Ms Fiona Campbell MBE  
Chief Executive  
The Association of Scotland's Self-Caterers (ASSC)

**7 January 2026**

Dear Ms Campbell

### **2026 Non-Domestic Rates revaluation**

Thank you for your email of 9 December to the Economy and Fair Work Committee raising the Association's concerns about the non-domestic rates revaluation.

During a work programme discussion on 17 December, the Committee considered your email and the analysis provided. The Committee recognises the concern amongst your members.

As there are a limited number of weeks before this Parliament rises for the election, the Committee is not able to commit to an evidence session.

The Committee will of course continue to monitor this issue and is of the view that scrutiny of the revaluation methodology is a matter that incoming elected members may wish to consider examining, after the Scottish Parliament elections in May.

Yours sincerely,

**Daniel Johnson MSP**  
**Convener**
