Consultation
Did you take part in the consultation exercise which preceded the Bill and, if so, did you comment on the financial assumptions made?
1. No

Do you believe your comments on the financial assumptions have been accurately reflected in the FM?
2. Not applicable

Did you have sufficient time to contribute to the consultation exercise?
3. Not applicable

Costs
If the Bill has any financial implications for your organisation, do you believe that they have been accurately reflected in the FM? If not, please provide details.
4. The Bill does not have any financial implications for Orkney Islands Council as we will not appoint an Enforcement Officer as there is no obligation to do so and we already undertake reviews should one be requested following the refusal of a Blue Badge on eligibility grounds

Do you consider that the estimated costs and savings set out in the FM are reasonable and accurate?
5. Yes

If relevant, are you content that your organisation can meet the financial costs associated with the Bill which it will incur? If not, how do you think these costs should be met?
6. As stated above we are currently meeting the costs of reviews.

Does the FM accurately reflect the margins of uncertainty associated with the estimates and the timescales over which such costs would be expected to arise?
7. Yes

Wider Issues
Do you believe that the FM reasonably captures costs associated with the Bill? If not, which other costs might be incurred and by whom?
8. Yes
Do you believe that there may be future costs associated with the Bill, for example through subordinate legislation? If so, is it possible to quantify these costs?

9. Should Local Authorities be mandated to appoint Enforcement Officers then this additional burden should be met by Scottish Government as the Council would be unable to meet these costs.
