

PE2160/E: Introduce an energy strategy

Petitioner written submission, 18 November 2025

The Cabinet Secretary for Climate Action and Energy provided an update on the Scottish Government's Energy Strategy and Just Transition Plan, as requested by the Committee.

The Just Transition Commission has not yet made its determination for the Caithness and Sutherland area, and it will not do so until January 2026.

This matter should be addressed first, followed by a debate on energy.
