Standards, Procedures and Public Appointments Committee

Graham Simpson MSP

30 June 2026

Dear Graham,

Recall of MSPs Bill

Thank you for your letter of 18 June asking the Standards, Procedures and Public Appointments Committee to consider taking forward a committee bill on a recall process for MSPs as part of our early work programme.

The Committee noted your correspondence at our meeting on 25 June, as part of our first work programme discussion. We agreed to add consideration of issues raised by your letter to the agenda for our Business Planning Day taking place at the end of summer.

I will write back to you in early autumn, once the Committee has come to a view on your proposal.

Yours sincerely,

Jenni Minto MSP
Convener
