<Exclusion of economic operators: zero hours contracts

(1) A contracting authority must exclude an economic operator from the process relating to a regulated procurement if subsection (2) applies.

(2) This subsection applies if the contracting authority is satisfied that the economic operator has in place arrangements for any of its employees to be employed on the basis of a zero hours contract.

(3) In this section, a “zero hours contract” means a contract or arrangement for the provision of labour which—

(a) except where subsection (6) applies, fails to specify guaranteed working hours, and

(b) has either of the features mentioned in subsection (4).
The features referred to in subsection (3)(b) are that the contract or arrangement—

(a) requires the employee to be available for work when there is no guarantee that the employee will be required to work,

(b) subject to subsection (5), requires the employee to work exclusively for that economic operator.

Subsection (4)(b) does not apply if the contracting authority is satisfied that the economic operator has demonstrated a compelling business reason to justify a contract or arrangement requiring the employee to work exclusively for that economic operator.

A contract is not, for the purposes of this section, a zero hours contract if, after being given the opportunity to seek—

(a) legal advice, or

(b) the advice of a trade union or other elected representative of employees,

an employee agrees to accept a contract that fails to specify guaranteed working hours.

Without prejudice to the generality of subsection (5), a compelling business reason may, in particular, include requirements of commercial confidentiality.

<Exclusion of economic operators: tax avoidance>

1. A contracting authority must exclude an economic operator from the process relating to a regulated procurement if the economic operator has entered into an artificial tax avoidance arrangement or series of arrangements.

2. For the purposes of this section, an “artificial tax avoidance arrangement” is to be interpreted in accordance with sections 58 to 60 of the Revenue Scotland and Tax Powers Act 2014.

3. The Scottish Ministers must by regulations make provision specifying—

(a) the process to be followed, and

(b) the evidence that is to be conclusive,

in determining whether or not an economic operator has at any time entered into an artificial tax avoidance arrangement or series of arrangements.

Neil Findlay

Before section 22, insert—

<Exclusion of economic operators: blacklisting>

1. A contracting authority must exclude an economic operator from the process relating to a regulated procurement if subsection (2) applies.

2. This subsection applies if the contracting authority is satisfied that the economic operator—

(a) has at any time compiled, used, sold or supplied a list (a “prohibited list”) which—
(i) contains details of persons who are or have been members of trade unions, or who are taking part or have taken part in the activities of trade unions, and

(ii) is compiled with a view to being used by employers or employment agencies for the purposes of discrimination in relation to the recruitment or treatment of workers, and

(b) has not taken action which, in the opinion of the contracting authority, is sufficient to remedy the effects of such compilation, use, sale or supply.

(3) Subsection (2) does not apply where it appears to the contracting authority that the economic operator has compiled, used, sold or supplied a prohibited list in circumstances which fall within a case set out in regulation 4 (exceptions to general prohibition) of the Employment Relations Act 1999 (Blacklists) Regulations 2010 (SI 2010/493) (“the 2010 Regulations”).

(4) Without prejudice to the generality of subsection (2)(b), matters that the contracting authority must take into account in determining whether remedial action is sufficient include whether the economic operator has—

(a) publicly acknowledged that it has undertaken activities falling within subsection (2)(a),

(b) apologised to those affected by such activities,

(c) subsequently employed persons affected by such activities, and

(d) paid to persons affected by such activities adequate compensation, negotiated with representatives of such persons.

(5) In this section—

“employment agency” has the same meaning as in regulation 2(1) of the 2010 Regulations,

“discrimination” has the same meaning as in regulation 3(3) of the 2010 Regulations,

“use”, in relation to a list, includes use of information contained in the list.

(6) References in this section to membership of a trade union include references to—

(a) membership of a particular branch or section of a trade union, and

(b) membership of one of a number of particular branches or sections of a trade union,

and references to taking part in the activities of a trade union have a corresponding meaning.
