Aberdeen City Council Letter of 7 October 2016

Thank you for your letter on behalf of the Public Petitions Committee relating to Armed Forces visits to schools.

Aberdeen City Council has no written policy on armed forces visits to school. It is up to individual schools to respond to any requests for a deputation from any service in the armed forces. It is an individual school's decision whether or not to consult with parents if they are happy for their child to take part in any armed forces activity at school.

Yours sincerely,

Marin Murchie  
Policy, Performance and Parliamentary Liaison Manager  
Aberdeen City Council
