Alex Rowley re-elected Deputy Convener unanimously.  
Dennis Canavan re-elected Secretary unanimously.  
Joe Goldblatt re-elected Treasurer unanimously.

## Agenda item 6

As Cabinet Secretary Angus Robertson was no longer able to attend, there was a general discussion on the strategy paper.

As co-authors , DC and GM introduced the paper, followed by a discussion by those attending. Points raised included:

Need for social cohesion in view of recent activity by the far right protesting about asylum seekers.

Deplore the abuse of the Saltire by some of the above protesters.

International comparisons: Many St. Andrew's Day events in USA, although Tartan Day and Burns Day seem to attract more participants. Tartan Day Parade in New York. Parade in Alexandria(USA) around St. Andrew's Day. Similar parades could be held in Scotland on or around 30 November, especially in Edinburgh, our capital city. Compare Australia Day-national holiday, celebrations, business opportunities.

Member's Debate in Scottish Parliament around St.Andrew's Day ( 27 November ?) with Cabinet Secretary Angus Robertson being asked to respond.

All party leaders to be asked to include in Manifesto for 2026 Scottish Parliament elections a reference to the promotion of St. Andrew's Day, including wider recognition of holiday.

Important role of local government, especially civic office. Although only 3 local councils have a St. Andrew's Day holiday , there are a few others which have a schools **in-service day on or around St. Andrew's Day.**

Story-telling events

**Add Scottish Youth Parliament as a potentially interested body.**

Need to prioritise action bearing in mind limited resources.

The strategy paper was agreed in principle. DC and GM will up-date .

MT has written to Cab Sec Angus Robertson asking for alternative date to meet CPG

## Agenda item 7

Suggestions for future programme:

Parliamentary Debate on or around St. Andrew's Day.

Taking forward actions out-lined in strategy paper

## Agenda item 7

Date of next meeting: to be decided after response from Angus Robertson about available date(s)
