Dear Convener,

### **Publication of the Fair Fares Review**

I note the Committee's long standing interest in the progress of the Fair Fares Review (FFR), which formed part of the Bute House Agreement. I am writing to inform you that the Review has now been published on the Transport Scotland website ([Fair Fares Review | Transport Scotland](#)).

The Review has identified a number of themes emerging in the course of identifying problems and issues and considering opportunities for change and constraints. It highlights the challenges facing public transport and presents short, medium and long-term actions to be progressed in order to make our public transport system more accessible, available and affordable. Overall, the Review establishes a framework which will be built upon as we progress with wider work to deliver on our vision for the Future of Public Transport.

Yours sincerely,

**FIONA HYSLOP**  
**Cabinet Secretary for Transport**
