Our ref: HSCS committee Report on the national Good Food Nation Plan

7 October 2025

Dear Clare,

Thank you for sharing the report on the Health, Social Care and Sport Committee's scrutiny of the proposed national Good Food Nation Plan.

The opportunity for cross cutting parliamentary wide scrutiny of the proposed Good Food Nation Plan is an important aspect of the Good Food Nation legislation and I thank you for the opportunity to provide evidence at committee. Your report alongside the report from the Local Government, Housing and Planning Committee as well as the official report shared by the Rural Affairs and Islands Committee will be carefully reviewed.

We will set out how we have had regard to representations, resolutions and reports made by parliament in our statement that will be published alongside the final plan.

MAIRI GOUGEON
