Emma Caldwell Case Inquiry	March 2024	Not started yet	NA

(Sources: [SN06410.pdf](#), [Investigation into government funded inquiries](#) and individual inquiry reports/websites.)

When put into 2024-25 prices, the total cost of the above inquiries is £240 million (thus far). To put this into context, the amount spent over the past 16 years is about the same as the [annual revenue expenditure of a smallish local authority](#), or slightly more than the Scottish Government's [city and regional growth deal capital investment in 2025-26](#).

---

<sup>1</sup> The Stockline Inquiry was a joint SG and UK Gov sponsored inquiry “the first joint inquiry to be held under the Inquiries Act 2005 (the 2005 Act) and the first to be conducted under the Inquiries (Scotland) Rules 2007”.
