## 6. Civic Licensing – Sexual Entertainment Venues

You may respond to all questions or only those you have a specific interest in. (Text boxes have no word limit, they will increase in size accordingly).

### 50. What are the consequences of operating the new licensing regime using the definitions set out at section 68 of the Bill?

- 'sexual entertainment venue'
- 'audience'
- 'financial gain'
- 'organiser'
- 'premises'
- 'sexual entertainment', and
- 'display of nudity'

There is nothing sexual that goes on in this club. We perform topless dances just the same as you would see on a beach on holiday.

### 51. The Bill specifies that a venue hosting sexual entertainment on three occasions or less within a 12 month period would not be treated as a sexual entertainment venue: does this have any unintended consequences?

I wouldn't do it as I wouldn't feel safe.

**52. Local licensing authorities will be able to set the number of sexual entertainment venues in their area to below the existing level, or zero: are there any advantages or disadvantages to this approach?**

The club I work in is well run, if this happens it would be shut down & I would be out a job or forced to work in another city.

**53. The Bill relies mainly on the existing licensing regime for sex shops as set out in**

**section 44 and Schedule 2 of the Civic Government (Scotland) Act 1982 (application, notification, objections and representations, revocation of licences etc., enforcement and appeals): is this mechanism adequate for the licensing of sexual entertainment venues - if not, please explain why?**

**54. Are there any barriers to licensing authorities operating the new licensing regime?**

In my opinion the licensing board have nothing to do with lapdancing.

## 55. Civic Licensing

**Do you have any other comments to make on the civic licensing aspects of the Bill?**

My names [REDACTED], my dance names [REDACTED] I enjoy the flexibility of my job that I can pick and choose when I work. I like working in the industry, meeting people from all different walks of life & making great friends from this job. Dancing has giving me the opportunity to fund the lifestyle a lot of people my age don't usually have. If all lapdancing clubs in Glasgow were to close I would have to work in a city such as Edinburgh which is a city I am not familiar with also I do not drive so after my shift I would have no way of getting back home. But most importantly if I were to dance in another city I would need to do fully nude dances. In Glasgow all we do is topless dances which I am comfortable & feel safe performing. This is my only job I have at the moment. The club has a fun & enjoyable atmosphere.
