## 6. Civic Licensing – Sexual Entertainment Venues

You may respond to all questions or only those you have a specific interest in. (Text boxes have no word limit, they will increase in size accordingly).

### 50. What are the consequences of operating the new licensing regime using the definitions set out at section 68 of the Bill?

- 'sexual entertainment venue'
- 'audience'
- 'financial gain'
- 'organiser'
- 'premises'
- 'sexual entertainment', and
- 'display of nudity'

Sexual Entertainment Venues – In particular lap dancing venues hold have no hidden agenda, they are simply a method of light hearted entertainment and no different to Bands, DJ's or other live shows.

### 51. The Bill specifies that a venue hosting sexual entertainment on three occasions or less within a 12 month period would not be treated as a sexual entertainment venue: does this have any unintended consequences?

It is irrelevant how many times per annum this form of entertainment in is held, there is no malice in it in front of or behind the scenes.

**52. Local licensing authorities will be able to set the number of sexual entertainment venues in their area to below the existing level, or zero: are there any advantages or disadvantages to this approach?**

No advantage to the community what so ever.  
This form of venue would in fact cause less disruption to the surrounding community than a conventional night club or live music venue with regards to noise levels, clientele etc.

**53. The Bill relies mainly on the existing licensing regime for sex shops as set out in**

**section 44 and Schedule 2 of the Civic Government (Scotland) Act 1982 (application, notification, objections and representations, revocation of licences etc., enforcement and appeals): is this mechanism adequate for the licensing of sexual entertainment venues - if not, please explain why?**

To something such as a lap dancing bar in the same breath is ludicrous. Venues such as this are merely light hearted entertainment and a far cry from anything underground or seedy.

**54. Are there any barriers to licensing authorities operating the new licensing regime?**

The only change the new regime will make is damaging an already wounded licensed trade in a crucial time for the Scottish employment and economy.

## **55. Civic Licensing**

**Do you have any other comments to make on the civic licensing aspects of the Bill?**

See above.
