6th Report, 2014 (Session 4)

Legislative Consent Memorandum: Deregulation Bill

The Committee reports to the Parliament as follows—

Background

1. In March 2014, the Scottish Government laid a Legislative Consent Memorandum (LCM) in Parliament on the proposed amendments to the UK Deregulation Bill. The LCM is available on the Parliament’s website. The Parliamentary Bureau referred the LCM to the Committee on 11 March 2014.

2. The Delegated Powers and Law Reform Committee did not consider the LCM as its remit was not engaged.

Consideration by the Committee and recommendation

3. The Economy, Energy and Tourism Committee considered the LCM at its meeting on 26 March 2014. No issues were raised.

4. The Committee recommends that the Parliament approves the draft motion contained in the LCM.
