Log In

Log in account guidance

Enter your registered email address and password in the appropriate fields.

The "Remember me?" tickbox can be selected if you would like the system to remember your email address when you return to login again.

For security reasons you will also need to enter the letters and numbers displayed in the picture (or audio description) in order to confirm that you are a human user and not a bot.

Email - use the registered email address chosen by your organisation when registering. There is only one account per organisation. You will always need access to this email account.

- Password - use the password chosen by your organisation when registering. You can click on 'Forgot password' if you have forgotten this. It will generate a password change request to the registered email account (above).
- Complete the Captcha code and click Login.

Updating your registered account details

- [Log in](#) (see previous).
- Click on [Update Account](#).

- To change your **registered e-mail address** or **Registrant Name**, choose [Login & security](#). Under [Email](#), or [Registrant Name](#), make your changes and click [Submit](#).
- To change **all other details**, choose [Edit account details](#). Make changes to any of the available fields and click [Submit](#).
