

Climate Change (Emissions Reduction Targets) (Scotland) Bill

Groupings of Amendments for Stage 2

This document provides procedural information which will assist in preparing for and following proceedings on the above Bill. The information provided is as follows:

- the list of groupings (that is, the order in which amendments will be debated). Any procedural points relevant to each group are noted;
- the text of amendments to be debated on the day of Stage 2 consideration, set out in the order in which they will be debated. **THIS LIST DOES NOT REPLACE THE MARSHALLED LIST, WHICH SETS OUT THE AMENDMENTS IN THE ORDER IN WHICH THEY WILL BE DISPOSED OF.**

At introduction the Presiding Officer determined that a financial resolution was not required for this Bill. Under Rule 9.12.6C, it is for the Presiding Officer to determine whether an amendment either individually or in combination with other amendments, causes (or might cause) the Bill, to which they relate, to require a financial resolution which it would not otherwise require. The Presiding Officer has determined that amendment 19, if agreed to, would change the Bill in a way that makes the costs likely to arise from the Bill exceed the “significant” threshold of £500,000 or more in any single financial year and therefore would require it to have a financial resolution. Amendment 19 may be debated, but may not be agreed to in the absence of a financial resolution.

Brian Whittle

46 In section 1, page 2, line 21, at end insert—

- <(c) scientific knowledge about climate change,
- (d) technology relevant to climate change,
- (e) economic circumstances, and in particular the likely impact of the decision to set the Scottish carbon budget on the economy and the competitiveness of particular sectors of the economy,
- (f) fiscal circumstances, and in particular the likely impact of the decision to set the Scottish carbon budget on taxation, public spending and public borrowing,
- (g) social circumstances, and in particular the likely impact of the decision to set the Scottish carbon budget on fuel poverty,

THIS IS NOT THE MARSHALLED LIST

- (h) energy policy, and in particular the likely impact of the decision to set the Scottish carbon budget on energy supplies and the carbon and energy intensity of the economy,
- (i) the estimated amount of reportable emissions from international aviation and international shipping for the budgetary period or periods in question.>

Monica Lennon

- 32 In section 1, page 2, line 28, leave out <consistent> and insert <in accordance>

Mark Ruskell

- 6 In section 1, page 2, line 30, at end insert—
- <(c) the contribution towards reducing emissions that each of the sectors mentioned in subsection (6) can be expected to make during the period covered by the Scottish carbon budget.
- (6) The sectors referred to in subsection (5)(c) are—
- (a) the energy sector,
 - (b) transport (including international aviation and shipping),
 - (c) business and industrial process,
 - (d) residential and public (in relation to buildings in those sectors),
 - (e) waste management,
 - (f) land use, land use change and forestry,
 - (g) agriculture.>

Mark Ruskell

- 7 In section 1, page 2, line 30, at end insert—
- <(6) A statement published under subsection (5) must set out, if relevant, that the proposed budget would deliver during, or by the end of, the period to be covered by the proposed budget a net Scottish emissions account of (as the case may be)—
 - (a) 70% lower than the baseline,
 - (b) 90% lower than the baseline.>

Graham Simpson

- 53 In section 1, page 2, line 30, at end insert—
- <(6) A statement under subsection (5) must also set out, in broadly indicative terms, the proposals and policies in relation to each of the sectors mentioned in section 35(3) which are likely (if the regulations are approved) to be set out in the next climate change plan due to be laid before the Scottish Parliament under section 35(1).>

Graham Simpson

- 9 In section 1, page 2, line 36, leave out from <similar> to end of line 37 and insert <budgetary periods set by the Secretary of State under section 4 of the Climate Change Act 2008.>
