Introduction

1. At its meeting on 15 September 2015 the Delegated Powers and Reform Committee considered the delegated powers provisions in the Pentland Hills Regional Park Boundary Bill (“the Bill”)\(^1\). The Committee submits this report to the lead committee for the Bill under Rule 9.6.2 of Standing Orders.

2. This Member’s Bill was introduced by Christine Grahame MSP on 30 April 2015. The Bill seeks to make provision about altering the boundary of the Pentland Hills Regional Park; and for connected purposes.
Overview of the Bill

3. This Member’s Bill was introduced by Christine Grahame MSP on 30 April 2015. The Bill seeks to make provision to alter the southern boundary of the Pentland Hills Regional Park (“the Park”) so as to include within the Park all, or substantially all, of the Pentland Hills range.

4. The Bill provides two routes by which this can be achieved. Firstly, the Bill gives a power to the Scottish Ministers to make regulations altering the southern boundary of the Park to include a designated area, acting on a proposal from the local authorities affected. Secondly, where the boundary has not been altered by such regulations within two years of the Bill receiving Royal Assent (“the default date”), the Bill provides that the boundary will be extended automatically to include all (or substantially all) of the Pentland Hills range.

5. The Delegated Powers Memorandum (“the DPM”)², explains that the two year ‘lead in’ period before the default date, at which point the boundary will be automatically extended, is intended to afford a sufficient period for a suitable extended boundary to be set at an earlier date following a notice and consultation process amongst stakeholders. The DPM notes, however, that there is scope for such regulations to be made after the default date has passed and the new boundary, as determined by the Bill, is in place.
Delegated Powers Provisions

6. The Committee first considered the Bill at its meeting on 15 September 2015. At that meeting, the Committee agreed that it did not need to draw the attention of the Parliament to the following powers:

   - Section 1(1) – Regulations altering the boundary of the Pentland Hills Regional Park
   - Section 2(4) – Procedure to be followed by the relevant local authorities

7. The Committee therefore reports that it is content with the delegated powers provisions contained in the Bill.
