do so, they may acquire the land compulsorily.

CHAPTER 2

EXERCISE OF RIGHT TO BUY

70 Application by crofting community body for consent to buy croft land

(1) The right to buy under this Part of this Act may be exercised only by a crofting community body.

(2) That right may be so exercised only with the consent of Ministers given on the written application of the crofting community body.

(3) That right may be exercised in relation to more than one holding of land or sporting interests but in order so to exercise the right an application must be made in respect of each such holding and applications so made may be differently disposed of.

(4) In subsection (3) above, a “holding” of land or of a sporting interest is land in the ownership of one person or in common or joint ownership or a sporting interest to which one person is entitled or to which there is a common or joint entitlement.

(5) Such an application shall be made in the prescribed form and shall include or be accompanied by information of the prescribed kind including information (provided, where appropriate, by or by reference to maps or drawings) about—

(a) the location and boundaries of the land or sporting interests in respect of which the right to buy is sought to be exercised (the “subjects of the application”);

known to the applicant body or the existence of which it is, on reasonably diligent inquiry, capable of ascertaining;

(c) whether the crofting community body proposes to exclude from the eligible croft land which it proposes to buy—

(i) salmon fishings in inland waters within or contiguous to; or

(ii) mineral rights in,

(d) whether the crofting community body proposes a leaseback of sporting interests under section 80 below;

(e) the proposed use, development and management of the subjects of the application;

(f) whether and how the matters referred to in paragraph (e) above would affect any of the facilities referred to in paragraph (b)(ii) above insofar as those facilities connect with similar facilities on other land or also serve other land; and

(g) the extent to which the matters referred to in paragraph (e) above would consist of or support the sustainable use or development of the subjects of the application, including any land or sporting interests previously acquired by the crofting community body.

(6) In subsection (5)(g) above, the reference to the sustainable use or development of the subjects of the application is a reference to use and development of them calculated to—

(a) provide increasing social and economic advantage to the crofting community defined under section 68(1)(a) above in relation to the crofting community body which is to use or develop the subjects of the application;

(b) protect the environment.

(7) A crofting community body applying under this section shall, at the same time as it applies, send a copy of its application to the owner of the subjects of the application.

(8) On receipt of an application, Ministers shall—

(a) invite—

(i) the owner of or, as the case may be, person entitled to the subjects of the application;

(ii) the owners of all land contiguous to land which consists of the subjects of the application;

(iii) the Crofters Commission; and

(iv) any other person whom Ministers consider to have an interest in the application,

(b) send a copy of the invitation to the crofting community body.
(9) Ministers shall, as soon as may be after receiving an application, give public notice of it and of the date by which, under subsection (8)(a) above, views are to be received by them and, in that notice, invite persons to send to Ministers, so as to be received by them not later than 60 days after the publication of the notice, views in writing on the application.

(10) That public notice shall be given by advertisement—
(a) in such newspaper circulating in the area where the subjects of the application are situated as Ministers think appropriate; and
(b) in the Edinburgh Gazette.

(11) Ministers shall send copies of any views they receive under this section to the crofting community body and invite it to send them, so as to be received by them not later than 60 days after the sending of that invitation, its responses to these views.

(12) Ministers shall, when considering whether to consent to an application under this section, have regard to all views on it and responses thereto which they have received in answer to invitations under this section.

(13) Ministers shall decline to consider an application which—
(a) does not comply with the requirements of or imposed under this section;
(b) is otherwise incomplete;
(c) discloses that the subjects of the application, or any part of them, are not within the respective definitions in sections 65 and 67 above; or
(d) otherwise indicates that it is one which Ministers would be bound to reject;
and Ministers shall not be required to comply with subsections (8) to (12) above in relation to such an application.

71 Criteria for consent by Ministers

(1) Ministers shall not consent to an application under section 70 above unless they are satisfied—
(a) that the croft land to which the application relates is eligible croft land;
(b) that any additional land to which the application relates is eligible additional land;
(c) that any eligible additional land is to be bought only at the request or with the consent of its owner;
(d) that any salmon fishings to which the application relates are eligible croft land;
(e) that any mineral rights to which the application relates are eligible croft land;
(f) that any sporting interests to which the application relates are eligible sporting interests;
(g) that the subjects of the application have not previously been bought under this Part of this Act and disposed of by the crofting community body;
(h) that the owner is not—
(i) prevented from selling the subjects of the application; or
(ii) subject to any enforceable personal obligation (other than an obligation arising from any right mentioned in section 81(1) below), or order of the Land Court, to sell them otherwise than to the crofting community body;

(i) that the crofting community body complies with the provisions of section 68 above;

(j) that the exercise by the crofting community body of the right to buy under this Part of this Act will support the sustainable development of the crofting community defined in relation to that body in pursuance of section 68 above;

(k) that that exercise of that right is compatible with the sustainable development of the subjects of the application, including any land or sporting interests previously acquired by the crofting community body;

(l) that, where the subjects of the application are salmon fishings, mineral rights or sporting interests, the crofting community body has or is acquiring sufficient croft land to enable those subjects to be exploited so as to support the sustainable development of the crofting community defined as mentioned in paragraph (j) above;

(m) that the crofting community so defined are, in relation to the subjects of the application and what is proposed by way of sustainable development of that crofting community, an appropriate crofting community;

(n) that the crofting community so defined have approved the proposal to exercise the right to buy; and

(o) that it is in the public interest that the right to buy be exercised.

(2) For the purposes of subsection (1)(o) above, the public interest includes the interest of any sector (however small) of the public which, in the opinion of Ministers, would be affected by the exercise of the right to buy, and such a sector includes a community as defined for the purposes of section 31(1)(a) above and a crofting community as defined for the purposes of section 68(1)(a) above.

72 Ballot to indicate approval for purposes of section 71(1)(n)

(1) The crofting community, defined in pursuance of section 68 above in relation to the crofting community body which has applied to buy land or sporting interests, are to be taken for the purposes of section 71(1)(n) above as having approved a proposal to buy if—

(a) a ballot of the members of the crofting community so defined has, during the period of six months which immediately preceded the date on which the application was made, been conducted by the crofting community body on the question whether the crofting community body should buy the land or sporting interests; and

(b) the majority of—

(i) those voting; and

(ii) the members of the crofting community so defined who voted and who are tenants of crofts within the land which the crofting community body has applied to buy or, as the case may be, within land over which the sporting rights which the crofting community body has applied to buy may be exercised,
have voted in favour of the proposition that the crofting community body exercises its right to buy.

(2) The ballot shall be conducted fairly and reasonably.

(3) Any question whether a ballot has been so conducted shall be determined by Ministers.

(4) In so determining, Ministers may determine that a failure to comply with subsection (6) or (7) below has not prevented a ballot from being so conducted.

(5) If a ballot has not been so conducted, the crofting community body’s right to buy the land or sporting interests which are the subject of the body’s application is, so far as proceeding on that application, extinguished.

(6) The ballot shall be conducted as prescribed; and the provisions prescribed shall include provision for the ascertainment and publication of the number of persons eligible to vote in the ballot, the number who did vote and the numbers of valid votes respectively cast for and against the proposition.

(7) The crofting community body which conducts a ballot shall, within 7 days of the ballot and in the prescribed form of return, notify—

(a) the result;
(b) the number of persons eligible to vote;
(c) the number of those persons who are tenants of crofts within the land which the body proposes to buy;
(d) the number of persons who voted and the number of those persons who are such tenants; and
(e) the number of persons who voted in favour of the proposal to buy and the number of those persons who are such tenants,

to Ministers.

73 Right to buy same eligible land exercisable by only one crofting community body

(1) Only one crofting community body may exercise the right under this Part of this Act to buy the same land or sporting interests.

(2) Where two or more such bodies have applied to buy the same land or sporting interests, it is for Ministers to decide which is to proceed.

(3) On Ministers so deciding, the other body’s right to buy the land or sporting interests which are the subject of the body’s application is, so far as proceeding on that application, extinguished.

74 Reference to Land Court of purchase of eligible additional land without owner’s consent

(1) Where the owner of any eligible land to which an application under section 70 above relates has not requested, or consented to, the sale of that land Ministers shall refer to the Land Court the question of whether the eligible additional land may be bought by the crofting community body without the consent of its owner.

(2) In considering any question referred to it under subsection (1) above, the Land Court may have regard to any representations made to it by—
(a) the applicant crofting community body;
(b) the owner of the land which is the subject of the application; or
(c) any other person who, in the opinion of the Land Court, appears to have an interest.

(3) On a reference under subsection (1) above the Land Court may determine that eligible additional land may be purchased by the crofting community body without the consent of its owner (and such determination shall have the same effect as if Ministers had been satisfied as to the matter referred to in section 71(1)(c) above) but only if the court is satisfied—

(a) that the purchase of the eligible additional land by the crofting community body is essential to the sustainable development of the crofting community, defined as mentioned in section 68 above;

(b) that the purpose to which that land would be put cannot reasonably be achieved by means within the powers of the Court or the crofting community body other than by its purchase under this Part of this Act by the crofting community body;

(c) that where that land forms part of an area of land all of which is in the same ownership, the purchase of the land will not seriously jeopardise the continued use and management of the remaining land; and

(d) that that land does not exceed, in area, whichever is the greater of—

(i) 10 hectares; or

(ii) 5 per cent of the combined area of the land and any croft land being bought or which had previously been bought under this Part of this Act by the crofting community body.

(4) Where the Land Court determine, under subsection (3) above, that eligible additional land may be purchased by the crofting community body without the consent of its owner it may provide that Ministers shall, under section 77 below, make their consent to the application subject to the imposition, on transfer of the land, of such conditions upon the title to the land as the Court may specify.

(5) If the Land Court considers that the purpose to which eligible additional land or any part of it is proposed to be put can be substantially achieved by imposing conditions upon the title to that land, it may make an order—

(a) approving the purchase of the land sought to be bought but not the eligible additional land or that part of it; and

(b) providing that Ministers shall, under section 77 below, make their consent to the application subject to the imposition of such title conditions as the Court considers appropriate on the eligible additional land or, as the case may be, that part of it.

(6) An order under subsection (5) above has the same effect as Ministers being satisfied as to the matter set out in section 71(1)(c) above.

(7) The references in subsections (4) and (5) above to conditions upon the title to the land include references to real burdens and servitudes.
75 Modification of section 74(3)(a) to (d)

(1) Ministers may, by order, modify the provisions of paragraphs (a) to (d) of subsection (3) of section 74 above.

(2) Modifications under subsection (1) above may include the addition of new paragraphs.

76 Additional land included at request of owner

(1) Where the owner of eligible croft land or eligible additional land has, within the time limit for submitting views in pursuance of section 70 above, requested that eligible additional land or, as the case may be, further eligible additional land be included with the land to be bought under this Part of this Act, Ministers may, if they consider that it is in the public interest to do so, make it a condition of their proceeding to consider the application by the crofting community body that the body modifies its application so as to include in the land to be bought that eligible additional land as further such land.

(2) Ministers—

(a) may; and

(b) on being so required by the owner of land who has made such a request or the crofting community body in relation to whose application the condition referred to in subsection (1) above has been imposed, shall,

refer to the Land Court the question whether the additional land or further additional land should be included with the land to be bought.

(3) In considering any question referred to it under subsection (2) above, the Land Court may have regard to any representations made to it by—

(a) the applicant crofting community body;

(b) the owner of the land which is the subject of the application; or

(c) any other person who, in the opinion of the Land Court, appears to have an interest.

(4) On a reference under subsection (2) above, the Land Court shall report its findings in fact to Ministers.

(5) Ministers shall take those findings into account when considering or further considering the application.

77 Consent conditions

Ministers may make their consent to an application under section 70 above subject to conditions.

78 Reference to Land Court of questions on applications

(1) At any time before Ministers reach a decision on an application which has been made under section 70 above—

(a) Ministers;

(b) any person who is a member of the crofting community defined in relation to the applicant crofting community body in pursuance of section 68 above;
(c) any person who has any interest in the land or sporting interests which are the subject of the application giving rise to a right which is legally enforceable by that person; or

(d) any person who is invited, under section 70(8)(a) above, to send views to Ministers on the application,

may refer to the Land Court any question (other than a question which Ministers may, or may be required to, refer under section 74(1) or 76(2) above) relating to the application.

(2) In considering any question referred to it under subsection (1) above, the Land Court may have regard to any representations made to it by—

(a) the applicant crofting community body;

(b) the owner of the land which is, or person entitled to the sporting interests which are, the subject of the application; or

(c) any other person who, in the opinion of the Land Court, appears to have an interest.

(3) The Land Court—

(a) shall advise Ministers of its finding on any question so referred; and

(b) may, by order, provide that Ministers may consent to the application only if they impose, under section 77 above, such conditions as the Court may specify.

79 Notification of Ministers’ decision on application

(1) Ministers shall give written notice, in prescribed form, of their decision upon an application, and their reasons for it, to—

(a) the applicant crofting community body;

(b) the owner of the land or person entitled to the sporting interests to which the application relates;

(c) every other person who was invited, under section 70(8)(a) above, to send them views on the application; and

(d) where their decision is to consent to the application, to the Keeper of the Registers of Scotland.

(2) The form of notice shall be prescribed so as to secure that the notice includes a full description of—

(a) the land or sporting interests to which the consent relates (provided, where appropriate, by or by reference to maps and drawings); and

(b) where their decision is to consent to the application, any conditions imposed under section 77 above by virtue of subsections (4) or (5) of section 74 above.

(3) The notice given under subsection (1) above shall—

(a) contain information about the consequences of the decision notified and of the rights of appeal against it given by this Part of this Act; and

(b) state the date as at which the decision is effective.
Leaseback to owner of sporting interests

(1) This section applies where—
   (a) at the date of an application under section 70 above, only the owner of the land to be bought is entitled to the sporting interests on the land;
   (b) the crofting community body has indicated that it proposes a leaseback of those interests under section 70(5)(d) above; and
   (c) the owner, within the period of 60 days referred to in subsection (8) of that section, notifies Ministers in writing that the owner wishes a lease of those interests.

(2) On being so notified, Ministers shall refer to the Land Court the question of what terms and conditions are appropriate for a lease of those sporting interests from the crofting community body to the owner.

(3) The Land Court shall, subject to subsection (4) below, determine those terms and conditions.

(4) Those terms and conditions shall include provision that—
   (a) the annual rent shall be nominal;
   (b) the duration of the lease shall be not less than 20 years; and
   (c) the owner shall be entitled to assign the tenant’s interest under the lease,
and the terms and conditions shall not prevent the lease from being recorded or registered under the Registration of Leases (Scotland) Act 1857 (c.26).

(5) The crofting community body shall grant a lease accordingly to the owner of the land.

(6) Nothing in this section prevents a crofting community body and the owner of land as respects which the body is exercising the right to buy under this Part of this Act from reaching any agreement about sporting interests in the land.

Effect on other rights of Ministers’ decision on right to buy

(1) Any rights of pre-emption, redemption or reversion or deriving from any option to purchase otherwise exercisable over land or sporting interests which are the subject of an application by a crofting community body under this Part of this Act are—
   (a) suspended as from the date when Ministers approve the body’s application under section 70 above to buy the land or sporting interests;
   (b) extinguished when the transfer under this Part of this Act of the land or sporting interests to the body is completed;
   (c) revived if such a transfer is not completed because the body—
      (i) has, under section 82 below, withdrawn its confirmation of its intention to proceed to buy; or
      (ii) does not, for any other reason, proceed to buy the land or sporting interests.

(2) Any rights which a person has in land which a crofting community body is seeking to buy under this Part of this Act, being rights conferred on the person under—
   (a) Part 2 of this Act;
   (b) section 12 of the 1993 Act;
Part 3—The crofting community right to buy

Chapter 2—Exercise of right to buy

(c) the provisions of Part III of the Housing (Scotland) Act 1987 (c.26) relating to a person’s right to purchase the house of which the person is a tenant, are suspended as provided in paragraph (a) of subsection (1) above but revived in the circumstances set out in paragraph (c) of that subsection and if the transfer is completed.

(3) Nothing in this Part of this Act—

(a) affects the operation of an inhibition on the sale of the land;
(b) prevents an action of adjudication from proceeding; or
(c) affects the commencement, execution or operation of any other diligence.

 Confirmation of intention to proceed with purchase and withdrawal

(1) A crofting community body’s right to buy land or sporting interests under this Act is exercisable only if, within a period of 21 days after the day when Ministers consent to its application under section 70 above, it sends notice confirming its intention to proceed to buy the land or interests to Ministers and to the owner of the land or person entitled to the interests.

(2) A crofting community body may, at any time after—

(a) making an application under section 70 above, withdraw the application; or
(b) confirming its intention to proceed under subsection (1) above, withdraw that confirmation,

by notice in writing to that effect sent to Ministers.

(3) Ministers shall acknowledge receipt of notice under subsection (1) or (2) above and send a copy of that acknowledgement to the owner of the land or person entitled to the interests.

 Completion of purchase

(1) It is for the crofting community body to secure the expeditious exercise of its right to buy and, in particular—

(a) to prepare the documents necessary to—

(i) effect the transfer; and
(ii) impose any conditions (including any real burdens or servitudes) which Ministers, under section 77 above, require to be imposed upon the title to land; and

(b) in so doing, to ensure—

(i) that the subjects of the application to which Ministers have consented are the same as those to be transferred; and
(ii) that the transfer is to be effected in accordance with any other conditions imposed by Ministers under section 77 above.
Part 3—The crofting community right to buy

Chapter 2—Exercise of right to buy

(2) Where the crofting community body is unable to fulfil the duty imposed by subsection (1)(b) above because part of the land or sporting interests in respect of which Ministers' consent was given is not owned by the person named as its owner or exercisable by the person named as the person entitled to them in the application under section 70 above, it shall refer that matter to Ministers.

(3) On a reference under subsection (2) above, Ministers may direct—

(a) that the right to buy be exercised as if the part of the land or interests not owned or not exercisable by the owner or person entitled so named had never been included in the description of the land or interests in the application to which they had consented; or

(b) that the crofting community body’s right to buy the land or interests which are the subject of the body’s application is, so far as proceeding on that application, extinguished.

(4) The owner of the land or person entitled to the interests being bought is obliged—

(a) to make available to the crofting community body such deeds and other documents as are sufficient to enable the body to proceed to complete its title to the land or interests; and

(b) to transfer title accordingly.

(5) If, within 6 weeks of the date on which Ministers consent to an application to buy land or sporting interests, the owner of the land or person entitled to the interests refuses or fails to make those deeds and other documents available, or they cannot be found, the Land Court may, on the application of the crofting community body, order the owner or person entitled or any other person appearing to the Court to have those deeds and documents to produce them.

(6) If the owner of the land or person entitled to the interests or any other person who is infeft in the land or interests refuses or fails to effect such sufficient transfer as is mentioned in subsection (4) above, the Land Court may, on the application of the crofting community body, authorise its principal clerk to adjust, execute and deliver such deeds or other documents as will complete such transfer to the like force and effect as if done by the owner or person entitled.

84 Completion of transfer

(1) The consideration for the transfer of the land or sporting interests shall be its or their value as assessed under section 85 below.

(2) That consideration shall, subject to subsections (3) and (4) below, be paid not later than the “final settlement date”, being the date on which expires a 6 month period beginning with the date (the “consent date”) when Ministers consented to the application under section 70 above to buy the land or interests.

(3) Where—

(a) the owner or person entitled to the interests and the crofting community body so agree, the consideration may be paid on a date later than the final settlement date;

(b) the assessment of the valuation of the land or interests under section 85 below has not been completed by a date 4 months after the consent date, the consideration shall be paid not later than 2 months after the date when that assessment is completed;
(c) that valuation is the subject of an appeal which has not been determined within 4 months of the consent date, the consideration shall be paid not later than 2 months after the date of that determination.

(4) Where, on the date the consideration is to be paid, the owner or person entitled to the interests is not able to effect the grant of a good and marketable title to the crofting community body—

(a) the consideration; or

(b) if, for any reason, the consideration has not been ascertained, such sum as may be fixed by the valuer appointed under section 85(1) below as a fair estimate of what the consideration might be,

shall be consigned into the Land Court until that title is granted or the crofting community body gives notice to the Court of its decision not to proceed to complete the transaction.

(5) Where the consideration remains unpaid after the date not later than which it is to be paid, the crofting community body’s application under section 70 above in relation to the land or interests shall be treated as withdrawn.

(6) Any heritable security which burdened the land or interests immediately before title is granted to the crofting community body in pursuance of this section shall, on the recording of that title in the Register of Sasines or recording in the Land Register of Scotland of the body’s interest in the land or interests, cease to do so.

(7) Unless the creditors in right of any such security otherwise agree, the owner or person entitled to the interests shall pay to them according to their respective rights and preferences any sum paid to the owner or person entitled to the interests by the crofting community body as consideration for the land or interests.

CHAPTER 3

VALUATION OF CROFT LAND

85 Assessment of value of croft land etc.

(1) Where Ministers consent to an application under section 70 above, they shall within 7 days of doing so appoint a valuer to assess the value of the land or sporting interests to which the application relates.

(2) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1) above.

(3) In assessing the value of land or interests in pursuance of an appointment under subsection (1) above, a valuer does not act on behalf of the owner of the land or person entitled to the interests or of the crofting community body which is exercising its right to buy the land or interests under this Part of this Act.

(4) The value to be assessed is the market value of the land or interests as at the date when Ministers consented to the application under section 70 relating to the land or interests.

(5) The “market value” of land or interests is the value it or they would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing, knowledgeable and prudent.

(6) In arriving at the market value of land or interests for the purposes of this section—
(a) account may be taken—

(i) in so far as a seller and buyer such as are mentioned in subsection (5) above would do so, of any factor attributable to the known existence of a person who (not being the crofting community body which is exercising its right to buy the land or interests) would be willing to buy the land or interests at a price higher than others would because of a characteristic of the land or interests which relates peculiarly to that person’s interest in buying it;

(ii) of any depreciation in the value of other land or interests belonging to the seller which may result from the transfer of land or interests including depreciation caused by division of the land or interests by the transfer of land or interests to the crofting community body; and

(iii) of any disturbance to that seller which may arise from the transfer of land or interests;

(b) no account shall be taken of—

(i) any factor attributable to any use of the land or interests which is or would be unlawful;

(ii) the absence of the period of time during which the land or interests would, on the open market, be likely to be advertised and exposed for sale.

(7) The expense of a valuation under this section shall be met by Ministers.

(8) In carrying out a valuation under this section, the valuer shall invite the owner of the land or person entitled to the interests and the crofting community body which is exercising its right to buy the land or interests to make representations in writing about the value of the land or interests and shall consider any representations made accordingly.

(9) Where the crofting community body and the owner of the land or person entitled to the interests have agreed the valuation of the land or interests they shall notify the valuer in writing of that valuation.

(10) Where the crofting community body have proposed a leaseback of the sporting interests under section 80 above, the valuer shall, in valuing the land which the body are seeking to buy, leave out of account the value of those sporting interests.

(11) The valuer shall, within the period set out in subsection (12) below, notify Ministers, the owner of the land or person entitled to the interests and the crofting community body which is exercising its right to buy the land or interests of the assessed value of the land or interests.

(12) The period referred to in subsection (11) above is the period of 6 weeks beginning with the date of appointment of the valuer or such longer period as Ministers may fix.

(13) The validity of anything done under this Part of this Act is not affected by any failure by a valuer to comply with the time limit specified in subsection (12) above.

86 Compensation

(1) Any person, including an owner or former owner of land or person entitled to sporting interests, who has incurred loss or expense—
(a) in complying with the requirements of this Part of this Act following upon the
making of an application under section 70 above by a crofting community body; or

(b) as a result of the withdrawal by the crofting community body of its confirmation
under section 82 above or its failure otherwise to complete the purchase after
having so confirmed its intention under that section; or

(c) as a result of the failure of the crofting community body which made that
application to complete the purchase; or

(d) by the extinguishment under section 81 above of any right,
is entitled to recover the amount of that loss or expense from the crofting community
body.

(2) There is no such entitlement, however, where the application under section 70 above is
refused.

(3) Where such an application has been refused, the owner of the land or person entitled to
the interests who has incurred loss or expense as mentioned in subsection (1)(a) above is
entitled to recover the amount of that loss or expense from Ministers.

(4) Ministers shall, by order, provide as to—

(a) the procedure under which claims for compensation under this section are to be
made; and

(b) the basis on and manner in which such compensation is to be assessed.

(5) Where, at the expiry of such period of time as may be fixed for the purposes of this
subsection by an order under subsection (4) above, any question as to whether
compensation is payable or as to the amount of any compensation payable has not been
settled as between the parties, either of them may refer the question to the Land Court.

87 Grants towards crofting community bodies’ liabilities to pay compensation

(1) Ministers may, in the circumstances set out in subsection (2) below, pay a grant to a
crofting community body.

(2) Those circumstances are—

(a) that after settlement of its other liabilities connected with the exercise of its right
to buy land or sporting interests under this Part of this Act, the crofting
community body has insufficient money to pay, or to pay in full, the amount of
compensation it has to pay under section 86 above;

(b) that the crofting community body has taken all reasonable steps to obtain money
in order to pay, or to pay in full, that amount (other than applying for a grant
under this section) but has been unable to obtain the money; and

(c) that it is in the public interest that Ministers pay the grant.

(3) The fact that all the circumstances set out in subsection (2) above obtain in a particular
case does not prevent Ministers from refusing to pay a grant in that case.

(4) A grant under this section may be made subject to conditions which may stipulate
repayment in the event of breach.
61

Part 3—The crofting community right to buy

Chapter 4—Appeals

(5) Ministers may pay a grant under this section only on the application of a crofting community body.

(6) An application for such a grant shall be made in such form and in accordance with such procedure as are prescribed.

(7) Ministers shall issue their decision on an application under this section in writing accompanied by, in the case of a refusal, a statement of the reasons for it.

(8) Ministers’ decision on an application under this section is final.

CHAPTER 4

Appeals

Appeals against consent

(1) The owner of the land or person entitled to the sporting interests to which an application under section 70 above relates and any other person within subsection (2) below may, by summary application, appeal to the sheriff against Ministers’ decision to consent to the application.

(2) The persons within this subsection are—

(a) any person who is a member of the crofting community defined in relation to the applicant crofting community body in pursuance of section 68 above;

(b) any person who has any interest in the land or sporting interests giving rise to a right which is legally enforceable by that person; and

(c) any person who was invited, under section 70(8)(a) above, to send views to Ministers on the application.

(3) The applicant crofting community body may, by summary application, appeal to the sheriff against Ministers’ decision to refuse its application under section 70 above.

(4) Subsection (3) above does not extend to Ministers’ decision under section 73 above upon which of two or more applications to buy the same land they should consent to.

(5) An appeal under subsection (1) or (3) above may be made only on a question of law and shall be lodged within 28 days of the date on which Ministers decided to consent to, or refuse, the application.

(6) The sheriff in whose sheriffdom the land or any part of it is situated or the sporting interests or any part of them are exercisable has jurisdiction to hear an appeal under this section.

(7) The sheriff shall dispose of an appeal under this section by ordering that Ministers’ decision be adhered to or reversed and such an order shall have the same effect as if it were a decision taken by Ministers on the application.

(8) Such an order is final.

(9) Where the effect of such an order is the same as granting the application, the order may be made subject to any condition to which Ministers could have made their decision subject under section 77 above.

(10) An order having the effect mentioned in subsection (9) above shall be consistent with any decision or findings of the Land Court under sections 74 or 78 above.
(11) Rules of court shall provide as to service of an appeal upon all persons who would be entitled to appeal against any decision by Ministers on the application.

89 **Appeals to Land Court: valuation**

(1) The owner of land or person entitled to the sporting interests the value of which has been assessed under section 85 above and the crofting community body which is exercising its right to buy the land or interests may appeal to the Land Court against the valuation.

(2) An appeal under this section shall state the grounds on which it is being made and shall be lodged within 21 days of the date of notification under section 85(11) above.

(3) In an appeal under this section, the Land Court may reassess the value of the land or interests.

(4) The valuer whose valuation is appealed against may be a witness in the appeal proceedings.

(5) The Land Court shall give reasons for its decision on an appeal under this section and shall issue a written statement of these reasons within 2 weeks of the hearing of the appeal.

(6) The validity of anything done under this Part of this Act is not affected by any failure of the Land Court to comply with the time limit specified in subsection (5) above.

(7) Ministers are not competent parties to any appeal under this section by reason only that they appointed the valuer whose valuation is the subject of the appeal.

90 **Agreement as to matters referred or appealed**

An appeal under sections 88 or 89 above does not prevent the parties from settling or otherwise agreeing the matter in respect of which the appeal was made between or among them.

(2) Subsection (1) above has no effect where the crofting community body has withdrawn the application or has otherwise decided not to proceed to exercise its right to buy the land or interests.
