Lawrie Dewar Email of 10 March 2014

To the Clerk,

I wish to register my opposition to what this petitioner seeks.

The Churches continue to make a valuable contribution to the common good through their representatives on Education committees. Most of these representatives are lay people who give up some of their free time in the best interests of their local community.

I reject the claim that the Churches reps. exert an undue influence on local councils and suggest that the Petitioners claims are not supported by substantiated evidence and facts.

Yours Sincerely,

Lawrie Dewar
