PART 1

KEY CONCEPTS AND APPLICATION

Contracting authorities

1 Contracting authorities

(1) For the purposes of this Act, a “contracting authority” is—

(a) a body, office-holder or other person listed in the schedule, or

(b) any other person who is a contracting authority for the purposes of the Public Contracts Regulations and whose functions—

(i) are exercisable in or as regards Scotland, and

(ii) do not relate to reserved matters within the meaning of the Scotland Act 1998 (c.46).

(2) The Scottish Ministers may by order modify the meaning of “contracting authority” for the purposes of this Act.

(3) An order under subsection (2) may amend subsection (1) and the schedule.

Regulated procurements

2 Regulated procurements

For the purposes of this Act, a “regulated procurement” is—

(a) any procedure carried out by a contracting authority in relation to the award of a proposed regulated contract including, in particular—

(i) the seeking of offers in relation to the contract, and

(ii) the selection of economic operators,

(b) the award of a regulated contract by a contracting authority.
Regulated contracts

3 Regulated contracts

(1) A contract is regulated if—
   (a) it is a public contract,
   (b) the estimated value of the contract (see section 5) is equal to or greater than the contract threshold, and
   (c) the contract is not an excluded contract (see section 4).

(2) For the purposes of this Act, the contract threshold is as follows—

<table>
<thead>
<tr>
<th>Type of contract</th>
<th>Threshold</th>
</tr>
</thead>
<tbody>
<tr>
<td>Public contract (other than a public works contract)</td>
<td>£50,000</td>
</tr>
<tr>
<td>Public works contract</td>
<td>£2,000,000</td>
</tr>
</tbody>
</table>

(3) The Scottish Ministers may by order amend the table in subsection (2) so as to substitute for the figures specified there for the time being such other figures as they consider appropriate

4 Excluded contracts

(1) A contract is an excluded contract for the purposes of section 3 if—
   (a) it is a contract of a kind mentioned in paragraph (1) or (2) of regulation 6 of the Public Contract Regulations,
   (b) the following conditions apply—
      (i) it is for the purpose of acquiring goods, works or services in order to sell, hire or provide them to other persons,
      (ii) the contracting authority will not have an exclusive right to sell, hire or provide the goods, works or services, and
      (iii) the conditions on which the contracting authority intends to sell, hire or provide them are the same as or similar to the conditions on which another person could sell, hire or provide the same or similar goods, works or services, or
   (c) the principal purpose of the contract is to acquire goods, works or services in connection with research or development undertaken by the contracting authority.

(2) The Scottish Ministers may by regulations amend subsection (1) so as to modify the kinds of contracts which are or are not excluded contracts.

5 Estimated value of contract

(1) For the purposes of this Act, the estimated value of a contract is the value of the total consideration (not including value added tax) which the contracting authority expects to be payable under or by virtue of the contract.

(2) The Scottish Ministers may by regulations make further provision about how the estimated value of a contract is to be determined.
Framework agreements and dynamic purchasing systems

6 Framework agreements and call-off contracts

(1) For the purposes of this Act—

(a) a framework agreement is an agreement between one or more contracting authorities and one or more economic operators, the purpose of which is to establish the terms governing public contracts to be awarded during a given period, in particular with regard to price and, where appropriate, the quantity envisaged,

(b) a call-off contract is a contract awarded under a framework agreement.

(2) This Act applies to framework agreements and call-off contracts as follows—

(a) a framework agreement is treated as a public contract for the purposes of section 3 (and references to “contract” elsewhere in this Act are to be construed accordingly),

(b) the following provisions do not apply to a regulated procurement in so far as it relates to a call-off contract—

(i) section 8(2),

(ii) section 10,

(a) the period of 30 days beginning with the day on which the relevant person first knew or ought to have known that grounds for beginning the proceedings had arisen, or
(b) such longer period of up to 3 months from that day as the court considers appropriate.

(4) A longer period may be fixed under subsection (3)(b) only if the court considers that there is good reason for doing so.

34 Determination by the court

(1) This section applies to the court in determining proceedings brought under section 32.

(2) The court may by interim order suspend—
(a) the procedure leading to the award of the regulated contract,
(b) the implementation of any decision or action taken by a contracting authority in relation to that procedure.

(3) In deciding whether to grant an interim order under subsection (2), the court must decide whether the negative consequences of such an order are likely to outweigh the benefits, having regard to the following considerations—
(a) that decisions taken by a contracting authority must be reviewed effectively and, in particular, as rapidly as possible,
(b) the probable consequences of an interim order for all interests likely to be harmed, and
(c) the public interest.

(4) The court may if satisfied that a decision or action of the contracting authority was in breach of a duty mentioned in section 32(2)(b), take one or more of the following steps—
(a) order the setting aside of that decision or action,
(b) order the contracting authority to amend any document,
(c) award damages to the relevant person who has suffered loss or damage in consequence of the failure of the contracting authority to comply with its duty.

(5) If the breach of the duty by the contracting authority is in relation to a regulated contract which has been entered into, the court may only make an award under section (4)(c).

(6) Nothing in this section affects any power that the court may have by virtue of any other enactment or rule of law.

34A Transfer of forum for proceedings to First-tier Tribunal

The Scottish Ministers may by regulations modify sections 33 and 34 so that proceedings under section 32 may be brought before the First-tier Tribunal for Scotland instead of the sheriff court or Court of Session.
