6. Civic Licensing – Sexual Entertainment Venues

You may respond to all questions or only those you have a specific interest in. (Text boxes have no word limit, they will increase in size accordingly).

50. What are the consequences of operating the new licensing regime using the definitions set out at section 68 of the Bill?

- 'sexual entertainment venue'
- 'audience'
- 'financial gain'
- 'organiser'
- 'premises'
- 'sexual entertainment', and
- 'display of nudity'

51. The Bill specifies that a venue hosting sexual entertainment on three occasions or less within a 12 month period would not be treated as a sexual entertainment venue: does this have any unintended consequences?

If a club offering this type of entertainment is to be so heavily regulated surely it makes no sense to allow other venues to do it on an ad hoc basis

52. Local licensing authorities will be able to set the number of sexual entertainment venues in their area to below the existing level, or zero: are there any advantages or disadvantages to this approach?

This in effect allows the local council the ability to close existing business when they have done nothing wrong yet allowing club who are in the same business in the same country to remain open. Postcode lottery comes to mind

53. The Bill relies mainly on the existing licensing regime for sex shops as set out in

section 44 and Schedule 2 of the Civic Government (Scotland) Act 1982 (application, notification, objections and representations, revocation of licences etc., enforcement and appeals): is this mechanism adequate for the licensing of sexual entertainment venues - if not, please explain why?

54. Are there any barriers to licensing authorities operating the new licensing regime?

I cant see how girls doing lap dancing relates to the sale of alcohol the barrier being the are not in a position of knowledge to make decision on these matters

55. Civic Licensing

Do you have any other comments to make on the civic licensing aspects of the Bill?

The clubs I've been taken to on many business nights out have always been well run with very professional girls who take their jobs seriously. Although not everybody's cup of tea no one can deny that they clubs are run to very strict rules and are heavily regulated, because some people don't like them doesn't mean they are not run properly or have no place in society. They are not marketed in an in your face way so the solution is simple if you don't like them just don't go!
