PART 1
REGULATORY FUNCTIONS

Regulations to encourage or improve regulatory consistency

1 Power as respects consistency in regulatory functions

(1) The Scottish Ministers may by regulations make any provision which they consider will encourage or improve consistency in the exercise by regulators of regulatory functions.

(2) Regulations under subsection (1)—

(a) must specify the regulators to which they apply,

(b) may specify regulatory functions in respect of which they are, or are not, to apply,

(c) may prescribe the forms, procedure or other arrangements in respect of which a regulator is to impose, set, secure compliance with or enforce a regulatory requirement (including the manner in which and extent to which fees may be charged or costs recovered),

(d) may require a regulator to co-operate, or co-ordinate activity, with other regulators or the Scottish Ministers (including providing information to the Scottish Ministers).

(3) Before making regulations under subsection (1), the Scottish Ministers must consult—

(a) the regulators to which the regulations would apply,

(b) such persons or bodies as appear to the Scottish Ministers to represent the interests of persons substantially affected by the proposed regulations,

(c) such other persons or bodies as the Scottish Ministers consider appropriate.

(4) For the purposes of subsection (1), “consistency” includes consistency—
2

Regulatory Reform (Scotland) Bill
Part 1—Regulatory functions

(a) in the way in which particular regulators, their employees or their agents impose, set, secure compliance with or enforce a regulatory requirement,

(b) in the way in which different regulators, or the employees or agents of different regulators, impose, set, secure compliance with or enforce a regulatory requirement.

5

(5) In this Part—

“regulator” means a person, body or office-holder listed, or of a description listed, in schedule 1,

“regulatory functions” means—

(a) functions conferred by or under any enactment of—

(i) imposing requirements, restrictions or conditions in relation to an activity,

(ii) setting standards or outcomes in relation to an activity, or

(iii) giving guidance in relation to an activity, or

(b) functions which relate to the securing of compliance with, or enforcement of, requirements, restrictions, conditions, standards, outcomes or guidance which by or under any enactment relate to an activity,

“regulatory requirement” means a requirement, restriction, condition, standard or outcome (whether contained in guidance or otherwise)—

(a) which is to be complied with, met, attained or achieved by a person, body or office-holder whether by or under an enactment (including this Act) or otherwise, and

(b) in respect of which a regulator has regulatory functions.

6

(6) In the definition of “regulatory functions” in subsection (5), “activity” includes—

(a) providing goods and services, and

(b) employing or offering employment to any person.

2

Regulations under section 1: further provision

(1) Regulations under section 1 (“the regulations”) may include provision requiring a regulator—

(a) to secure compliance with or enforce an existing regulatory requirement,

(b) to impose, set, secure compliance with or enforce any other regulatory requirement which the regulator proposes to, or may, impose or set.

25

(2) Subject to subsection (3), the regulations may also include provision—

(a) amending a regulatory requirement,

(b) for a regulatory requirement to cease to have effect (by means of repealing or revoking an enactment containing the requirement or otherwise),

(c) creating a regulatory requirement,

(d) requiring a regulator to create, amend or remove a regulatory requirement,

(e) where a regulator is required to act as mentioned in paragraph (d), imposing conditions in relation to that requirement.
(3) The regulations may not include provision that would—
   (a) amend a regulatory requirement which, by or under an enactment (a “mandatory enactment”)—
      (i) must be complied with, met, attained or achieved, and
   (b) repeal or revoke a mandatory enactment.
(4) But the regulations may include provision such as is mentioned in subsection (3) if the regulations otherwise make provision having an equivalent effect to the mandatory enactment.
(5) A provision in the regulations requiring a regulator to impose or set a regulatory requirement is not a mandatory enactment for the purposes of subsection (3) (unless such provision is included by virtue of subsection (4)).
(6) Where the regulations include provision such as is mentioned in subsection (2), they may also include provision preventing a regulator from imposing or setting a regulatory requirement—
   (a) that amends, replaces or revokes a regulatory requirement amended or created by the regulations,
   (b) that has an equivalent effect to a regulatory requirement which ceases to have effect by virtue of the regulations.
(7) Where the regulations make provision that would (but for this subsection) apply to a regulator, the Scottish Ministers may, if they consider it necessary or expedient, direct that, for a period no longer than that mentioned in subsection (8)—
   (a) the provision is not to apply to the regulator, or
   (b) the provision is to apply to the regulator—
      (i) with such modifications as may be specified in the direction,
      (ii) subject to such conditions as may be so specified.
(8) The period is that beginning with the day on which the direction is given and ending 6 months later.
(9) Where the regulations include provision such as is mentioned in subsection (1)(b), such provision does not affect any requirement for the regulator to consult before imposing or setting the regulatory requirement mentioned in that subsection.
(10) This section is without prejudice to the generality of the power to make regulations under section 1.

Compliance and enforcement

3 Regulations under section 1: compliance and enforcement

(1) A regulator to which regulations under section 1 apply must comply with the regulations except to the extent that—
   (a) the regulator lacks the powers necessary to comply, or
   (b) the regulations impose on the regulator a requirement that conflicts with any other obligation imposed on the regulator by or under an enactment.
(2) Where a regulator fails to comply with the regulations, the Scottish Ministers may—
   (a) declare the regulator to have so failed, and
   (b) direct the regulator to take such steps to remedy the failure as are specified in the
direction within such reasonable period as may be so specified.

(3) Where a regulator fails to take some or all of the steps specified in a direction under
subsection (2)(b), the Scottish Ministers may—
   (a) take the steps,
   (b) arrange for any other person to take the steps, or
   (c) apply to the Court of Session for an order requiring the regulator to take the steps.

(4) The Scottish Ministers may recover from a regulator the costs incurred by the Scottish
Ministers in relation to—
   (a) taking steps under paragraph (a) of subsection (3),
   (b) arranging for another person to take steps under paragraph (b) of that subsection
      (including costs incurred by that other person which the Scottish Ministers have to
      bear),
   (c) an application relating to the regulator under paragraph (c) of that subsection up to
      the time of making the application.

(5) The Scottish Ministers may recover the costs mentioned in subsection (4) as a civil debt.

Exercise of regulatory functions: economic duty and code of practice

4 Regulators’ duty in respect of sustainable economic growth

(1) In exercising its regulatory functions, each regulator must contribute to achieving
sustainable economic growth, except to the extent that it would be inconsistent with the
exercise of those functions to do so.

(2) The Scottish Ministers may give guidance to regulators with respect to the carrying out
of the duty imposed by subsection (1).

(3) Regulators must have regard to guidance given under subsection (2).

(4) Subsection (1) does not apply to a regulator to the extent that the regulator is, by or
under an enactment, already subject to a duty to the same effect as that mentioned in that
subsection.

5 Code of practice

(1) The Scottish Ministers may issue and from time to time revise a code of practice in
relation to the exercise of regulatory functions by a regulator.

(2) A code of practice issued under subsection (1) applies only to—
   (a) such regulators as may be specified in the code, and
   (b) such regulatory functions as may be so specified.

(3) A copy of a code of practice issued under subsection (1) must be issued to the regulators
to whom it applies.

(4) A regulator to whom a code of practice issued under subsection (1) applies must, from
the date a copy is issued to the regulator, have regard to the code—
(a) in determining any general policy or principles by reference to which the regulator exercises any regulatory functions to which the code applies, and
(b) in exercising any such regulatory functions.

(5) References in this section to a code of practice issued under subsection (1) include references to such a code as revised from time to time under that subsection.

6 Code of practice: procedure

(1) Where the Scottish Ministers propose to issue or revise a code of practice under section 5, they must prepare a draft of the code (or revised code).

(2) In preparing the draft, the Scottish Ministers must seek to secure that it is consistent with the principles in subsection (3).

(3) The principles are—

(a) that regulatory functions should be—

(i) exercised in a way that is transparent, accountable, proportionate and consistent, and

(ii) targeted only at cases in which action is needed, and

(b) that regulatory functions should be exercised in a way that contributes to achieving sustainable economic growth, except to the extent that it would be inconsistent with the exercise of such functions to do so.

(4) The Scottish Ministers must consult the following about the draft—

(a) persons appearing to them to be representative of regulators in respect of which the code or revised code would apply,

(b) such other persons as they consider appropriate.

(5) If the Scottish Ministers decide to proceed with the draft (either in its original form or with modifications) they must lay the draft before the Scottish Parliament.

(6) Where the draft so laid is approved by resolution of the Parliament, the Scottish Ministers may issue the code (or revised code).

7 Power to modify list of regulators

(1) The Scottish Ministers may by order modify schedule 1 so as to—

(a) add—

(i) a person, body or office-holder which has regulatory functions to the list of persons, bodies and office-holders for the time being listed there, or

(ii) a description of a person, body or office-holder having regulatory functions to that list,

(b) remove—

(i) a person, body or office-holder from that list, or

(ii) a description of a person, body or office-holder from that list,

(c) amend an entry on that list.
An order under subsection (1) may, in relation to a person, body or office-holder or a description of a person, body or office-holder—

(a) specify that a function is or is not to be a regulatory function for the purposes of section 1, 4 or 5,

(b) specify the extent to which a function is or is not to be a regulatory function for such purposes.

PART 2
ENVIRONMENTAL REGULATION

CHAPTER 1
REGULATIONS FOR PROTECTING AND IMPROVING THE ENVIRONMENT

8 General purpose: protecting and improving the environment

(1) The purpose of this Chapter is to enable provision to be made for or in connection with protecting and improving the environment, including (without prejudice to that generality)—

(a) regulating environmental activities,

(b) implementing EU obligations, and international obligations, relating to protecting and improving the environment.

(2) In subsection (1), “international obligations” means any international obligations of the United Kingdom other than obligations to observe and implement EU obligations.

9 Meaning of “environmental activities” and “protecting and improving the environment”

(1) Expressions used in section 8 have the following meanings for the purposes of this Chapter—

“environmental activities” means—

(a) activities that are capable of causing, or liable to cause, environmental harm, and

(b) activities connected with such activities,

“protecting and improving the environment” includes, in particular—

(a) preventing deterioration (or further deterioration) of, and protecting and enhancing, the status of ecosystems, and

(b) promoting the sustainable use of natural resources based on the long-term protection of available natural resources.

(2) In subsection (1)—

“activities” means activities of any nature whether industrial, commercial or otherwise and whether carried on in particular premises or otherwise; and includes (with or without other activities) the production, treatment, keeping, depositing or disposal of any substance,

“environmental harm” means—
Regulatory Reform (Scotland) Bill
Part 2—Environmental regulation
Chapter 2—SEPA’s powers of enforcement

(a) harm to the health of human beings or other living organisms,
(b) harm to the quality of the environment, including—
   (i) harm to the quality of the environment taken as a whole,
   (ii) harm to the quality of air, water or land, and
   (iii) other impairment of, or interference with, ecosystems,
(c) offence to the senses of human beings,
(d) damage to property, or
(e) impairment of, or interference with, amenities or other legitimate uses of
   the environment.

(3) In schedule 2 (introduced by section 10), “regulated activities” means any
   environmental activities in respect of which regulations under that section make
   provision.

10 Regulations relating to protecting and improving the environment

(1) The Scottish Ministers may by regulations make provision for any of the purposes
    specified in Part 1 of schedule 2.

(2) Part 2 of that schedule has effect for supplementing Part 1 of the schedule.

(3) In accordance with section 8, the provision that may be made by regulations under this
    section is provision for or in connection with protecting and improving the environment,
    including any of the matters mentioned in paragraph (a) or (b) of that section.

11 Regulations relating to protecting and improving the environment: consultation

(1) Before making any regulations under section 10, the Scottish Ministers must consult—
    (a) any regulator on whom the proposed regulations would confer functions, and
    (b) such other persons as they think fit, including such persons appearing to them to
        be representative of the interests of local government, industry, agriculture,
        fisheries or small businesses as they consider appropriate.

(2) Consultation undertaken before the coming into force of this section is as effective
    compliance with subsection (1) as if undertaken after its coming into force.

(3) In subsection (1), “regulator” is to be construed in accordance with paragraph 3(1) of
    schedule 2.

Chapter 2
SEPA’s powers of enforcement

Fixed monetary penalties

12 Fixed monetary penalties

(1) The Scottish Ministers may by order make provision for or about the imposition by
    SEPA of a fixed monetary penalty on a person in relation to a relevant offence.

(2) Provision under subsection (1) must provide that a fixed monetary penalty—
(a) may be imposed on a person only where SEPA is satisfied on the balance of probabilities that the person has committed the relevant offence,
(b) is to be imposed by notice, and
(c) may not be imposed on a person on more than one occasion in relation to the same act or omission constituting the relevant offence.

(3) For the purposes of this Chapter, a “fixed monetary penalty” is a requirement to pay to SEPA a penalty of an amount specified in an order made under subsection (1).

(4) The maximum amount of such penalty that may be so specified in relation to a particular relevant offence is an amount equivalent to level 4 on the standard scale.

(5) In this section, “the standard scale” has the meaning given by section 225(1) of the Criminal Procedure (Scotland) Act 1995.

13 **Fixed monetary penalties: procedure**

(1) Provision under section 12—

(a) must secure the results in subsection (2) (“the mandatory results”),
(b) may secure the result in subsection (3) (“the optional result”).

(2) The mandatory results are that—

(a) where SEPA proposes to impose a fixed monetary penalty on a person, it must serve on the person a notice of what is proposed (a “notice of intent”) which complies with subsection (4),
(b) except where the person has discharged liability by virtue of provision made under subsection (3), the person may make written representations to SEPA in relation to the proposed imposition of the fixed monetary penalty (including that the person would not, by reason of any defence, be liable to be convicted of the relevant offence),
(c) SEPA must, after the end of the period for making representations, decide whether to impose the fixed monetary penalty,
(d) SEPA must, in so deciding, have regard to any representations,
(e) where SEPA decides to impose the fixed monetary penalty, the notice imposing it (“the final notice”) complies with subsection (5), and
(f) the person on whom a fixed monetary penalty is imposed may appeal against the decision to impose it.

(3) The optional result is that the notice of intent also offers the person the opportunity to discharge the person’s liability for the fixed monetary penalty by payment of a sum specified in the notice of intent (which sum must be less than or equal to the amount of the penalty).

(4) To comply with this subsection the notice of intent must include information as to—

(a) the grounds for the proposal to impose the fixed monetary penalty,
(b) the right to make written representations,
(c) the period within which representations may be made,
(d) where provision is made under subsection (3)—
(i) how payment to discharge the liability for the fixed monetary payment may be made,

(ii) the period within which liability for the fixed monetary penalty may be discharged, and

(iii) the effect of payment of the sum referred to in subsection (3).

(5) To comply with this subsection the final notice must include information as to—

(a) the grounds for imposing the penalty,

(b) how payment may be made,

(c) the period within which payment must be made,

(d) any early payment discounts or late payment penalties,

(e) rights of appeal, and

(f) the consequences of non-payment.

(6) Provision to secure the result in subsection (2)(f) must secure that the grounds on which a person may appeal against a decision of SEPA—

(a) include the grounds that—

(i) the decision was based on an error of fact,

(ii) the decision was wrong in law, and

(iii) the decision was unreasonable, but

(b) do not include the ground that SEPA failed to comply with guidance issued to it by the Lord Advocate under section 23(1).

14 Fixed monetary penalties: criminal proceedings and conviction

(1) Provision under section 12 must secure that in a case where a notice of intent referred to in section 13(2)(a) is served on a person—

(a) no criminal proceedings for the relevant offence to which the notice relates may be commenced against the person in respect of the act or omission to which the notice relates—

(i) before the end of any period in which the person may discharge liability for the fixed monetary penalty pursuant to section 13(3), or

(ii) if the person so discharges liability, and

(b) the period as mentioned in subsection (2) is not to be counted in calculating any period within which such criminal proceedings must be commenced.

(2) The period is that beginning with the day on which the notice of intent is served and ending with the day which is the final day on which written representations may be made in relation to the notice.

(3) Provision under section 12 must also secure that, in a case where a fixed monetary penalty is imposed on a person, no criminal proceedings for the relevant offence may be commenced against the person in respect of the act or omission giving rise to the penalty.
Variable monetary penalties

15 Variable monetary penalties

(1) The Scottish Ministers may by order make provision for or about the imposition by SEPA of a variable monetary penalty on a person in relation to a relevant offence.

(2) Provision under subsection (1) must provide that a variable monetary penalty—

(a) may be imposed on a person only where SEPA is satisfied on the balance of probabilities that the person has committed the relevant offence,

(b) is to be imposed by notice, and

(c) may not be imposed on a person on more than one occasion in relation to the same act or omission constituting the relevant offence.

(3) For the purposes of this Chapter, a “variable monetary penalty” is, subject to subsection (4), a requirement to pay SEPA a penalty of such amount as SEPA may in each case determine.

(4) SEPA may not in any case impose a variable monetary penalty that exceeds the maximum amount specified in an order made under subsection (1) in relation to that case.

(5) The maximum amount that may be so specified is—

(a) in the case mentioned in subsection (6), the maximum amount of the fine that may be imposed on summary conviction in such a case,

(b) in any other case, £40,000.

(6) The case is one where the relevant offence in respect of which the variable monetary penalty is imposed—

(a) is triable summarily (whether or not it is also triable on indictment), and

(b) is punishable on summary conviction by a fine (whether or not it is also punishable by a term of imprisonment).

(7) The Scottish Ministers may by order substitute another sum for the one for the time being mentioned in subsection (5)(b).

16 Variable monetary penalties: procedure

(1) Provision under section 15 must secure the results in subsection (2).

(2) The results are that—

(a) where SEPA proposes to impose a variable monetary penalty on a person, it must serve on the person a notice (a “notice of intent”) which complies with subsection (3),

(b) the person may make written representations to SEPA in relation to the proposed imposition of the variable monetary penalty (including that the person would not, by reason of any defence, be liable to be convicted of the relevant offence),

(c) SEPA must, after the end of the period for making such representations, decide whether to impose a variable monetary penalty and, if so, the amount of the penalty,

(d) SEPA must, in so deciding, have regard to any representations,
(e) where SEPA decides to impose a variable monetary penalty, the notice imposing it (the “final notice”) complies with subsection (4), and

(f) the person on whom a variable monetary penalty is imposed may appeal against the decision as to the imposition or amount of the penalty.

(3) To comply with this subsection the notice of intent must include information as to—

(a) the grounds for the proposal to impose the variable monetary penalty,

(b) the right to make written representations, and

(c) the period within which representations may be made.

(4) To comply with this subsection the final notice must include information as to—

(a) the grounds for imposing the penalty,

(b) how payment may be made,

(c) the period within which the payment must be made,

(d) any early payment discounts or late payment penalties,

(e) rights of appeal, and

(f) the consequences of non-payment.

(5) Provision to secure the result in subsection (2)(c) must include provision for—

(a) the person on whom the notice of intent is served to be able to offer an undertaking as to action to be taken by that person, within such period as may be specified in the undertaking, for all or any of the following purposes—

(i) to secure that the position is, so far as possible, restored to what it would have been if the offence had not been committed,

(ii) to benefit the environment to the extent that the commission of the offence has harmed the environment,

(iii) to secure that no financial benefit arising from the commission of the offence accrues to the person,

(b) SEPA to be able to accept or reject such an undertaking, and

(c) SEPA to take any undertaking so accepted into account in its decision.

(6) Provision to secure the result in subsection (2)(f) must secure that the grounds on which a person may appeal against a decision of SEPA—

(a) include the grounds that—

(i) the decision was based on an error of fact,

(ii) the decision was wrong in law,

(iii) the amount of the penalty is unreasonable, and

(iv) the decision was unreasonable for any other reason, but

(b) do not include the ground that SEPA failed to comply with guidance issued to it by the Lord Advocate under section 23(1).
Variable monetary penalties: criminal proceedings and conviction

(1) Provision under section 15 must secure the result in subsection (2) in a case where—
   (a) a variable monetary penalty is imposed on a person, or
   (b) an undertaking referred to in section 16(5) is accepted from a person.

(2) The result is that no criminal proceedings for the relevant offence in respect of the act or omission giving rise to the variable monetary penalty or the undertaking may be commenced against the person.

(3) Provision under section 15 must provide that the period mentioned in subsection (4) is not to be counted in calculating any period within which criminal proceedings in respect of an act or omission in relation to which a notice of intent under section 16(2)(a) is served must be commenced.

(4) The period is that beginning with the day on which the notice of intent is served and ending with the day which is the final day on which written representations may be made in relation to the notice.

Non-compliance penalties

Undertakings under section 16: non-compliance penalties

(1) Provision under section 15 may include provision for a person to pay a monetary penalty (in this Part, a “non-compliance penalty”) to SEPA if the person fails to comply with an undertaking referred to in section 16(5) which is accepted from the person.

(2) Where such provision is included, it may also—
   (a) specify the amount of the non-compliance penalty,
   (b) provide for the amount to be calculated by reference to criteria specified by order by the Scottish Ministers,
   (c) provide for the amount to be determined by SEPA (subject to any maximum amount set out in the provision),
   (d) provide for the amount to be determined in any other way.

(3) Where provision is included as mentioned in subsection (1), it must secure that—
   (a) the non-compliance penalty is imposed by notice served by SEPA, and
   (b) the person on whom it is imposed may appeal against the notice.

(4) Provision pursuant to subsection (3)(b) must secure that the grounds on which a person may appeal against a notice referred to in that subsection include that—
   (a) the decision to serve the notice was based on an error of fact,
   (b) the decision was wrong in law,
   (c) the decision was unreasonable for any reason (including, in a case where the amount of the non-compliance penalty was determined by SEPA, that the amount is unreasonable).
Enforcement undertakings

19 Enforcement undertakings

(1) The Scottish Ministers may by order make provision—
   (a) for or about enabling SEPA to accept an enforcement undertaking from a person
       in a case where SEPA has reasonable grounds to suspect that the person has
       committed a relevant offence, and
   (b) for the acceptance of the undertaking to have the consequences in subsection (4).

(2) For the purposes of this Chapter, an “enforcement undertaking” is an undertaking to take
    action of a type mentioned in subsection (3) and specified in the undertaking within such
    period as may be so specified.

(3) The types of action are—
   (a) action to secure that the offence does not continue or recur,
   (b) action to secure that the position is, so far as possible, restored to what it would
       have been if the offence had not been committed,
   (c) action of a description specified by order by the Scottish Ministers.

(4) The consequences are that, unless SEPA has certified under subsection (5)(g) that the
    person from whom the enforcement undertaking is accepted has not complied with the
    undertaking or any part of it—
    (a) no criminal proceedings for the relevant offence may be commenced against the
        person in respect of the act or omission in relation to which the undertaking was
        offered,
    (b) SEPA may not impose on the person a fixed monetary penalty which it would
        otherwise have power to impose by virtue of section 12 in respect of the act or
        omission, and
    (c) SEPA may not impose on the person a variable monetary penalty which it would
        otherwise have power to impose by virtue of section 15 in respect of the act or
        omission.

(5) An order under this section may in particular include provision—
    (a) as to the procedure for entering into an enforcement undertaking,
    (b) as to the terms of an enforcement undertaking,
    (c) as to publication of an enforcement undertaking by SEPA,
    (d) as to variation of an enforcement undertaking,
    (e) as to circumstances in which a person may be regarded as having complied with

(1) Where a person is convicted of a relevant offence, subsection (1) of section 249 of the Criminal Procedure (Scotland) Act 1995 (compensation order against convicted person) has effect in relation to the conviction subject to the modification in subsection (2).

(2) The modification is that the reference to payment of compensation in favour of the victim for any loss or damage caused directly or indirectly to the victim is to be read as if it included a reference to payment of compensation to a relevant person for costs incurred or to be incurred by the relevant person in preventing, reducing, remediating or mitigating the effects of—

(a) any harm to the environment resulting directly or indirectly from the offence,

(b) any other harm, loss, damage or adverse impacts so resulting from the offence.

(3) In subsection (2), the reference to costs does not include any costs which the relevant person has already recovered by virtue of—

(a) regulations under section 10 made in pursuance of paragraph 18(1) or 20 of schedule 2, or

(b) any other enactment.
(4) Where a compensation order (within the meaning of subsection (1) of section 249 of the 1995 Act) is made in respect of costs mentioned in subsection (2), that section has effect as if—

(a) the reference in subsection (8)(a) to the prescribed sum were, in relation to those costs, a reference to £50,000, and

(b) subsection (8A) were omitted.

(5) The Scottish Ministers may by order substitute a different sum of money for the one for the time being specified in subsection (4)(a).

(6) In this section—

“the 1995 Act” means the Criminal Procedure (Scotland) Act 1995,

“relevant person” means—

(a) SEPA,

(b) a local authority, or

(c) an owner or occupier of land—

(1) Subsection (2) applies where—

(a) a person is convicted by a court of a relevant offence, and

(b) the court proposes to impose a fine in respect of the offence.

(2) In determining the amount of the fine, the court must in particular have regard to any financial benefit which has accrued or is likely to accrue to the person in consequence of the offence.

Publicity orders

28 Power to order conviction etc. for offence to be publicised

(1) This section applies where a person is convicted by a court of a relevant offence.

(2) The court may, instead of or in addition to dealing with the person in any other way, make an order (a “publicity order”) requiring the person to publicise in a specified manner—
(a) the fact that the person has been convicted of the relevant offence,
(b) specified particulars of the offence,
(c) specified particulars of any other sentence passed by the court in respect of the offence.

3 A publicity order is to be taken to be a sentence for the purposes of any appeal.

4 The court may make a publicity order—
(a) at its own instance, or
(b) on the motion of the prosecutor.

5 A publicity order—
(a) must specify a period within which the requirement to publicise the matters mentioned in paragraphs (a) to (c) of subsection (2) are to be complied with, and
(b) may require the convicted person to supply SEPA, within a specified period, with evidence that that requirement has been complied with.

6 In subsections (2) and (5), “specified”, in relation to a publicity order, means specified in the order.

7 A person who fails to comply with a publicity order commits an offence.

8 A person who commits an offence under subsection (7) is liable—
(a) on summary conviction, to a fine not exceeding £40,000,
(b) on conviction on indictment, to a fine.

1 Subsection (2) applies where—
(a) a person (“A”) commits a relevant offence while acting as the employee or agent of another person (“B”), and
(b) B is not a natural person.

2 B also commits the relevant offence and is liable to be proceeded against and punished accordingly.

3 Where B is charged with a relevant offence by virtue of subsection (2), it is a defence for B to show—
(a) that B did not know that the relevant offence was being committed by A,
(b) that no reasonable person could have suspected that the relevant offence was being committed by A, and
(c) that B took all reasonable precautions and exercised all due diligence to prevent the offence being committed.
Proceedings may be taken against B in respect of the relevant offence whether or not proceedings are also taken against A in respect of that offence.

30 Liability where activity carried out by arrangement with another

(1) Subsection (2) applies where, in the course of carrying on a regulated activity—

(a) a person ("A") commits a relevant offence,
(b) at the time the offence is committed, A is carrying on the regulated activity for another person ("B"),
(c) B manages or controls the carrying on of the regulated activity, and
(d) B is not a natural person.

(2) B also commits the relevant offence and is liable to be proceeded against and punished accordingly.

(a) that B did not know that the relevant offence was being committed by A,
(b) that no reasonable person could have suspected that the relevant offence was being committed by A, and
(c) that B took all reasonable precautions and exercised all due diligence to prevent the offence being committed.

(4) Proceedings may be taken against B in respect of the relevant offence whether or not proceedings are also taken against A in respect of that offence.

(5) For the purposes of subsection (1)(b), A is carrying on a regulated activity for B whether A is carrying on the activity—

(a) by arrangement between A and B, or
(b) by arrangement with, or as employee or agent of, any other person ("C") with whom B has an arrangement under which C is to carry on the regulated activity.

(6) For the purposes of this section, "regulated activity"—

(a) has the meaning given in section 9(3), and
(b) includes activities specified in an order made by the Scottish Ministers for the purposes of this section.

Offence relating to significant environmental harm

31 Significant environmental harm: offence

(1) A person commits an offence if the person—

(a) causes, or permits to be caused, significant environmental harm,
(b) acts in a way that is likely to cause such harm,
(c) fails to act in a way such that the failure causes or is likely to cause such harm, or
(d) permits another person—

(i) to act in a way that is likely to cause such harm, or
(ii) not to act in a way such that the failure to act causes or is likely to cause such harm.

(2) But no offence is committed under subsection (1) by a person who—

(a) permits significant environmental harm to be caused, or

(b) permits another person to act, or not to act, as mentioned in paragraph (d) of that subsection,

if the permission was given by or under an enactment conferring power on the person to authorise the act, or failure to act, that caused or (as the case may be) was likely to cause such harm (however such authorisation may be expressed).

(3) For the purposes of subsection (1), a person’s acts or failures constitute an offence under that subsection whether or not the person—

(a) intended to cause, or to be likely to be caused, significant environmental harm,

(b) knew that, or was reckless or careless as to whether, those acts or failures would cause, or be likely to cause, such harm,

(c) intended the acts or failures of another person to cause, or to be likely to cause, such harm, or

(d) knew that, or was reckless or careless as to whether, the acts or failures of another person would cause or be likely to cause such harm.

(4) For the purposes of subsection (1), a person acts in a way that is likely to cause significant environmental harm, or fails to act in a way such that the failure is likely to cause such harm if, at the time of so acting or failing to act, such harm may reasonably have been considered likely to occur even if it did not (for whatever reason) in fact occur.

(5) It is a defence for a person charged with an offence under subsection (1) to show that—

(a) the acts or failures alleged to constitute the offence were necessary in order to avoid, prevent or reduce an imminent risk of serious adverse effects on human health,

(b) the person took all such steps as were reasonably practicable in the circumstances to minimise any environmental harm, and

(c) particulars about the acts or failures were given to SEPA as soon as practicable after the acts or failures took place.

(6) It is a defence for a person charged with an offence under subsection (1) to show that the acts or failures alleged to constitute the offence were authorised by or otherwise carried out in accordance with—

(a) regulations made under section 10,

(b) an authorisation given under such regulations, or

(c) an enactment specified in an order made by the Scottish Ministers for the purposes of this section.

(iii) both.

(8) In this section, “environmental harm” has the same meaning as in section 9(2).

(9) For the purposes of this section, environmental harm is “significant” if—

(a) it has or may have serious adverse effects, whether locally, nationally or on a wider scale, or

(b) it is caused or may be caused to an area designated in an order by the Scottish Ministers for the purposes of this section.

(10) An order under subsection (9) may make different provision for—

(a) different areas, or

(b) different types of significant environmental harm in relation to different areas.

32 **Power of court to order offence to be remedied**

(1) This section applies where—

(a) a court convicts a person of an offence under section 31(1),

(b) it appears to the court that it is within the power of the person to remedy or mitigate the significant environmental harm to which the conviction relates.

(2) The court may, in addition to or instead of dealing with the person in any other way, order the person to take such steps as may be specified in the order to remedy or mitigate the harm.

(3) An order under subsection (2) (a “remediation order”) is to be taken to be a sentence for the purposes of any appeal.

(4) A remediation order must specify a period (“the compliance period”) within which the steps mentioned in that subsection are to be taken.

(5) On an application by the person convicted of the offence, the court may, on more than one occasion, extend the compliance period within which those steps are to be taken.

(6) An application under subsection (5) must be made before the end of the compliance period.

(7) A person who fails to comply with a remediation order commits an offence.

(8) A person who commits an offence under subsection (7) is liable—

(a) on summary conviction, to a fine not exceeding £40,000,

(b) on conviction on indictment, to a fine.
