(3) In subsection (1), “company limited by guarantee” has the meaning given by section 3(3) of the Companies Act 2006.

(4) A body is not a Part 3A community body unless Ministers have given it written confirmation that they are satisfied that the main purpose of the body is consistent with furthering the achievement of sustainable development.

(7) The articles of association of a company which is a Part 3A community body may, notwithstanding the generality of paragraph (h) of subsection (1), provide that its property may, in the circumstances mentioned in that paragraph, pass to another person only if that person is a charity.

(8) In this section, “charity” means a body entered in the Scottish Charity Register.

97E Provisions supplementary to section 97D

(1) A Part 3A community body which has bought land under this Part may not, for as long as the land or any part of it remains in its ownership, modify its memorandum or articles of association without Ministers’ consent in writing.

(2) If Ministers are satisfied that a Part 3A community body which has, under this Part, bought land would, had it not so bought that land, no longer be entitled to do so, they may acquire the land compulsorily.

(3) Subsection (2) does not apply if the Part 3A community would no longer be entitled to buy the land because the land is not eligible for the purposes of this Part.

(4) Where the power conferred by subsection (2) is (or is to be) exercised in relation to land, Ministers may make an order relating to, or to matters connected with, the acquisition of the land.

(5) An order under subsection (4) may—

(a) apply, modify or exclude any enactment which relates to any matter as to which an order could be made under that subsection,

(i) such other information as Ministers consider appropriate.

(3) If the Part 3A community body registering an application requires that any such information or document relating to that application and falling within subsection (4) as is specified in the requirement be withheld from public inspection, that information or document is to be kept by or on behalf of Ministers separately from and not entered in the Register.

(4) Information or a document falls within this subsection if it relates to arrangements for the raising or expenditure of money to enable the land to which the application relates to be put to a particular use.

(5) Nothing in subsection (3) or (4) obliges an applicant Part 3A community body, or empowers Ministers to require such a body, to submit to Ministers any information or document within subsection (4).

(6) Ministers may by regulations modify—
(a) paragraphs (a) to (h) of subsection (2),
(b) subsection (3),
(c) subsection (4).

(8) An extract so certified is sufficient evidence of the original.

(9) In this Part, “the Keeper” means—
(a) the Keeper of the Registers of Scotland, or
(b) such other person as Ministers may appoint to carry out the Keeper’s functions under this Part.

(10) Different persons may be so appointed for different purposes.

(1) The right to buy under this Part may be exercised only by a Part 3A community body.

(2) That right may be so exercised only with the consent of Ministers given on the written application of the Part 3A community body.

(3) That right may be exercised in relation to more than one holding of land but in order so to exercise the right an application must be made in respect of each such holding and applications so made may be differently disposed of.
(4) In subsection (3), a “holding” of land is land in the ownership of one person or in common or joint ownership.

(5) An application under this section—

(a) must be made in the prescribed form,

(b) must specify—

(i) the owner of the land, and

(ii) any creditor in a standard security over the land or any part of it, and

(c) must include or be accompanied by information of the prescribed kind including information (provided, where appropriate, by or by reference to maps or drawings) about the matters mentioned in subsection (6).

(6) The matters are—

(a) the reasons the Part 3A community body considers that its proposals for the land are—

(i) in the public interest, and

(ii) compatible with furthering the achievement of sustainable development in relation to the land,

(b) the reasons the Part 3A community body considers that the land is wholly or mainly abandoned or neglected,

(c) the location and boundaries of the land in respect of which the right to buy is sought to be exercised,

(d) all—

(i) rights and interests in the land,

(e) the proposed use, development and management of the land, and

(f) whether and how the matters referred to in paragraph (e) would affect any of the facilities referred to in paragraph (d)(ii) in so far as those facilities connect with similar facilities on other land or also serve other land.

(7) A Part 3A community body applying under this section must, at the same time as it applies—

(a) send a copy of its application and the accompanying information to the owner of the land to which the application relates, and

(b) where there is a standard security in relation to the land or any part of it, send a copy of the application and the accompanying information to the creditor who holds the standard security and invite the creditor—
(i) to notify the Part 3A community body and Ministers, within 60 days of receipt of the invitation, if any of the circumstances set out in subsection (8) has arisen (or arises within 60 days of receipt of the invitation), and

(ii) if such notice is given, to provide Ministers, within that time, with the creditor’s views in writing on the application.

(8) Those circumstances are that—

(a) a calling-up notice has been served by the creditor under section 19 of the Conveyancing and Feudal Reform (Scotland) Act 1970 in relation to the land which the Part 3A community body is seeking to exercise its right to buy or any part of the land and that notice has not been complied with,

(b) a notice of default served by the creditor under section 21 of that Act in relation to the land or any part of the land has not been complied with and the person on whom the notice was served has not, within the period specified in section 22 of that Act, objected to the notice by way of application to the court,

(c) where that person has so objected, the court has upheld or varied the notice of default,

(d) the court has granted the creditor a warrant under section 24 of that Act in relation to the land or any part of the land.

(9) On receipt of an application under this section, Ministers must—

(a) invite—

(i) the owner of the land,

(ii) any creditor in a standard security over the land or any part of it, and

(iii) any other person whom Ministers consider to have an interest in the application,

(b) take reasonable steps to invite the owners of all land contiguous to the land to which the application relates to send them, so as to be received not later than 60 days after the sending of the invitation, views in writing on the application,

(c) send copies of invitations given under paragraphs (a) and (b) to the Part 3A community body.

(10) An invitation given under subsection (9)(a)(i) must also invite the owner to give Ministers information about—

(a) whether the owner considers that it would be in the public interest for Ministers to consent to the application and, if not, the reasons the owner considers that it would not be in the public interest for such consent to be given,
(b) whether the owner’s continuing to own the land would be compatible with furthering the achievement of sustainable development in relation to the land,

(c) whether the owner considers the land to be wholly or mainly neglected or abandoned and the reasons for the owner’s view,

(d) any proposals that the owner has for the land,

(e) any rights or interests in the land of which the owner is aware that are not mentioned in the application, and

(f) any other matter that the owner considers is relevant to the application.

(11) Ministers must, as soon as practicable after receiving an application, give public notice of it and of the date by which, under subsection (9)(a), views are to be received by them and, in that notice, invite persons to send to Ministers, so as to be received by them not later than 60 days after the publication of the notice, views in writing on the application.

(12) That public notice is to be given by advertisement in such manner as may be prescribed.

(13) Ministers must—

(a) send copies of any views they receive under this section to the Part 3A community body, and

(b) invite it to send them, so as to be received by them not later than 60 days after the sending of that invitation, its responses to these views.

(14) Ministers must, when considering whether to consent to an application under this section, have regard to all views on it and responses to the views which they have received in answer to invitations under this section.

(15) Ministers must decline to consider an application which—

(a) does not comply with the requirements of or imposed under this section,

(b) is otherwise incomplete, or

(c) otherwise indicates that it is one which Ministers would be bound to reject;

and Ministers are not required to comply with subsections (9) to (14) in relation to such an application.

(16) Ministers must not reach a decision on an application before—

(a) the date which is 60 days after the last date on which the Part 3A community body may provide Ministers with a response to the invitation given under subsection (13), or

(b) if by that date the Lands Tribunal has not advised Ministers of its finding on any question referred to it under section 97X in relation to the application, the date on which the Lands Tribunal provides Ministers with that finding.
(17) A Part 3A community body may require Ministers to treat as confidential any information or document relating to arrangements for the raising or expenditure of money to enable the land to be put to a particular use, being information or a document made available to Ministers for the purposes of this section.

97H Criteria for consent

Ministers must not consent to an application made under section 97G unless they are satisfied—

(a) that the land to which the application relates is eligible land,

(b) that the exercise by the Part 3A community body of the right to buy under this Part is—

(i) in the public interest, and

(ii) compatible with furthering the achievement of sustainable development in relation to the land,

(c) that, if the owner of the land were to remain as its owner, that ownership would be inconsistent with furthering the achievement of sustainable development in relation to the land,

(d) that the owner of the land is accurately identified in the application,

(e) that any creditor in a standard security over the land or any part of it is accurately identified in the application,

(f) that the owner is not—

(i) prevented from selling the land, or

(ii) subject to any enforceable personal obligation (other than an obligation arising by virtue of any right suspended by regulations under section 97N(3)) to sell the land otherwise than to the Part 3A community body,

(g) that the Part 3A community body complies with the provisions of section 97D,

(h) that—

(i) a significant number of the members of the community defined under section 97D to which the application relates have a connection with the land, or

(ii) the land is sufficiently near to land with which those members of that community have a connection,

(i) that the community so defined have approved the proposal to exercise the right to buy, and

(j) that, otherwise than by virtue of this Part, the Part 3A community body has tried and failed to buy the land.
Ballot to indicate approval for purposes of section 97H

(1) The community, defined in pursuance of section 97D in relation to a Part 3A community body which has applied to buy land, are to be taken for the purposes of section 97H(i) as having approved a proposal to buy if—

(a) a ballot of the members of the community so defined has, during the period of six months which immediately preceded the date on which the application was made, been conducted by the Part 3A community body on the question whether the Part 3A community body should buy the land,

(b) in the ballot—

(i) at least half of the members of the community so defined have voted, or

(ii) fewer than half of the members of the community so defined have voted but the proportion which voted is sufficient to justify the Part 3A community body’s proceeding to buy the land, and

(c) the majority of those voting have voted in favour of the proposition that the Part 3A community body buy the land.

(2) The ballot is to be conducted as prescribed.

(3) The provisions prescribed must in particular include provision for—

(a) the ascertainment and publication of the number of persons eligible to vote in the ballot,

(b) the number who did vote,

(c) the numbers of valid votes respectively cast for and against the proposition mentioned in subsection (1)(c), and

(d) the form and manner in which the result of the ballot is to be published.

(4) The Part 3A community body which conducts a ballot must, within 21 days of the ballot (or, if its application under section 97G is made before the expiry of that period, together with the application), and in the prescribed form of return, notify Ministers of—

(a) the result,

(b) the number of persons eligible to vote,

(c) the number of persons who voted, and

(d) the number of persons who voted in favour of the proposition mentioned in subsection (1)(c).

(5) Ministers may require the Part 3A community body—

(a) to provide such information relating to the ballot as they think fit, and

(b) to provide such information relating to any consultation with those eligible to vote in the ballot undertaken during the period in which the ballot was carried out as Ministers think fit.

(6) The expense of conducting a ballot under this section is to be met by the Part 3A community body.
(7) If the ballot is not conducted as prescribed, the Part 3A community body’s right to buy the land to which the body’s application relates is, so far as proceeding on that application, extinguished.

97K Right to buy same land exercisable by only one Part 3A community body

(1) Only one Part 3A community body may exercise the right under this Part to buy the same land.

(2) Where two or more such bodies have applied to buy the same land, it is for Ministers to decide which application is to proceed.

(3) Ministers may not make such a decision unless they have had regard to all views on each of the applications, and responses to the views, which they have received in answer to invitations under section 97G.

(4) On Ministers so deciding—
   (a) the other body’s right to buy the land which is the subject of the body’s application is, so far as proceeding on that application, extinguished, and
   (b) they must notify the bodies and each person invited, under section 97G(9)(a), to send them views on the application of that fact.

97L Consent conditions

Ministers may make their consent to an application made under section 97G subject to conditions.

97M Notification of Ministers’ decision on application

(1) Ministers must give written notice, in prescribed form, of their decision on an application made under section 97G, and their reasons for it, to—
   (a) the applicant Part 3A community body,
   (b) the owner of the land to which the application relates,
   (c) every other person who was invited, under section 97G(9)(a), to send them views on the application, and
   (d) the Keeper of the Registers of Scotland.

(2) The form of notice is to be prescribed so as to secure that the notice includes a full description of—
   (a) the land to which the application relates (provided, where appropriate, by or by reference to maps and drawings), and
   (b) where their decision is to consent to the application, any conditions imposed under section 97L.

(3) The notice given under subsection (1) must—
   (a) contain information about the consequences of the decision notified and of the rights of appeal against it given by this Part, and
   (b) state the date on which consent is given or refused.
97N Effect of Ministers’ decision on right to buy

(1) Ministers may by regulations make provision for or in connection with prohibiting, during the prescribed period, prescribed persons from transferring or otherwise dealing with land in respect of which a Part 3A community body has made an application under section 97G.

(2) Regulations under subsection (1) may in particular include provision—

(a) prescribing transfers or dealings which are not prohibited by the regulations,

(b) requiring or enabling prescribed persons in prescribed circumstances to register prescribed notices in the Register of Community Interests in Abandoned or Neglected Land,

(c) in prescribed circumstances, requiring prescribed information to be incorporated into prescribed deeds relating to the land.

(3) Ministers may by regulations make provision for or in connection with suspending, during the prescribed period, such rights in or over land in respect of which a Part 3A community body has made an application under section 97G as may be prescribed.

(4) Regulations under subsection (3) may in particular include provision specifying—

(a) rights to which the regulations do not apply,

(b) rights to which the regulations do not apply in prescribed circumstances.

(5) Nothing in this Part—

(a) affects the operation of an inhibition on the sale of the land,

(b) prevents an action of adjudication from proceeding, or

(c) affects the commencement, execution or operation of any other diligence.

97P Confirmation of intention to proceed with purchase and withdrawal

(1) A Part 3A community body’s right to buy land under this Act is exercisable only if, within 21 days of the date of notification under section 97S(10), it sends notice in writing confirming its intention to proceed to buy the land to—

(a) Ministers, and

(b) the owner of the land.

(2) A Part 3A community body may, at any time after—

(a) making an application under section 97G, withdraw the application, or

(b) confirming its intention to proceed under subsection (1), withdraw that confirmation,

by notice in writing to that effect sent to Ministers.

(3) Ministers must, within 7 days of receipt of notice under subsection (1) or (2), acknowledge receipt and send a copy of that acknowledgement to the owner of the land.
97Q Completion of purchase

(1) It is for the Part 3A community body to secure the expeditious exercise of its right to buy and, in particular—

(a) to prepare the documents necessary to—

(i) effect the transfer to it of the land, and

(ii) impose any conditions (including any real burdens or servitudes) which Ministers, under section 97L, require to be imposed upon the title to land, and

(b) in so doing, to ensure—

(i) that the land in the application to which Ministers have consented is the same as that to be transferred, and

(ii) that the transfer is to be effected in accordance with any other conditions imposed by Ministers under section 97L.

(2) Where the Part 3A community body is unable to fulfil the duty imposed by subsection (1)(b) because the land or part of the land in respect of which Ministers’ consent was given is not owned by the person named as its owner in the application made under section 97G, it must refer that matter to Ministers.

(3) On a reference under subsection (2), Ministers must direct that the Part 3A community body’s right to buy the land is, so far as proceeding on that application, extinguished.

(4) The owner of the land being bought is obliged—

(a) to make available to the Part 3A community body such deeds and other documents as are sufficient to enable the body to proceed to complete its title to the land, and

(b) to transfer title accordingly.

(5) If, within 6 weeks of the date on which Ministers consent to an application to buy land, the owner of the land refuses or fails to make those deeds and other documents available, or they cannot be found, the Lands Tribunal may, on the application of the Part 3A community body, order the owner or any other person appearing to the Lands Tribunal to have those deeds and documents to produce them.

(6) If the owner of the land refuses or fails to effect such sufficient transfer as is mentioned in subsection (4), the Lands Tribunal may, on the application of the Part 3A community body, authorise its clerk to adjust, execute and deliver such deeds or other documents as will complete such transfer to the like force and effect as if done by the owner or person entitled.

97R Completion of transfer

(1) The consideration for the transfer of the land is its value as assessed under section 97S.

(2) Subject to subsections (3) and (4), that consideration must be paid not later than the “final settlement date”, being the date on which expires a 6 month period beginning with the date (the “consent date”) when Ministers consented to the application made under section 97G to buy the land.
(3) Where—

(a) the Part 3A community body and the owner so agree, the consideration may be paid on a date later than the final settlement date,

(b) the assessment of the valuation of the land has not been completed by a date 4 months after the consent date, the consideration must be paid not later than 2 months after the date when that assessment is completed,

(c) that valuation is the subject of an appeal which has not been determined within 4 months of the consent date, the consideration must be paid not later than 2 months after the date of that determination.

(4) If, on the date the consideration is to be paid, the owner is not able to effect the grant of a good and marketable title to the Part 3A community body—

(a) the consideration, or

(b) if, for any reason, the consideration has not been ascertained, such sum as may be fixed by the valuer appointed under section 97S as a fair estimate of what the consideration might be,

must be consigned into the Lands Tribunal until that title is granted or the Part 3A community body gives notice to the Tribunal of its decision not to proceed to complete the transaction.

(5) Except where subsection (4) applies, if the consideration remains unpaid after the date not later than which it is to be paid, the Part 3A community body’s application made under section 97G in relation to the land is to be treated as withdrawn.

(6) Any heritable security which burdened the land immediately before title is granted to the Part 3A community body in pursuance of this section ceases to do so on the recording of that title in the Register of Sasines or registration in the Land Register of Scotland of the body’s interest in the land.

(7) Where such a security also burdens land other than the land in respect of which title is granted to the Part 3A community body, the security does not, by virtue of subsection (6), cease to burden that other land.

(8) Unless the creditors in right of any such security otherwise agree, the Part 3A community body must pay to them according to their respective rights and preferences any sum which would, but for this subsection, be paid to the owner by the Part 3A community body as consideration for the land.

(9) Any sum paid by a Part 3A community body under subsection (8) must be deducted from the sum which the body is to pay to the owner as consideration for the land.

97S Assessment of value of land etc.

(1) Where Ministers consent to an application made under section 97G, they must, subject to subsection (2), within 7 days of doing so appoint a valuer, being a person who appears to Ministers to be suitably qualified, independent and to have knowledge and experience of valuing land of a kind which is similar to the land being bought, to assess the value of the land to which the application relates.
(2) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1).

(3) In assessing the value of land in pursuance of an appointment under subsection (1), a valuer—

(a) does not act on behalf of the owner of the land or of the Part 3A community body which is exercising its right to buy the land under this Part, and

(b) is to act as an expert and not as an arbiter.

(4) The value to be assessed is the market value of the land as at the date when Ministers consented to the application made under section 97G relating to the land.

(5) The “market value” of land is the aggregate of—

(a) the value it would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing,

(b) any depreciation in the value of other land or interests belonging to the seller which may result from the transfer of land, including depreciation caused by division of the land by the transfer of land to the Part 3A community body, and

(c) the amount attributable to any disturbance to the seller which may arise in connection with the transfer of the land to the Part 3A community body.

(6) In arriving, for the purposes of this section, at the value which land would have on the open market in the circumstances mentioned in subsection (5)(a)—

(a) account may be taken, in so far as a seller and buyer such as are mentioned in subsection (5) would do so, of any factor attributable to the known existence of a person who (not being the Part 3A community body which is exercising its right to buy the land) would be willing to buy the land at a price higher than others would because of a characteristic of the land which relates peculiarly to that person’s interest in buying it,

(b) no account is to be taken of—

(i) any depreciation of the type mentioned in subsection (5)(b),

(ii) any disturbance of the type mentioned in subsection (5)(c),

(iii) the absence of the period of time during which the land would, on the open market, be likely to be advertised and exposed for sale.

(7) The expense of a valuation under this section is to be met by Ministers.

(8) In carrying out a valuation under this section, the valuer must—

(a) invite—

(i) the owner of the land, and

(ii) the Part 3A community body which is exercising its right to buy the land,

to make representations in writing about the value of the land, and
(9) Where the Part 3A community body and the owner of the land have agreed the valuation of the land they must notify the valuer in writing of that valuation.

(10) The valuer must, within the period set out in subsection (11), notify Ministers, the Part 3A community body and the owner of the land of the assessed value of the land.

(12) The validity of anything done under this Part is not affected by any failure by a valuer to comply with the time limit specified in subsection (11).

97T Compensation

(1) Any person, including an owner or former owner of land, who has incurred loss or expense—

(a) in complying with the requirements of this Part following the making of an application under section 97G by a Part 3A community body,

(b) as a result of the withdrawal by the Part 3A community body of its confirmation under section 97P or its failure otherwise to complete the purchase after having so confirmed its intention under that section, or

(c) that it is in the public interest that Ministers pay the grant.

(3) The fact that all the circumstances set out in subsection (2) are applicable in a particular case does not prevent Ministers from refusing to pay a grant in that case.

(4) A grant under this section may be made subject to conditions which may stipulate repayment in the event of breach.

(5) Ministers may pay a grant under this section only on the application of a Part 3A community body.

(b) may, by order, provide that Ministers may consent to the application only if they impose, under section 97L, such conditions as the Tribunal may specify.

(4) If the Lands Tribunal considers any question referred to it under this section to be irrelevant to Ministers’ decision on the application to which it relates, it may decide to give no further consideration to the question and find accordingly.
97Y Agreement as to matters referred or appealed
An appeal under section 97V or 97W does not prevent the parties from settling or otherwise agreeing the matter in respect of which the appeal was made between or among them.

Disapplication of certain lease restrictions

Disapplication of restrictions in lease of land to relevant authority

(i) lease the land to the body, or

(ii) confer a right of occupancy on the body in respect of the land,

(c) the land is leased to the relevant authority by another relevant authority or by a company that is wholly owned by another relevant authority, and

(d) no other person is entitled to occupy the land to which the request relates (whether by virtue of a sub-lease by the authority or otherwise).

Any restrictions in the lease of the land to which the request relates such as are mentioned in subsection (3) do not apply as between the relevant authority and the person from whom the authority leases the land.

The restrictions are any restrictions—

(a) on the power of the relevant authority to sub-let the land,

(b) on the power of the authority to share occupancy of the land,

(c) relating to how the land may be used by the authority or any other occupier of the land.

Nothing in this section affects any restrictions in the lease of the land to the relevant authority on the power of the authority to assign or transfer rights and liabilities under the lease.

If the relevant authority leases the land to, or confers a right of occupancy in respect of the land on, a community transfer body, the authority continues to be subject to any obligations under the lease of the land to the authority.

(c) the previous request was made in the period of two years ending with the date on which the new request is made, and

(d) the authority refused the previous request (whether following an appeal or not).

(2) The relevant authority may decline to consider the new request.

(3) Where a new request is declined to be considered under subsection (2), that is not to be treated as a refusal of the new request for the purposes of—

(a) an appeal under section 58, or
