Dear Minister,

During the Committee's consideration of amendments at Stage 2 of the Children (Care and Justice) (Scotland) Bill, on [31 January 2024](#), you highlighted that the Scottish Government is hosting a roundtable event with victims' organisations and a range of partners to discuss experiences and options for reporting restrictions in relation to a deceased child.

The Committee recognised that you were limited in the information you had that day, as the roundtable is being hosted by the Cabinet Secretary for Justice and Home Affairs. The Committee therefore welcomed your offer to provide more detail in writing, including information on the timeline for how things are going to go ahead and details of those attending.

The Committee would be grateful if you could provide this information by **Thursday 15 February 2024**.

Yours sincerely

**Sue Webber MSP**  
**Convener**
