## 6. Civic Licensing – Sexual Entertainment Venues

You may respond to all questions or only those you have a specific interest in. (Text boxes have no word limit, they will increase in size accordingly).

### 50. What are the consequences of operating the new licensing regime using the definitions set out at section 68 of the Bill?

- 'sexual entertainment venue'
- 'audience'
- 'financial gain'
- 'organiser'
- 'premises'
- 'sexual entertainment', and
- 'display of nudity'

### 51. The Bill specifies that a venue hosting sexual entertainment on three occasions or less within a 12 month period would not be treated as a sexual entertainment venue: does this have any unintended consequences?

**52. Local licensing authorities will be able to set the number of sexual entertainment venues in their area to below the existing level, or zero: are there any advantages or disadvantages to this approach?**

Women who chose to work in this industry are capable of deciding for themselves we don't need others to do it for us

**53. The Bill relies mainly on the existing licensing regime for sex shops as set out in**

**section 44 and Schedule 2 of the Civic Government (Scotland) Act 1982 (application, notification, objections and representations, revocation of licences etc., enforcement and appeals): is this mechanism adequate for the licensing of sexual entertainment venues - if not, please explain why?**

**54. Are there any barriers to licensing authorities operating the new licensing regime?**

## 55. Civic Licensing

**Do you have any other comments to make on the civic licensing aspects of the Bill?**

I think its unfair that someone can decide on behalf of all the woman who have chosen to dance that they have made the wrong choice, that they will be out of a job because others think its not right. We work to live and to take that away from us while its ok in other parts of Britain and Europe is wrong! We should have the right to decide our profession same as everyone else.
