Dear Ariane,

I write to inform the committee of publication of our fifth annual Climate Change Plan Monitoring Report. I have attached a copy of the report alongside this letter, for the committee's consideration.

### **Climate Change Plan Monitoring Report**

The Climate Change (Emissions Reduction Targets) (Scotland) Act 2019, placed a framework for climate change plans on to a statutory footing, with sector by sector reports on progress and the inclusion of matters relevant to a just transition. This report outlines the Scottish Government's progress against each of the 43 policy indicators in the Climate Change Plan Update (2020).

Yours sincerely,

**GILLIAN MARTIN**
