

PE1517/F

NHS Shetland Email of 14 June 2014

Dear Mr Howlett

Thank you for your e-mail of 5th June;

In response to the request for comment by the Public Petitions committee in relation to the above Petition I can confirm that NHS Shetland does not carry out such procedures. Any Shetland resident who has received this procedure would have received this as part of the service in NHS Grampian.

I do not therefore think it would be appropriate to provide further comment on this petition.

I trust this is satisfactory but should you have any further queries please do not hesitate to contact me

Yours sincerely

Ralph Roberts
Chief Executive
NHS Shetland
