Dear Cabinet Secretary,

Education Reform

As you are aware, the Education, Children and Young People Committee is carrying out ongoing scrutiny of education reform in Scotland.

The Committee recognises that there are a number of strands to the Scottish Government's current work in this area. It would therefore be helpful for the Committee to understand how you envisage these various elements will come together.

To that end, the Committee would appreciate some more information on the various timescales involved in the implementation of each aspect of education reform.

I would be grateful if you could provide a response by **Tuesday 26 April**.

Yours sincerely

Stephen Kerr MSP
Convener
