The Comhairle’s level of contact with the Gypsy/Traveller community is extremely low. There are no Gypsy/Travellers resident in the Outer Hebrides, and there are very few visits made to the Outer Hebrides from members of this community.

As a result, the provision of sites for Gypsy/Travellers has never been an issue which the Comhairle has needed to address.

Malcolm Burr
Chief Executive
Comhairle nan Eilean Siar (Western Isles Council)
