Local authorities and National Park Authorities

PREPARATION OF LOCAL DEVELOPMENT PLANS

Current process

Key
 Blue Box= Local Government activity
 Purple Box = Scottish Government Activity
 Green Circle = Community activity

Future process

Includes Participation Statement on how & when consultation will take place.

Evidence on environment, economy, infrastructure, community engagement, and housing land requirement, and Priorities highlighted in Local Outcome Improvement Plans and locality plans.

Plan modified in light of consultation, and feedback given to explain changes made.

Sets out how authority propose to implement the plan.

Local Place Plans may be prepared at any time and may be a material consideration in planning decisions. The planning authority must have regard to any LPPs when updating the LDP.

¹ Local Outcome Improvement Plans and locality plans are produced by Community Planning Partnerships. More information on what these plans contain can be found here: <http://www.improvementservice.org.uk/local-outcomes-improvement-plans.html>
