

# **PE2106/G: Prohibit mobile phone use in Scottish schools**

## **Scottish Secondary Teachers' Association (SSTA) written submission, 11 December 2024**

The SSTA conducted a survey of members earlier this year.

Please see results of SSTA members survey (22 March 2024) – <https://ssta.org.uk/92-of-lessons-interrupted-by-pupil-mobile-phones/>

I hope this gives a clear statement from the SSTA.
