Dear First Minister,

Convener's Group – 2 March

During your session with Convener's Group on [2 March](#), you agreed to write to the Committee to confirm—

- how many digital devices have been issued to school children in Scotland; and
- how many children currently have a free internet connect as a result of Scottish Government support.

You also undertook to provide more detail on the phasing of the Scottish Government's programme to deliver digital devices to every school child in Scotland.

The Committee does not have a record of receiving this correspondence.

I would therefore be grateful if you could provide this information by **Thursday 14 April**.

Yours sincerely

Stephen Kerr MSP
Convener
