Would you like to comment on the wider issue of protections for those in society who may have concerns about same sex marriage?

I think that the bill strikes the right balance and provides good protections for people with concerns about same-sex marriage.

Would you like to comment on the wider issue of freedom of speech?

The bill will have no negative effect on freedom of speech as section 14 of the bill confirms.

Would you like to comment on any other wider issues in relation to the Bill that are not mentioned above?

The bill is a huge step forward for equality, but it does not introduce full equal marriage. The main thing missing from the bill is the introduction of mixed-sex civil partnerships.
