Gillian Martin MSP
Acting Cabinet Secretary for Net Zero and Energy
Scottish Government

14 May 2025

Dear Gillian,

The Waste Electrical and Electronic Equipment (Amendment) Regulations 2025

At its meeting on 14 May, the Net Zero, Energy and Transport Committee considered the Scottish Government's consent notification for the following UK statutory instrument–

The Waste Electrical and Electronic Equipment (Amendment) Regulations
2025

Further to our scrutiny of this notification, the Committee agreed that it is content for the Scottish Government to give consent to UK Ministers making regulations on its behalf in relation to this SI.

Yours sincerely,

Edward Mountain MSP
Convener
