Post-EU Referendum survey

Scottish Chambers of Commerce has undertaken a programme of research with member businesses across Scotland over the past year. Attached are the results of the most recent survey, conducted between 25 July and 15 August 2016. Scottish Chambers of Commerce would be happy to speak to the issues around our research programme with the Committee in due course.

THE NEGOTIATION PROCESS

Which of the following areas is most important to your business in terms of the negotiations on the UK’s future relationship with the EU?

- Access to the EU single market without the imposition of financial tariffs on trade: 29.7%
- Clarification on changes to UK implementation of EU legislation, such as TUPE, the Working Time Directive or employment rights: 27.9%
- Access to the EU single market without the imposition of non-tariff barriers, such as quotas, customs delays or technical barriers: 19.1%
- A deal on the continued free movement of workers between the UK and the EU: 17.8%
- Other: 5.5%
Methodology

The survey was carried out online between 25 July 2016 and 15 August 2016. A total of 677 responses were received.
