(i) has refused to reach an agreement, or

(ii) having reached an agreement, has failed to fulfil it, or

30 (b) the Commissioner does not consider it appropriate to give the person that committed the breach an opportunity to remedy it, having regard to the person's previous failure (or failures) to comply with an obligation imposed by regulations under section 44A.

(3) The amount of a fine imposed under this section is to be determined by the Commissioner, but must not exceed £40,000.

44I Appeal against fine

(c) was unfair or unreasonable for any reason (for example because the amount is unreasonable).

(2) An appeal under subsection (1) must be made before the end of the period of 28 days beginning with the day on which the notice imposing the fine was received by the person making the appeal.

(4) On an appeal under subsection (1), the Tribunal may overturn, confirm or vary the fine.

(5) In the case of an appeal against a fine imposed under section 44H, having overturned the fine, the Tribunal may remit the matter to the Land and Communities Commissioner to give the person concerned an opportunity to reach an agreement with the Commissioner about what the person must do to remedy the breach in relation to which the fine was imposed.

(6) Where a matter is remitted to the Commissioner and the person concerned—

(a) refuses to reach an agreement with the Commissioner about what the person must do to remedy the breach in question, or

(b) reaches such an agreement but fails to fulfil it,

the Commissioner may exercise again the power conferred by section 44H to impose a fine on the person in respect of the breach.

44IA Enforcement notice

(1) This section applies where a fine has been imposed under section 44H and either—

(a) the period specified in section 44I(2) in respect of that fine has expired and no appeal has been made, or

(b) if an appeal against that fine has been made under section 44I, either—

(i) the appeal has been withdrawn, or

(ii) the appeal has been determined, the existence of the breach has been upheld, and the Tribunal has not remitted the matter to the Land and Communities Commissioner under section 44I(5).

(2) The Land and Communities Commissioner may investigate whether the breach in respect of which the fine was imposed has been remedied.

(3) Having determined, following an investigation under subsection (2), that the breach has not been remedied, the Land and Communities Commissioner may serve notice (“an enforcement notice”) on the person that committed the breach specifying—

(a) the obligation in relation to which the person remains in breach,

(b) the steps that must be taken to remedy the breach, and

(c) the period within which those steps must be taken which period must not be less than 28 days beginning with the day on which the enforcement notice is received, and

(d) that a further fine may be imposed on the person if the breach is not remedied within that period.

(4) Subject to section 44IB, on expiry of the period specified in the enforcement notice in accordance with subsection (3)(c), the Land and Communities Commissioner may—

(a) investigate whether the steps specified in the enforcement notice have been taken and the breach remedied,

(b) if satisfied that the breach has not been remedied, impose, by notice, a fine on the person that committed the breach.

(5) The amount of a fine imposed under this section is to be determined by the Commissioner, but must not exceed £40,000.

(6) This section (apart from subsection (1)) applies where a fine has been imposed under subsection (4)(b) as it applies where a fine has been imposed under section 44H, and either—

(a) the period specified in section 44I(2) in respect of that fine has expired and no appeal has been made, or

(b) if an appeal has been made against that fine under section 44I, either—

(i) the appeal has been withdrawn, or

(ii) the appeal has been determined and the failure to remedy the breach has been upheld.

44IB Appeal against enforcement notice

(1) A person on whom an enforcement notice is served under section 44IA may appeal to the Lands Tribunal for Scotland, on a ground specified in subsection (2), against—

(a) the decision to serve the enforcement notice,

(b) the steps specified in the enforcement notice,

(c) the time period specified in the enforcement notice.

(2) The grounds are that the matter being appealed against—

(a) was based on an error of fact,

(b) was wrong in law,

(c) was unfair or unreasonable for any reason.

(3) An appeal under subsection (1) must be made before the end of the period of 28 days beginning with the day on which the enforcement notice was received by the person making the appeal.

(4) Where an appeal under subsection (1) is made, the enforcement notice is suspended from the day on which the appeal is made until the day on which it is determined or withdrawn.

- (5) On an appeal under subsection (1), the Tribunal may overturn, confirm, or vary the enforcement notice.

- 1 This schedule makes provision for determining whether one person is connected to another for the purposes of section 44D(5)(b).”,

(b) after paragraph 1 of schedule A1, the text set out in schedule A1.

2 **Community right to buy: registration of interest in large land holding**

(1) The Land Reform (Scotland) Act 2003 is modified as follows.

(2) In section 39 (procedure for late applications), for subsection (1) substitute—

“(1) This section (other than subsections (4A) and (5)) applies in relation to an application to register a community interest in land if—

(a) it satisfies—

(i) the conditions mentioned in subsection (1A), or

(ii) the condition mentioned in subsection (1B), and

(b) it is not an application to which section 39ZA applies.”.

(3) After section 39 insert—

“39ZA Procedure for application invited under section 46G

(1) This section applies in relation to an application to register a community interest in land if it—

(a) is made by a community body that Ministers invited to make an application in accordance with section 46G,

(b) relates to the land in respect of which Ministers invited the community body to make an application,

(c) is made within the period that the invitation explained the application had to be made within for it to be considered in accordance with this section, and

(d) is the only application that the community body has made within the period in relation to the land.

(2) Where this section applies in relation to an application, the procedure for registering community interests in land set out in section 37 is, for the purposes of the application, subject to the following modifications—

(a) paragraph (b) of subsection (9) does not apply, and

(b) in subsection (17), for “63” there is substituted “30”.

(3) Where this section applies in relation to an application, Ministers may not decide that a community interest is to be entered in the register unless they are (additionally to the matters as to which they are to be satisfied under section 38) satisfied—

(a) that the level of support within the community for such registration is significantly greater than that which Ministers would, by virtue of subsection (2) of section 38, have considered sufficient for the purposes of subsection (1)(d) of that section, and

(b) that the factors bearing on whether it is or is not in the public interest that the community interest be registered are strongly indicative that it is.

(4) Where a community interest in land is registered in pursuance of an application in relation to which this section applies—

(a) the owner of the land is, for the purposes of this Part of this Act (other than section 59(4)), deemed to have, on the date on which that interest is so registered, given notice under section 48(1) that a transfer is proposed,

(b) section 49 does not apply in so far as it relates to that interest,

(c) for the purposes of sections 55(2) and (4), 56(3), 59(1), 60A(1) and 65(1)(a), the community body is deemed to have sent the confirmation which Ministers would, had section 49 applied, have required to seek under subsection (2)(a) of that section on the date on which the interest is registered.”.

(4) After section 46 insert—

“CHAPTER 2A

EXTENDED OPPORTUNITY TO REGISTER INTEREST IN RELATION TO LARGE LAND HOLDING

Record of persons who wish to be notified of possible transfers

46A Ministers to keep record of persons to notify of possible land transfers

(1) Ministers are to keep a list of the contact details of persons who wish to be notified under section 46D(2)(b) about any possible transfer of land to which section 46K applies in a particular area.

(2) A person’s details are to be added to, changed on, and removed from, the list at the person’s request.

(3) The reference in subsection (2) to a person’s details includes the specification of the area in relation to which the person wishes to be notified of possible transfers of land.

(4) Ministers must issue guidance in relation to the making of a request under subsection (2).

(5) Ministers must make publicly available the latest version of any guidance issued under subsection (4) as soon as practicable after issuing it.

Prohibitions on transfer to extend opportunity for registering interest

46B Prohibition on transfer to allow time for interest to be registered

(1) The owner of land to which section 46K applies, and any creditor in a standard security having a right to sell the land, is prohibited from—

(a) transferring the land, or

(b) taking any action with a view to a transfer of the land,

until Ministers give notice under section 46E that the prohibition under this section is lifted (but see section 46H(2)).

(2) A notice under section 46E lifts the prohibition under subsection (1) until—

(a) the land is transferred, or

- (b) if the land is not transferred within the period of 2 years beginning with the day that the notice is sent, the expiry of that period.

46C Request by owner, or creditor, to lift prohibition under section 46B

- (1) An owner of land, or a creditor in a standard security with the right to sell land, may make a request to Ministers to lift the prohibition under section 46B(1) so that the land can be transferred.
- (2) A request under subsection (1) is to be made by notice in the prescribed manner.

46D Procedure following receipt of notice under section 46C or 48

- (1) Having received notification under section 46C or 48 of an intention to transfer land to which section 46K applies, Ministers are to publicise—
 - (a) that the owner or, as the case may be, the creditor intends to transfer the land, and
 - (b) how a community body can register an interest in some or all of the land under Chapter 2.
- (2) In order to comply with their duty under subsection (1), Ministers must—
 - (a) arrange for prescribed information about the possible transfer of the land to be made publicly available on a website,
 - (b) send prescribed information about the possible transfer of the land to every—
 - (i) person whose contact details they hold on the list kept under section 46A so that the person can be notified about any possible transfer of land in an area that (wholly or partly) subsumes or is subsumed by the area of the land,
 - (ii) community council whose area includes the land,
 - (iii) local authority whose area includes the land,
 - (iv) National Park authority whose area includes the land.
- (3) In this section, “local authority” means a council constituted under section 2 of the Local Government etc. (Scotland) Act 1994.

46E Notice that prohibition under section 46B is lifted

- (1) Ministers are to give notice to a person who notified them under section 46C or 48 of an intention to transfer land that the prohibition on transferring the land under section 46B(1) is lifted once the period of 30 days beginning with the day that Ministers fulfilled their duty under section 46D to publicise the possible transfer of the land has expired.
- (2) If, when that period expires, Ministers are considering whether to impose a prohibition on the transfer of the land under section 46F(1), they are not to give notice under subsection (1) until they have decided whether they are or are not required to impose such a prohibition.

(3) If Ministers decide that they are required to impose a prohibition on the transfer of the land under section 46F they must not give notice under subsection (1) before giving notice under section 46F(2) intimating the imposition of that prohibition.

5 (4) The giving of notice under subsection (1) is not to be delayed by virtue of subsection (2) beyond the period of 60 days beginning with the day that Ministers fulfilled their duty under section 46D to publicise the possible transfer of the land.

10 (5) Any failure to comply with the time limit specified in subsection (4) does not affect the validity of anything done under this section.

46F Further prohibition on transfer to allow for invited application to register an interest

15 (1) In the circumstances mentioned in subsection (3), Ministers are to prohibit the owner of land, and any creditor in a standard security over an interest in the land, from—

- (a) transferring the land, or
 - (b) taking any action with a view to a transfer of the land,
- until the expiry of the period mentioned in subsection (2)(b).

20 (2) A prohibition on a person under subsection (1)—

- (a) is imposed when Ministers give notice intimating that it is imposed, and
- (b) expires at the end of the period of 70 days beginning with the day it is imposed.

25 (3) The circumstances referred to in subsection (1) are that—

- (a) Ministers have publicised the possible transfer of the land, or a larger area of land of which it forms part, in accordance with section 46D,
- (b) a person has submitted to Ministers a note, containing prescribed information, expressing an intention on the part of the person, or another person, to register a community interest in the land (“note of intention to register”),

30 (c) Ministers receive the note of intention to register within the period of 30 days beginning with the day that they sent information about the possible transfer in accordance with section 46D(2)(b),

(d) Ministers are satisfied that—

35 (i) before any prohibition they impose under subsection (1) in respect of the land would have expired, it is likely that an application to register a community interest in the land would be made by the person on the part of whom the note of intention to register expresses an intention to register a community interest, and

40 (ii) there is a reasonable prospect of that application resulting in a community interest in the land being registered.

- (4) For the purpose of subsection (3)—
- (a) the person on the part of whom a note of intention to register expresses an intention to register a community interest in land need not be a legal person at the time the note is submitted,
 - (b) where Ministers sent the information mentioned in subsection (3)(c) on different days, the reference to the information being sent is to its being sent on the last of those days.

46G Invitation to apply to register an interest

- (1) Where, following receipt of a note of intention to register, Ministers impose a prohibition under section 46F(1), they must also send a notice to the person who submitted the note of intention to register that—
- (a) invites the person said in the note to have an intention to register a community interest in land to make an application under section 37 in relation to the land, and
 - (b) explains that if the person makes the application before the expiry of the period of the prohibition, the application will be considered in accordance with section 39ZA.
- (2) In this section, “note of intention to register” has the meaning given by section 46F(3)(b).

46H Effect of, and exceptions to, prohibition of transfer under section 46B or 46F

- (1) A transfer of land is of no effect if it is in breach of—
- (a) section 46B(1), or
 - (b) a prohibition imposed under section 46F(1).
- (2) Section 46B(1) and a prohibition imposed under section 46F(1) do not apply in relation to—
- (a) excluded land within the meaning of section 33(1),
 - (b) a transfer to which subsection (1) of section 40 does not apply by virtue of subsection (4) of that section, or
 - (c) a transfer of a kind exempted by section 46L(1A).
- (3) Action is taken with a view to a transfer of land for the purposes of sections 46B and 46F if it would be regarded as having been taken for the purpose of section 40.

46I Lifting prohibitions in exceptional circumstances

- (1) Ministers may disapply the prohibition under section 46B(1), or a prohibition imposed under section 46F(1), in relation to any area of land if they are satisfied that—
- (a) the owner of the land (or any part of it) wants to transfer it in order to alleviate, or avoid, financial hardship, and

(b) having to wait for the prohibition to be lifted in accordance with section 46E or, as the case may be, 46F(2)(b) is likely to cause, or worsen, financial hardship for the owner.

(2) Ministers may disapply a prohibition in relation to land by virtue of subsection (1) only if a request to do so is made—

(a) by the owner of the land, and

(b) in the prescribed manner.

(3) The disapplication of a prohibition in relation to land by virtue of subsection (1)—

(a) begins when the owner of the land receives a notice from Ministers intimating that it is disappplied, and

(b) ends on a date specified in the notice.

Anti-avoidance

46ZJ Requirement for declaration of compliance with Chapter

(1) Where land to which section 46K applies is being transferred, the transferor is to incorporate in the deed giving effect to the transfer a declaration in prescribed form confirming that the transfer is not in contravention of any prohibition under this Chapter.

(2) A declaration under subsection (1) is not required if a declaration under section 46J is required in relation to the land being transferred.

46J Requirement to explain exemption to prohibition in transfer deed

Where land is being transferred and that would be in breach of a prohibition but for section 46H(2)(b), the transferor is to incorporate in the deed giving effect to the transfer a declaration—

(a) specifying which provision of subsection (4) of section 40 operates so as to make the transfer one to which subsection (1) of that section does not apply, and

(b) where the provision so specified is paragraph (a), (e) or (h) of that subsection, stating that the transfer does not form part of a scheme or arrangement, and is not one of a series, the main purpose or effect, or one of the main purposes or effects, of which is the avoidance of the requirements or consequences of this Part of this Act.

The prohibitions

67C Prohibition on transfer without lotting decision

A purported transfer of land by the owner, or a creditor in a standard security having a right to sell the land, is of no effect if—

(a) section 67G applies to the land,

(b) the purported transfer is not an exempt transfer, and

(c) no lotting decision is in effect in relation to the land.

67D Prohibition on transfer contrary to lotting decision

(1) A purported transfer of land by the owner, or a creditor in a standard security having a right to sell the land, is of no effect if—

(a) a lotting decision is in effect in relation to the land which states that the land (or any part of it) may only be transferred in lots specified in the decision,

(b) the purported transfer is not an exempt transfer, and

(c) either—

(i) the purported transfer is of an area that does not correspond to a lot specified in the lotting decision, or

(ii) the purported transfer would result in the same person or connected persons owning more than one of the lots specified in the lotting decision.

(2) But subsection (1) does not prevent the transfer of a part of a lot specified in a lotting decision if Ministers give their approval to the transfer.

Anti-avoidance

67ZE Requirement for declaration of compliance with Part

- 5
- (1) Where land to which section 67G applies is being transferred, the transferor is to incorporate in the deed giving effect to the transfer a declaration in prescribed form confirming that the transfer is not in contravention of any prohibition under this Part.
 - (2) A declaration under subsection (1) is not required if a declaration under section 67E is required in relation to the land being transferred.

67E Requirement to explain exemption to prohibitions in transfer deed

- 10
- (1) A deed giving effect to a transfer of land is to include a declaration in accordance with this section where the transfer would be of no effect by virtue of section 67C or 67D but for its being an exempt transfer.

Key concepts

67F Lotting decision

- 25
- (1) In this Part—
 - 25 (a) a reference to a lotting decision is to a decision by Ministers under section 67M, 67N or 67R about whether land is to be transferred in lots,
 - 30 (b) a reference to the land to which a lotting decision relates refers not only to the whole area of land that the decision states need not be lotted or, as the case may be, may only be transferred in lots, but also to any part of that area.
 - (2) A lotting decision stating that land need not be lotted comes into effect on the day after the day it is made.
 - (3) A lotting decision stating that land may only be transferred in lots comes into effect—
 - 35 (a) where no appeal against it is made under section 67U, on the day after the expiry of the period specified in section 67U(3),
 - (b) where an appeal against it is made under section 67U, on the day the appeal is finally determined or withdrawn.

- (4) A lotting decision ceases to have effect in relation to an area of land when any of the following occurs—

 - 20 (d) the total area of the following exceeds 1,000 hectares—
 - (i) the area of the land in question, and
 - (ii) the area of the other part, or parts, of the large holding in respect of which notice of intention to transfer has been given, disregarding any area in respect of which missives have concluded since notice of intention to transfer the area (or an area of which it forms part) was given.
- (4) In this section—
 - “land” includes—
 - 30 (a) the foreshore, that is to say, the land between the high and low water marks of ordinary spring tides, and

 - (b) two or more single holdings form a composite holding if the conditions in subsection (3) are met.
- (3) The conditions referred to in subsection (2)(b) are that—
- (a) each of the single holdings in question is contiguous with at least one of the others, and
 - (b) the owner of one single holding (“holding A”)—
 - (i) is an owner, or connected to the owner of another single holding (“holding B”) with which holding A is contiguous, and
 - (ii) where there are more than two single holdings, is also the owner of, or connected to the owner of, every other single holding.
- (4) For the purposes of subsection (2)(a), an area of land is to be treated as being contiguous with another if any part of the area is within 250 metres of any part of the other.

A transfer of a kind mentioned in section 40(4) is an exempt transfer for the purposes of sections 67C and 67D.

CHAPTER 2

PROCESS FOR MAKING LOTTING DECISION

67K Ministers' duty to make lotting decision

5 (1) Ministers are to make a lotting decision in respect of land under section 67M or 67N where—

- (a) they receive a valid application asking them to make one,
- (b) a lotting decision in respect of the land is quashed following an appeal under section 67U.

10 (2) For the purposes of this section, an application is valid if—

- 15 (a) it is made by—
 - (i) the owner of the land in respect of which the application asks for a lotting decision,
 - (ii) the owner of part of that land where it forms part of a composite holding for the purposes of section 67H, or
 - 20 (iii) a creditor in a standard security having a right to sell the land in respect of which the application asks for a lotting decision,
- (b) it is made in the prescribed manner, and
- (c) it does not ask for a lotting decision to be made in respect of land that is (in whole or in part) land in respect of which—
 - 25 (i) a lotting decision is in effect, or
 - (ii) another application asking for a lotting decision is being considered.

67L Request for Ministers not to make lotting decision

25 (1) Ministers' duty to make a lotting decision in respect of land under section 67K ceases to apply if they receive a valid request asking them not to make a lotting decision in respect of the land.

(2) If, when Ministers cease to be required to make a lotting decision in respect of land by virtue of subsection (1), they had requested but not yet received a report in relation to the land under section 67O, they are to instruct the Commissioner to stop preparing it.

30 (3) For the purposes of this section, a request asking Ministers not to make a lotting decision is valid if—

- 35 (a) it is made by—
 - (i) the owner of the land in respect of which the application asks for a lotting decision,
 - (ii) the owner of part of that land where it forms part of a composite holding for the purposes of section 67H, or
 - (iii) a creditor in a standard security having a right to sell the land in respect of which the application asks for a lotting decision, and
- (b) it is made in the prescribed manner.

67M Expedited lotting decision where owner facing hardship

- (1) Ministers may make a lotting decision under this section stating that land need not be transferred in lots if they are satisfied that—
- 5 (a) the owner of the land (or any part of it) wants to transfer it in order to alleviate, or avoid, financial hardship, and
- (b) having to wait for a lotting decision under section 67N is likely to cause, or worsen, financial hardship for the owner.
- (2) A lotting decision may be made under this section only if a valid request to consider doing so has been made to Ministers.
- 10 (3) If, when Ministers make a lotting decision in respect of land under this section, they had requested but not yet received a report in relation to the land under section 67O, they are to instruct the Commissioner to stop preparing it.
- (4) For the purposes of this section, a request to consider making a lotting decision under this section is valid if—
- 15 (a) it is made by the owner, and
- (b) it is made in the prescribed manner.

67N Ministerial lotting decision

- (A1) Ministers may make a lotting decision under this section stating that land may only be transferred in lots only if they consider that it is in the public interest to do so.
- 20 (1) A lotting decision will not be in the public interest for the purpose of subsection (A1) unless Ministers are satisfied that ownership of the land being transferred in accordance with the decision would be more likely to lead to its being used (in whole or in part) in ways that might make a community in the vicinity of the land more sustainable than would be the case if all of the land were transferred to the same person.
- 25 (2) A lotting decision under this section stating that land may only be transferred in lots must—
- (a) specify those lots,
- 30 (b) provide a statement of reasons as to why Ministers consider the decision is in the public interest.
- (3) If Ministers decide not to make a lotting decision stating that land may only be transferred in lots, they must make a lotting decision under this section stating that the land need not be transferred in lots.
- 35 (4) Ministers may not make any lotting decision in respect of land under this section without requesting, and taking into account, a report under section 67O in relation to the land.
- (5) In considering for the purposes of this section the effect that a decision stating that land may only be transferred in lots might have on a community in the vicinity of the land, Ministers must have particular regard to the extent to which ownership of land in the community's vicinity is concentrated.
- 40

- (6) Ministers must make a lotting decision under this section before the expiry of the period of 6 months beginning with the day on which a valid application under section 67K is received.

CHAPTER 3

REVIEW OF LOTTING DECISION

67P Ministers’ duty to review lotting decision

- (1) Ministers are to review a lotting decision that is in effect in relation to land where they receive a valid application asking them to do so.
- (2) Following a review, Ministers—
- (a) must, before the expiry of the period of 3 months beginning with the day the application asking for the review was received, either—
 - (i) confirm the lotting decision, or
 - (ii) withdraw the lotting decision and make a new one under section 67R, and
 - (b) may offer to buy, in accordance with section 67S and any regulations made under it, one or more of the lots specified in the lotting decision.
- (2A) Any failure to comply with the time limit specified in subsection (2)(a) does not affect the validity of anything done by Ministers under this section or section 67R.
- (3) For the purposes of this section, an application is valid if—
- (a) it is made by the owner of, or a creditor in a standard security having a right to sell, land to which the lotting decision relates,
 - (b) it is made in the prescribed manner, and
 - (c) it is made—
 - (i) in the case of the first application to ask for a review of the lotting decision, more than one year after the decision was made, or

- (ii) in any other case, more than one year after Ministers received the last application to review the lotting decision.

67Q Request for Ministers to stop review

- 5 (1) Ministers' duty to review a lotting decision in respect of land under section 67P ceases to apply if they receive a valid request asking them to stop the review.
- (2) For the purposes of this section, a request asking Ministers to stop reviewing a lotting decision is valid if—
- 10 (a) it is made by the owner of, or a creditor in a standard security having a right to sell, the land to which the lotting decision relates, and
- (b) it is made in the prescribed manner.

67R Replacement lotting decision following review

- 15 (1) A new lotting decision under this section is to relate to the land to which the original lotting decision relates at the time the new decision is made.
- (2) The original lotting decision is to be treated as withdrawn on the day that the new decision comes into effect.
- (3) In subsections (1) and (2), “the original lotting decision” means the decision that is the subject of the review following which the decision under this section is made.
- 20 (4) A lotting decision under this section may state either that land—
- (a) may only be transferred in lots, or
- (b) need not be transferred in lots.
- (5) Subsections (A1), (1), (2) and (5) of section 67N apply to the making of a lotting decision under this section as they do to the making of a lotting decision under that section.
- 25 (7) Before making a lotting decision under this section, Ministers are to consider whether it would be appropriate to seek advice from a person who appears to them to be suitably qualified, independent and to have knowledge and experience of the transfer of land of a kind which is similar to the land to which the lotting decision would relate.
- 30

67S Offer to buy following review

- 35 (1) Ministers may offer to buy land under section 67P(2)(b) following a review of a lotting decision only if they are satisfied that it is likely that the fact that the land has not been transferred since the lotting decision was made is attributable to the land being less commercially attractive than it would have been had the lotting decision not prevented its being transferred along with other land.

- (2) If Ministers offer to buy land under section 67P(2)(b) it may only be at the price determined to be appropriate—
- (a) by the appointed valuer, or
 - (b) by the Lands Tribunal on an appeal against the appointed valuer's determination of the appropriate price by a person to whom Ministers made an offer at that price.
- (3) An appeal under subsection (2)(b) may not be made after the expiry of the period of 21 days beginning with the day after the day on which Ministers made the offer to buy at the price determined by the appointed valuer.
- (4) If, in an appeal under subsection (2)(b), the Tribunal determines a higher appropriate price than the appointed valuer did, Ministers must make another offer to buy at the price determined by the Tribunal.
- (5) In this section, “the appointed valuer” means a person appointed by Ministers who appears to them to be suitably qualified, independent and to have knowledge and experience of valuing land of a kind that is similar to the land in respect of which the offer would be made.
- (6) Ministers may by regulations make further provision about buying land under section 67P(2)(b), including about how land is to be valued for the purpose of subsection (2).
- (7) Ministers must, before laying a draft of any regulations under this section, consult such persons as they consider appropriate.

67T Specific request that Ministers consider making offer to buy

- (1) During a review of a lotting decision, a request to Ministers to consider offering to buy land to which the lotting decision relates may be made in a prescribed manner by the owner of the land or a creditor in a standard security with a right to sell the land.
- (2) Having received such a request in relation to land, Ministers must—
- (a) decide whether they are satisfied about the matter mentioned in section 67S(1) in relation to the land, and
 - (b) if they decide that they are not, give reasons for that decision in writing to the person who made the request.
- (3) A person to whom Ministers give reasons for a decision in accordance with subsection (2) may appeal to the Lands Tribunal against the decision.
- (4) An appeal under subsection (3) may not be made after the expiry of the period of 21 days beginning with the day after the day on which the person making it is given the Ministers' reasons for the decision in question.
- (5) If, in an appeal under subsection (3), the Tribunal determines that Ministers are entitled to be satisfied about the matter mentioned in section 67S(1) in relation to an area of land, Ministers are deemed to be satisfied about the matter and (on that basis) must consider making an offer to buy the land under section 67P(2)(b).

CHAPTER 4

(b) is based on an error of law, or
(c) is unreasonable.
- (3) An appeal under this section may not be made after the expiry of the period of 28 days beginning with the day after the day on which the lotting decision was made.
- 15 (4) In an appeal under this section, the Court may—

(c) attributable to a lotting decision stating that the land may only be transferred in lots.

- (b) an application is made, in those proceedings, for the Land Court to fix the rent payable by the landholder in respect of the holding.
- (2) The Land Court may make an order fixing the rent payable by the small landholder in respect of the holding.
- 35 (3) Sub-paragraphs (5) to (8) of paragraph 3 apply to an order under sub-paragraph (2) as they apply to an order under paragraph 3(1).

Land Court's powers in respect of rent arrears

- 5 (1) The Land Court may, on the application of a small landholder to whom an application under paragraph 3(1) or 4(1)(b) (a “rent review application”) relates, make an order
sisting any proceedings for the removal of the landholder for non-payment of rent until
5 the rent review application is determined.
- (2) An order under sub-paragraph (1) may specify conditions (about the payment of rent or otherwise) to which the order is subject.
- (3) Where an application is made under sub-paragraph (1), the Land Court must, in
determining the rent review application, also consider whether to make an order (either
10 or both)—
- (a) imposing a payment plan in respect of the relevant rent arrears,
(b) reducing the relevant rent arrears.
- (4) In considering whether to make an order by virtue of sub-paragraph (3), the Land Court
must have regard to—
- 15 (a) the anticipated level of the relevant rent arrears,
(b) the circumstances which have led to rent arrears accruing.
- (5) Where the landholder has paid some or all of the rent arrears accruing in respect of the
small landholding, the Land Court may—
- 20 (a) make an order by virtue of sub-paragraph (3)(b) as if part or all of that payment
had not been made,
(b) order the landlord to reimburse the landholder to the extent that the relevant rent
arrears are reduced below the amount paid by the landholder.
- (6) In this paragraph, “relevant rent arrears” means rent arrears due by the landholder to
the landlord in respect of the holding as of the date on which the rent review application
25 is determined.

PART 1A

USE OF SMALL LANDHOLDING

Conditions of let

- 5A(1) A small landholder must comply with the conditions of let in sub-paragraph (2).
- 30 (2) The conditions are that the small landholder—
- (a) must pay the rent due in respect of the landholder’s small landholding when it
falls due,
(b) must not use the holding other than for—
- 35 (i) cultivation,
(ii) a subsidiary or auxiliary purpose that is reasonable and not inconsistent with
the cultivation of the holding,
(iii) a permitted diverse purpose,

- (c) must, subject to any permitted diverse purpose, competently cultivate the holding, having regard to the rules of good husbandry,
- (d) must, in respect of any permitted diverse purpose, comply with any conditions imposed by the landlord or the Land Court under Part 2 in respect of that purpose,
- 5 (e) must permit the landlord and persons authorised by the landlord to exercise the rights of access over the holding conferred by paragraph 5C,
- (f) must not erect or permit the erection of a dwelling-house on the holding otherwise than in accordance with paragraph 5B,
- 10 (g) must not breach a term of an agreement entered into in respect of the holding, being a term which is for the benefit of the landlord or neighbouring small landholders which the Land Court considers reasonable in its terms,
- (h) must not sub-let the holding without the consent of the landlord,
- (i) must not assign the landholder's interest in the holding otherwise than in accordance with paragraphs 19 and 20, and

(3) For the purpose of sub-paragraph (2), a “permitted diverse purpose” means a diverse purpose, within the meaning of Part 2, which is the subject of—

- 20 (a) a diversification agreement under paragraph 6(2), or
- (b) an authorised diversification proposal within the meaning of paragraph 16(3).

(4) The Land Court may on the application of the landlord or the landholder determine whether a subsidiary or auxiliary purpose is reasonable and not inconsistent with the cultivation of the holding.

Dwelling-houses

25 5B(1) A small landholder may not erect a dwelling-house on the landholder's small landholding (whether or not as a replacement for another dwelling-house on the holding) without the prior written consent of the landlord unless sub-paragraph (2) or (3) applies.

(2) This sub-paragraph applies if—

- 30 (a) the landholder is a landholder mentioned in sub-paragraph (4), and
- (b) no dwelling-house has ever been erected on the holding.

(3) This sub-paragraph applies if —

- (a) the landholder is not a landholder mentioned in sub-paragraph (4), and
- (b) the dwelling-house is erected to replace a dwelling-house which was on the holding when the Landholders Acts first applied to the holding.

35 (4) A landholder referred to in sub-paragraph (2)(a) and (3)(a) is a landholder who, immediately before paragraph A1 comes into force, is a new landholder for the purposes of section 2(1) of the Small Landholders (Scotland) Act 1911, or the successor of such a new landholder.

Landlord's right of access

5C(1) The landlord of a small landholding or a person authorised by the landlord may, subject to the conditions in sub-paragraph (2), enter the holding for the purpose of—

(a) cutting or taking—

5 (i) timber, other than timber and other trees planted by the small landholder or any predecessor in the tenancy, or which may be necessary for ornament or shelter,

(ii) peats, other than peats which may be required for the use of the holding,

10 (b) accessing the shore of the sea or any loch with or without vehicles for the purpose of exercising any right of property or other right belonging to the landlord,

15 (f) opening or making any other road, fences, drains and water courses,

(g) mining, quarrying, taking, digging or searching for stone, marble, gravel, sand, clay, slate or any other mineral.

(2) The conditions referred to are—

20 (a) the landlord must give the landholder reasonable notice in writing before exercising the right of access in sub-paragraph (1),

(b) the right of access in sub-paragraph (1) must be exercised in such a way as to minimise damage to the holding insofar as is reasonably practicable.

(3) Notice given under sub-paragraph (2)(a) must specify the purpose for which access is to be taken.

25 (4) The landlord must pay reasonable compensation to the landholder for any damage caused to the holding, including in particular loss of or damage to crops or livestock, as a result of taking access for any of the purposes referred to sub-paragraph (1).

(5) The Land Court may, on the application of the landholder or the landlord, determine any dispute arising under this paragraph.

30 (6) For the purpose of sub-paragraph (1)(e), “game” means deer, hares, rabbits, pheasants, partridges, quails, grouse, woodcocks, snipes, widgeons and teals.

Landlord's right to use water rising on holding

5D(1) The landlord of a small landholding may, for any estate purpose, use any spring of water rising on the holding which is not required by the small landholder in connection with the use of the holding.

35 (2) The landlord must pay reasonable compensation to the landholder for any surface damage caused to the holding as a result of using a spring of water.

- (3) The Land Court may, on the application of the landholder or the landlord, determine—
- (a) whether a water spring is required by the landholder in terms of sub-paragraph (1),
 - (b) whether and, if so how much, compensation is payable under sub-paragraph (2) for damage caused to the holding.
- (4) Nothing in this paragraph is to be construed as affecting the rights of any person other than the landlord and the landholder in relation to any spring of water on the holding.

Compensation for damage caused by game or game management

- 5E (1) This paragraph applies where neither the small landholder of a small landholding nor any other person with a right in the holding deriving from the landholder has—
- (a) the right to kill and take game, or
 - (b) written permission from the landlord to do so.
- (2) The landholder is entitled to be compensated by the landlord where game or game management have caused the landholder to sustain (whether directly or indirectly)—
- (a) damage to crops grown, or seeds sown, for the purposes of cultivation, a subsidiary or auxiliary purpose or a permitted diverse purpose (within the meaning of paragraph 5A(3)),
 - (b) damage to trees grown for the purposes of cultivation, a subsidiary or auxiliary purpose or a permitted diverse purpose (within the meaning of paragraph 5A(3)),
 - (c) damage to fixed equipment,
 - (d) damage to livestock,
 - (e) damage to habitats.
- (3) Compensation is not recoverable under sub-paragraph (2) unless—
- (a) notice in writing is given to the landlord in such form and manner as the Scottish Ministers may prescribe by regulations as soon as reasonably practicable after the damage or injury was first observed by the landholder,
 - (b) a reasonable opportunity is given to the landlord to inspect the damage—
 - (i) in the case of damage to a growing crop, before work to reap, raise or consume the crop has begun,
 - (ii) in the case of damage to a crop reaped or raised, before work to remove the crop from the land has begun,
 - (iii) in the case of damage to a growing tree, before the tree is cropped or cut for timber,
 - (iv) in the case of damage to a tree cropped or cut, before work to remove the timber or tree from the land has begun,
 - (v) in the case of damage to fixed equipment, before any repairs to the equipment are carried out (unless the landholder has reasonable cause to believe that delaying repairs is likely to cause further damage or injury),

- (vi) in the case of damage to livestock, before any action in relation to the livestock is carried out (unless sub-paragraph (4) applies),
- (vii) in the case of damage to habitats, before any action is taken to repair the damage to the habitat, and
- 5 (c) notice in writing of the claim is given to the landlord in such form and manner as the Scottish Ministers may prescribe by regulations within 6 months of the giving of notice under paragraph (a).
- (4) This sub-paragraph applies if, in relation to the livestock—
- 10 (a) the landholder has reasonable cause to believe that delaying action (including, for example, the destruction of the livestock in an appropriate and humane manner) is likely to cause—
- (i) the affected livestock further suffering or injury,
- (ii) the further spread of disease, or
- 15 (b) any action is required by virtue of any statutory obligation (including, for example, the seizure or destruction of the livestock).
- (5) Where the right to kill and take the game is vested in some person other than the landlord, the landlord is entitled to be indemnified by that other person against all claims for compensation under this paragraph.
- (6) It is for the Land Court to determine any question which arises as to—
- 20 (a) a small landholder’s entitlement to compensation under sub-paragraph (2),
- (b) the amount of compensation payable under that provision, or
- (c) the landlord’s entitlement to be indemnified under sub-paragraph (5).
- (7) In this paragraph—
- 25 “damage” in relation to livestock, includes suffering, injury or disease,
- “game” means deer, pheasants, partridge and grouse,
- “game management” includes the killing and taking of game and any steps taken or not taken by a person in connection with the exercise of a right to kill and take game,
- “tree” includes—
- 30 (a) fruit trees,
- (b) trees forming part of a shelterbelt,
- (c) trees grown for silvopasture or silvoarable systems.

PART 2

DIVERSIFICATION

35 *Diversification agreement*

- 6 (1) The small landholder and the landlord of a small landholding may enter into a diversification agreement.

(2) A diversification agreement is an agreement that the land comprising the holding, or any part of it, may be used for a purpose other than cultivation (in this Part, a “diverse purpose”).

(3) A diversification agreement must—

5 (a) be in writing, and

(b) specify—

(i) the diverse purpose for which the land may be used,

(ii) the land that may be used for that purpose, by reference to a map,

(iii) any changes that may be made to the land for that purpose,

10 (iv) any conditions relating to the use of the land or any changes to be made to the land for that purpose, and

(v) the date on which the landholder may commence using the land for that purpose.

Notice of diversification

15 7 (1) A small landholder may give a notice (in this Part, a “notice of diversification”) to the landlord of the landholder’s small landholding where—

(a) the landholder intends to use the land comprising the holding, or any part of it, for a diverse purpose, and

20 (b) the use of that land for that purpose is not the subject of a diversification agreement.

(2) The notice must specify—

(a) what the diverse purpose is,

(b) the land that would be used for that purpose, by reference to a map,

25 (c) any changes to the land which the landholder proposes to effect for that purpose, and

(d) the date on which the landholder proposes to commence using the land for that purpose.

(3) The notice must also—

30 (a) specify any environmental benefit that is intended to be provided in using the land for the purpose specified in the notice in accordance with sub-paragraph (2)(a),

(b) specify—

(i) how any such environmental benefit is to be provided,

(ii) how any proposed changes to the land are to be financed and managed,

35 (iii) how any business that is intended to be furthered by the use of the land for that purpose is (so far as relating to the land) to be financed and managed, and

(c) address such matters as may constitute any ground of objection mentioned in paragraph 9(3)(a)(i) to (iii).

- (4) The notice must—
- (a) be given in writing at least 70 days prior to the date specified in the notice under sub-paragraph (2)(d),
 - (b) be in such form as the Scottish Ministers may by regulations prescribe.
- 5 (5) The Scottish Ministers may by regulations modify this paragraph so as to add or remove information to be included in a notice of diversification.
- (6) In this Part, “diversification proposal” means—
- 10 (a) the proposed use of land specified in a notice of diversification in accordance with sub-paragraph (2)(b) for the purpose specified in the notice in accordance with sub-paragraph (2)(a), and
 - (b) any proposed changes to the land specified in the notice in accordance with sub-paragraph (2)(c).

Request by landlord for information about proposed diversification

- 15 8 (1) A landlord may, on one occasion within the period of 30 days beginning with the day on which a notice of diversification is given to the landlord by a small landholder, request the landholder to provide the landlord with relevant information.
- (2) Information is relevant if it—
- (a) relates to—
 - 20 (i) the diversification proposal set out in the notice,
 - (ii) where the intended use of the land in accordance with the proposal is in furtherance of a business, the finance or management of the business, and
 - (b) is necessary for the landlord’s consideration of whether or not there are grounds under paragraph 9(3)(a)(i) to (iii) or (b) for objection to the proposal.
- 25 (3) The landholder is to provide any information reasonably requested under sub-paragraph (1) within the period of 30 days beginning with the day on which it is requested.

Landlord’s agreement or objection to notice of diversification

- 30 9 (1) A landlord who is given a notice of diversification by a small landholder must notify the landholder in writing within the period mentioned in sub-paragraph (2) of whether the landlord—
- (a) agrees to the diversification proposal set out in the notice, or
 - (b) objects to the proposal.
- (2) The period is—
- 35 (a) where the landlord has made a request for information under paragraph 8(1), the period of 60 days beginning with the day on which the request is made,
 - (b) where the landlord has made no such request, the period of 60 days beginning with the day on which the notice of diversification is given.

- (3) The landlord may object to the proposal only if—
- (a) the landlord reasonably considers that implementation of the proposal would—
 - (i) lessen significantly the amenity of the land or the surrounding area,
 - (ii) substantially prejudice the use of the whole of the land comprising the small landholding for cultivation in the future,
 - (iii) be substantially detrimental to the sound management of the estate of which the land consists or forms part, or
 - (iv) cause the landlord to suffer undue hardship,
 - (b) where the notice specifies a matter mentioned in paragraph 7(3)(b)(ii) or (iii), the landlord reasonably considers that it fails to demonstrate that the proposed changes are, or, as the case may be, the business (so far as relating to the land) is, viable, or
 - (c) the landholder has failed to comply with paragraph 8(3).
- (4) Where the landlord agrees to the proposal, the landlord may impose on the landholder any reasonable conditions in relation to the implementation of the proposal.
- (5) Notification under sub-paragraph (1) must—
- (a) where the landlord objects to the proposal, set out the grounds for the objection,
 - (b) where the landlord imposes conditions under sub-paragraph (4), set out the conditions and the reasons for imposing them, and
 - (c) explain why the landlord considers the grounds or (as the case may be) conditions are reasonable.
- (6) The landlord is to be treated as having agreed to the proposal (without imposing any conditions on the landholder) if the landlord does not notify the landholder in accordance with sub-paragraph (1).
- (7) Where the landlord agrees to the proposal, the proposal may be implemented, subject to any conditions imposed under sub-paragraph (4), from either—
- (a) the later of—
 - (i) the date specified in the notice under paragraph 7(2)(d), and
 - (ii) where the landlord has made a request for information under paragraph 8(1), the date falling 70 days from the making of the request, or
 - (b) such earlier date as the landlord and the landholder may agree to.
- (8) The Scottish Ministers may by regulations—
- (a) modify sub-paragraph (3) so as to add or remove a ground for objection to a proposal,
 - (b) make provision about—
 - (i) information to be included in a notice given under sub-paragraph (1)(b) in relation to each ground of objection,
 - (ii) the manner in which that information is to be provided.

Negotiation of diversification agreement

- 10 (1) This paragraph applies where a landlord notifies a small landholder under paragraph 9(1)(b) that the landlord objects to a diversification proposal in a notice of diversification.
- 5 (2) The landholder may, within the period of 30 days beginning with the day on which notification of the objection is given, notify the landlord in writing that the landholder wishes to negotiate a diversification agreement with the landlord.
- (3) Where, following notification being given under sub-paragraph (2), the landholder and the landlord enter into a diversification agreement, the notice of diversification is to be treated as if it had not been given if—
- 10 (a) the agreement is entered into within the period of 90 days beginning with the day on which notification of the objection was given under paragraph 9(1), and
- (b) when the agreement is entered into, the landlord has not made an application to the Land Court under paragraph 13(2) in relation to the objection (but see paragraph 14).
- 15 (4) Sub-paragraph (5) applies where the landholder notifies the landlord under sub-paragraph (2) that the landholder wishes to negotiate with the landlord.
- (5) The period within which the landlord may—
- (a) withdraw the objection to the diversification proposal in the notice of diversification under paragraph 11(1), or
- 20 (b) make an application to the Land Court under paragraph 13(2) in relation to the objection,
- is, instead of the period mentioned in paragraph 11(1) or (as the case may be) 13(3), the period of 90 days beginning with the day on which the objection is notified under paragraph 9(1)(b).

Withdrawal of objection

- 25 11 (1) A landlord may withdraw an objection to a diversification proposal notified to a small landholder under paragraph 9(1)(b) within the period of 60 days beginning with the day on which it is notified.
- (2) Where the landlord withdraws the objection, the landlord—
- 30 (a) must notify the landholder in writing of the withdrawal, and that the landlord now agrees to the proposal, and
- (b) may impose on the landholder any reasonable conditions in relation to the implementation of the proposal.
- (3) Where the landlord imposes conditions under sub-paragraph (2)(b), the landlord must, at the same time as notifying the landholder of the withdrawal of the objection, notify the landholder in writing of—
- 35 (a) the conditions and the reasons for imposing them, and
- (b) why the landlord considers the conditions are reasonable.

- (4) Where the objection is withdrawn under sub-paragraph (1)—
- (a) the proposal may be implemented, subject to any conditions imposed under sub-paragraph (2)(b), from the later of—
 - (i) the date specified in the notice of diversification under paragraph 7(2)(d), and
 - (ii) the date on which the landlord notifies the landholder of the withdrawal under sub-paragraph (2)(a), and
 - (b) the landlord may not make an application to the Land Court under paragraph 13(2) in relation to the proposal.

5

10

Withdrawal or modification of conditions

- 12 (1) This paragraph applies where a landlord imposes conditions on a small landholder in relation to the implementation of a diversification proposal under paragraph 9(4) or 11(2)(b).
- (2) The landlord may, within the period of 60 days beginning with the day on which the conditions are notified to the landholder—
- (a) withdraw the conditions, or
 - (b) modify the conditions.
- (3) The landlord must notify the landholder in writing that the conditions are withdrawn or (as the case may be) modified.
- 20 (4) Where the landlord modifies the conditions under sub-paragraph (2)(b), the landlord must notify the landholder in writing of—
- (a) the modifications to the conditions and the reasons for making them, and
 - (b) why the landlord considers the conditions, as modified, are reasonable.

15

20

Determination of Land Court in relation to objection to diversification

- 25 13 (1) This paragraph applies where a landlord notifies a small landholder under paragraph 9(1)(b) that the landlord objects to a diversification proposal.
- (2) The landlord may, within the period mentioned in sub-paragraph (3), apply to the Land Court for a determination that the objection is reasonable.
- (3) That period is the period of 60 days beginning with the day on which the objection is notified under paragraph 9(1)(b).
- 30 (4) The Land Court may determine that the objection is—
- (a) reasonable, or
 - (b) unreasonable.
- (5) Where the Land Court determines that the objection is reasonable, the landholder may not implement the proposal.
- 35

- (6) Where the Land Court determines that the objection is unreasonable, the Court—
- (a) must—
 - (i) approve the proposal, and
 - (ii) determine the date from which the proposal may be implemented, and
 - (b) may impose on the landholder such reasonable conditions in relation to the implementation of the proposal as it considers appropriate.
- (7) In deciding whether or not it is reasonable for the landlord to object to a notice of diversification, the Land Court is to—
- (a) consider if the intended use of the land for the diverse purpose is likely to have a positive effect on the environment, and
 - (b) if the Land Court considers such positive effects are likely, whether those positive effects outweigh any negative effects (including, in particular, any negative effects mentioned in paragraph 9(3)(a)(i) to (iii)).
- (8) Where the landlord does not make an application under sub-paragraph (2) (and does not withdraw the objection under paragraph 11(1))—
- (a) the proposal is to be treated as having been agreed to by the landlord on the expiry of the period mentioned in sub-paragraph (3) (as read with paragraph 10(5)), and
 - (b) the proposal may be implemented from the later of—
 - (i) the date specified in the notice of diversification under paragraph 7(2)(d), and
 - (ii) the date on which the proposal is treated as having been agreed to.
- (9) Where the landlord withdraws or abandons an application under sub-paragraph (2)—
- (a) the proposal is to be treated as having been agreed to by the landlord on the day on which the application is withdrawn or treated as having been abandoned, and
 - (b) the proposal may be implemented from the later of—
 - (i) the date specified in the notice of diversification under paragraph 7(2)(d), and
 - (ii) the date on which the proposal is treated as having been agreed to.
- (10) An application purportedly made under sub-paragraph (2) after the end of the period mentioned in sub-paragraph (3) (as read with paragraph 10(5)) is to be treated as not having been made (and the Land Court may not make a determination under this paragraph in respect of it).

Diversification agreement entered into during proceedings under paragraph 13

- 14 (1) This paragraph applies where the landlord and the small landholder of a small landholding enter into a diversification agreement—
- (a) after the landlord makes an application to the Land Court under paragraph 13(1), but
 - (b) before the Land Court makes a determination in relation to that application under paragraph 13(4).

- (2) The Land Court may, on the application of the landlord or the landholder, instead of determining the application under paragraph 13(4), determine that the diversification proposal to which the application relates—
- (a) is not approved by the Court, and
 - (b) accordingly, is not to be implemented.
- (3) But nothing in sub-paragraph (2) prevents a landholder using land in accordance with the diversification agreement.

Application by landholder to Land Court to remove conditions

- (1) Where a landlord imposes a condition on a small landholder under paragraph 9(4) or 11(2)(b), the landholder may, before the end of the period mentioned in sub-paragraph (2), apply to the Land Court for a determination that the condition is unreasonable.
- (2) That period is 60 days beginning with the day on which notification of the conditions is given under paragraph 9(5)(b) or (as the case may be) 11(3).
- (3) Where a landlord modifies a condition under paragraph 12(2), the landholder may, before the end of the period mentioned in sub-paragraph (4), apply to the Land Court for a determination that the condition as modified is unreasonable.
- (4) That period is 60 days beginning with the day on which notification of the modification is given under paragraph 12(3).
- (5) In deciding whether or not a condition is unreasonable, the Land Court is to—
- (a) consider if the intended use of the land for the diverse purpose is likely to have a positive effect on the environment, and
 - (b) if the Land Court considers such positive effects are likely, whether those positive effects outweigh any negative effects (including, in particular, any negative effects mentioned in paragraph 9(3)(a)(i) to (iii)) to which the condition relates.
- (6) Where, on an application under sub-paragraph (1) or (3), the Land Court determines that the condition is unreasonable, the Court may—
- (a) remove the condition, and
 - (b) in its place, impose on the landholder such reasonable conditions as it considers appropriate.

Use of land other than for cultivation

- (1) A small landholding does not cease to be a small landholding by reason only that the land comprising the holding, or part of it, is used for a diverse purpose if the use of the land for that purpose is in accordance with a diversification agreement or an authorised diversification proposal.
- (2) Any term of the lease of the holding which prohibits the use of the land comprising the holding, or part of it, for a diverse purpose is of no effect in relation to the use of the land in accordance with a diversification agreement or an authorised diversification proposal.

- (3) In this paragraph, “authorised diversification proposal” means a diversification proposal which is—
- (a) agreed to by a landlord under this Part, or
 - (b) approved by the Land Court under paragraph 13(6)(a)(i).

5 *Interpretation of Part*

17 In this Part—

- “diverse purpose” has the meaning given by paragraph 6(1),
- “diversification agreement” means an agreement under paragraph 6(2),
- “diversification proposal” has the meaning given by paragraph 7(6),
- 10 “notice of diversification” has the meaning given by paragraph 7(1).

PART 3

DISPOSAL OF HOLDING BY SMALL LANDHOLDER

CHAPTER 1

RENUNCIATION

15 *Renunciation of tenancy by small landholder*

- 18 (1) A small landholder may, on giving 1 year’s written notice to the landlord, renounce the landholder’s tenancy with effect as from any term of Whitsunday or Martinmas.
- (2) But where sub-paragraph (3) applies, unless the landlord agrees otherwise, the tenancy may be renounced only with effect as from the same term of Whitsunday or Martinmas from which it took effect.
- 20 (3) This sub-paragraph applies where, immediately before the coming into force of paragraph A1, the tenancy is held by a new landholder, or the successor of a new landholder, for the purposes of section 2(1) of the Small Landholders (Scotland) Act 1911.

CHAPTER 2

ASSIGNATION

25

Ability to assign

- 19 (1) A small landholder may assign the landholder’s interest in a small landholding to any one of the persons mentioned in sub-paragraph (2) if, following notice under sub-paragraph (4), the landlord of the holding consents to the proposed assignment.
- 30 (2) The persons referred to in sub-paragraph (1) are—
- (a) any person who would be, or would in any circumstances have been, entitled to succeed to the landholder’s estate on intestacy by virtue of the Succession (Scotland) Act 1964,

- (b) a spouse or civil partner of—
 - (i) a landholder’s descendant,
 - (ii) a landholder’s sibling,
- (c) in relation to a landholder’s spouse or civil partner—
 - (i) that person’s sibling,
 - (ii) a spouse or civil partner of such a sibling,
 - (iii) a descendant of such a sibling.
- (3) For the purpose of sub-paragraph (2)—
 - (a) a reference to a spouse or civil partner of a person (“person A”) includes, where person A has died, a reference to a person who was the spouse or civil partner of person A immediately prior to person A’s death,
 - (b) two people are siblings if they have at least one parent in common,
 - (c) a step-child or, as the case may be, step-sibling of a person is to be treated as being the same as a child or, as the case may be, sibling of a person (and sub-paragraph (2)(a) is to be read as if the rules of intestacy applied accordingly).
- (4) A landholder who intends to assign the interest in a holding by virtue of this paragraph must—
 - (a) give the landlord of the holding notice in writing (referred to in this schedule as a “notice of proposed assignment”) at least 70 days prior to the date on which the assignment takes effect, and
 - (b) specify in the notice—
 - (i) the particulars of the proposed assignee (including the proposed assignee’s relationship to the landholder),
 - (ii) the terms upon which the assignment is to be granted, and
 - (iii) the date on which the assignment is to take effect.
- (5) A landlord who is given a notice of proposed assignment is deemed to consent to the proposed assignment unless, within the period of 28 days beginning with the date on which the notice is given, the landlord gives the landholder a notice in writing—
 - (a) indicating that consent to the proposed assignment is withheld, and
 - (b) setting out the landlord’s grounds for withholding consent (see paragraph 20).
- (6) Any term of a lease or of an agreement between a landlord and a small landholder which purports to provide that the landholder’s interest in the holding may not be assigned in accordance with this paragraph, or in accordance with an order of the Land Court under paragraph 20(6), is, in so far as it so purports, null and void.

Landlord's objection to assignment

20 (1) Where an assignment is proposed in accordance with paragraph 19 and the proposed assignee is a near relative of the small landholder, the only grounds on which the landlord of the small landholding may withhold consent are that—

- 5 (a) the person is not of good character,
(b) the person does not have sufficient resources to be able to cultivate the holding with reasonable efficiency, or
(c) the person has neither sufficient training nor sufficient experience to be able to cultivate the holding with reasonable efficiency.

10 (2) But the ground of objection in sub-paragraph (1)(c) does not apply where the person—

- (a) is engaged in or will begin, before the end of the period of 6 months beginning with the date on which the notice of proposed assignment is given, a course of relevant training in cultivation of land which the person is expected to complete satisfactorily within 4 years from that date, and
15 (b) has made arrangements to secure that the holding is cultivated with reasonable efficiency until the person completes that course.

(3) Where an assignment is proposed in accordance with paragraph 19(1) and the proposed assignee is not a near relative of the landholder, the landlord of the holding may withhold consent if there are reasonable grounds for doing so.

20 (4) In particular, the landlord has reasonable grounds for withholding consent where the proposed assignee—

- (a) would not have the ability to pay—
(i) the rent due in respect of the holding, or
(ii) for adequate cultivation of the holding, or
25 (b) does not have the skills or experience that would be required properly to cultivate the holding.

(5) If a landlord gives a notice under paragraph 19(5) withholding consent to a proposed assignment, the landholder may, within the period of 28 days beginning with the date on which that notice is given, apply to the Land Court for an order authorising the proposed assignment.
30

(6) If, on the hearing of such an application, the Land Court is satisfied that none of the grounds for withholding consent set out in the notice under paragraph 19(5) are reasonable, it must make an order authorising the proposed assignment.

(7) In any other case, the Land Court must dismiss the application.

35 (8) A decision of the Land Court under this paragraph is final.

(9) For the purposes of this paragraph and paragraphs 23 and 24, a near relative, in relation to a small landholder, means—

- (a) a landholder's parent,
(b) in relation to a landholder's child—
40 (i) that child,

- (ii) that child's spouse or civil partner,
- (iii) a descendant of that child,
- (c) in relation to a landholder's sibling—
 - (i) that sibling,
 - (ii) that sibling's spouse or civil partner,
 - (iii) a descendant of that sibling,
- (d) in relation to a landholder's spouse or civil partner—
 - (i) that spouse or civil partner,
 - (ii) that spouse or civil partner's sibling,
 - (iii) a spouse or civil partner of such a sibling,
 - (iv) a descendant of such a sibling.

(10) For the purpose of sub-paragraph (9)—

- (a) a reference to a spouse or civil partner of a person ("person A") includes, where person A has died, a reference to a person who was the spouse or civil partner of person A immediately prior to person A's death,
- (b) a step-child of a person is to be treated as being the same as a child of a person.

CHAPTER 3

SUCCESSION

Bequest of holding

- 21 (1) A small landholder may, by will or other testamentary writing, bequeath the landholder's interest in a small landholding to any one of the persons mentioned in sub-paragraph (2).
- (2) The persons referred to in sub-paragraph (1) are—
- (a) any person who would be, or would in any circumstances have been, entitled to succeed to the landholder's estate on intestacy by virtue of the Succession (Scotland) Act 1964,
 - (b) a spouse or civil partner of—
 - (i) a landholder's descendant,
 - (ii) a landholder's sibling,
 - (c) in relation to a landholder's spouse or civil partner—
 - (i) that person's sibling,
 - (ii) a spouse or civil partner of such a sibling,
 - (iii) a descendant of such a sibling.

- (3) For the purpose of sub-paragraph (2)—
- (a) a reference to a spouse or civil partner of a person (“person A”) includes, where person A has died, a reference to a person who was the spouse or civil partner of person A immediately prior to person A’s death,
 - 5 (b) two people are siblings if they have at least one parent in common,
 - (c) a step-child or, as the case may be, step-sibling is to be treated as being the same as a child or, as the case may be, sibling (and sub-paragraph (2)(a) is to be read as if the rules of intestacy applied accordingly).
- (4) Sub-paragraph (5) applies where a person to whom a small landholder’s interest in a holding is bequeathed (referred to in this schedule as the “legatee”) accepts the bequest.
- 10 (5) The legatee must give the landlord of the holding written notice of the bequest and the legatee’s acceptance of it—
- (a) before the end of the period of 21 days beginning with the date of death of the landlord, or
 - 15 (b) where the legatee is unavoidably unable to give notice within the period specified in paragraph (a), as soon as practicable thereafter.
- (6) A notice under sub-paragraph (5) must specify the legatee’s relationship to the deceased landlord.
- 20 (7) Unless a counter-notice is given by the landlord in accordance with paragraph 23(2) or 24(2), the giving of a notice under sub-paragraph (5) has the effect of making the deceased landholder’s lease of the holding binding on the landlord and the legatee, as landlord and small landholder respectively, from the date of the deceased’s death.

Intestate succession to holding

- 22 (1) A small landholder’s interest in a small landholding is, on the landholder’s death, to be treated as intestate estate of the deceased in accordance with Part 1 of the Succession (Scotland) Act 1964 where—
- 25 (a) it is not the subject of a valid bequest by the deceased, or
 - (b) it is the subject of such a bequest, but the bequest—
- 30 (i) is not accepted by the legatee,
 - (ii) is the subject of a counter-notice under paragraph 24(2) declaring it to be null and void, and either no appeal is made to the Land Court within the period permitted for doing so or any such appeal is withdrawn, or
 - (iii) is declared, or confirmed, to be null and void by the Land Court under paragraph 23(6)(a) or 24(5).
- 35 (2) A person to whom a landholder’s interest in a small landholding is transferred under section 16 of the Succession (Scotland) Act 1964 (referred to in this schedule as “the acquirer”) must give written notice of the acquisition to the landlord of the holding—
- (a) before the end of the period of 21 days beginning with the date of acquisition of the interest in the holding, or

(b) where the acquirer is unavoidably unable to give notice within the period specified in paragraph (a), as soon as practicable thereafter.

(3) A notice under sub-paragraph (2) must specify the acquirer's relationship to the deceased landholder.

5 (4) Unless a counter-notice is given by the landlord in accordance with paragraph 23(2) or 24(2), the giving of a notice under sub-paragraph (2) has the effect of making the deceased landholder's lease of the holding binding on the landlord and the acquirer, as landlord and small landholder respectively, from the date on which the deceased landholder's interest in the small landholding was transferred under section 16 of the
10 Succession (Scotland) Act 1964.

Landlord's objection to successor: near relatives

23 (1) This paragraph applies where a landlord is given a notice under paragraph 21(5) or 22(2) by a legatee or (as the case may be) acquirer who is a near relative of the deceased.

15 (2) The landlord may, within the period of 28 days beginning with the day on which the notice is given, give the person a counter-notice—

(a) indicating that the landlord objects to the person's succession to the small landholding, and

(b) setting out the landlord's grounds for objecting.

20 (3) The only grounds on which the landlord may object to the person's succession to the holding are that—

(a) the person is not of good character,

(b) the person does not have sufficient resources to be able to cultivate the holding with reasonable efficiency,

25 (c) the person has neither sufficient training nor sufficient experience to be able to cultivate the holding with reasonable efficiency.

(4) But the ground of objection in sub-paragraph (3)(c) does not apply where the person—

30 (a) is engaged in or will begin, before the end of the period of 6 months beginning with the date on which the notice under paragraph 21(5) or 22(2) is given, a course of relevant training in cultivation of land which the person is expected to complete satisfactorily within 4 years from that date, and

(b) has made arrangements to secure that the holding is cultivated with reasonable efficiency until the person completes that course.

35 (5) If the landlord gives a counter-notice under sub-paragraph (2), the landlord may, within the period of 28 days beginning with the day on which the counter-notice is given, apply to the Land Court for an order—

(a) in the case of a legatee, declaring the bequest to be null and void,

(b) in the case of an acquirer, terminating the lease.

- (6) If, on the hearing of such an application, a ground of objection set out in the counter-notice is established to the satisfaction of the Land Court, it must make an order—
- (a) in the case of a legatee, declaring the bequest to be null and void,
 - 5 (b) in the case of an acquirer, terminating the lease with effect as from such term of Whitsunday or Martinmas as the court specifies.
- (7) In any other case, the Land Court must make an order declaring the deceased small landholder's lease of the holding to be binding on the landlord and the legatee or (as the case may be) acquirer, as landlord and small landholder respectively—
- 10 (a) in the case of the legatee, from the date of the deceased landholder's death,
 - (b) in the case of the acquirer, from the date on which the deceased landholder's interest in the small landholding was transferred under section 16 of the Succession (Scotland) Act 1964.
- (8) A decision of the Land Court under this paragraph is final.
- 15 (9) Where the landlord does not apply to the Land Court under sub-paragraph (5), the deceased landholder's lease of the holding is to be binding on the landlord and the legatee or (as the case may be) acquirer, as landlord and small landholder respectively—
- (a) in the case of the legatee, from the date of the deceased landholder's death,
 - 20 (b) in the case of the acquirer, from the date on which the deceased landholder's interest in the small landholding was transferred under section 16 of the Succession (Scotland) Act 1964.

Landlord's objection to successor: other persons

- 24 (1) This paragraph applies where a landlord is given a notice under paragraph 21(5) or
 25 22(2) by a legatee or (as the case may be) acquirer who is not a near relative of the deceased.
- (2) The landlord may, within the period of 28 days beginning with the day on which the notice is given, give the person a counter-notice—
- (a) indicating that the landlord objects to the person's succession to the small landholding,
 - 30 (b) setting out the landlord's grounds for objecting, and
 - (c) either—
 - (i) in the case of a legatee, declaring the bequest to be null and void, or
 - (ii) in the case of an acquirer, terminating the lease with effect as from such term of Whitsunday or Martinmas as the landlord specifies, being a term at
 35 least 1 year but no more than 2 years from the date of the counter-notice.
- (3) If the landlord gives a counter-notice under sub-paragraph (2), the person to whom it is given may, within the period of 28 days beginning with the day on which the counter-notice is given, appeal to the Land Court.
- (4) If, on the hearing of such an appeal, any reasonable ground stated by the person—
- 40 (a) in the case of a legatee, for not declaring the bequest to be null and void, or

(b) in the case of an acquirer, for not terminating the lease,
is established to the satisfaction of the Land Court, it must make an order quashing the counter-notice.

(5) In any other case, the Land Court must make an order confirming the counter-notice.

(6) Where the Land Court quashes a counter-notice under sub-paragraph (4), the deceased small landholder's lease of the holding is, accordingly, to be binding on the landlord and the legatee or (as the case may be) acquirer, as landlord and small landholder respectively—

(a) in the case of the legatee, from the date of the deceased landholder's death,

(b) in the case of the acquirer, from the date on which the deceased landholder's interest in the small landholding was transferred under section 16 of the Succession (Scotland) Act 1964.

(7) A decision of the Land Court under this paragraph is final.

Landlord's objection to successor: right to temporary occupation

(1) From the date of the deceased small landholder's death until the conclusion of any proceedings under paragraph 23 or 24, the legatee or (as the case may be) acquirer is entitled to possession of the small landholding in question.

(2) But sub-paragraph (1) does not apply—

(a) where the executor in whom the landholder's interest in the lease is vested under section 14 of the Succession (Scotland) Act 1964 objects, or

(b) where, on the application of the landlord, the Land Court directs otherwise on cause shown.

(3) A decision of the Land Court under this paragraph is final.

PART 3A

REMOVAL OF SMALL LANDHOLDER

Security of tenure

25A A small landholder may be removed from a small landholding only in accordance with an order made by the Land Court under paragraph 25B (removal for breach of conditions) or under paragraph 25C (resumption).

Removal of small landholder for breach of conditions

25B(1) The Land Court may, on the application of the landlord of a small landholding, make an order for the removal of the small landholder from the holding, if satisfied that one or more of the grounds for removal in sub-paragraph (2) is met.

(2) The grounds for removal are that the landholder has—

(a) failed to pay at least one year's rent due in respect of the small landholding when it fell due,

- (b) used the holding other than for—
- (i) cultivation,
 - (ii) a subsidiary or auxiliary purpose that is reasonable and not inconsistent with the cultivation of the holding, or
 - 5 (iii) a permitted diverse purpose (within the meaning of paragraph 5A(3)),
- (c) failed, subject to any permitted diverse purpose (within the meaning of paragraph 5A(3)), to competently cultivate the holding resulting in the dilapidation of any buildings on the holding or deterioration of the soil,
- 10 (d) failed, in respect of any permitted diverse purpose (within the meaning of paragraph 5A(3)), to comply with a condition imposed by the landlord or the Land Court under Part 2 in respect of that purpose,
- (e) failed to permit the landlord or a person authorised by the landlord to exercise rights of access in pursuance of paragraph 5C,
- 15 (f) erected or permitted the erection of a dwelling-house on the holding otherwise than in accordance with paragraph 5B,
- (g) breached a term of an agreement entered into in respect of the small landholding, being a term which is for the benefit of the landlord or neighbouring small landholders which the Land Court considers reasonable in its terms,
- (h) sub-let the holding without the consent of the landlord,
- 20 (i) entered into an arrangement purporting to assign the landholder’s interest in the small landholding otherwise than in accordance with paragraphs 19 and 20, or
- (j) become apparently insolvent within the meaning of section 16 of the Bankruptcy (Scotland) Act 2016.
- 25 (3) Before making an order under sub-paragraph (1) the court must have regard to any representations from the small landholder.

Resumption by landlord

- 25C(1) The landlord of a small landholding may apply to the Land Court to resume all or part of the holding for a reasonable purpose related to the good of the holding or the landlord’s estate.
- 30 (2) For the purpose of sub-paragraph (1), “reasonable purpose” includes—
- (a) using or letting the land proposed to be resumed for—
 - (i) the building of dwellings,
 - (ii) allotments,
 - (iii) harbours, piers, boat shelters or other like buildings,
 - 35 (iv) places of religious worship,
 - (v) schools,
 - (vi) halls or community centres,
 - (vii) planting,

- (viii) roads practicable for vehicular traffic from the holding to the public road or to the seashore,
- (b) the protection of an ancient monument or other object of historical or archaeological interest from injury or destruction.
- 5 (3) A landlord cannot resume a small landholding for the purpose of personally residing on it.
- (4) Where the Land Court is satisfied that the landlord has a reasonable purpose for the resumption, the court may make an order—
- 10 (a) requiring the landholder to vacate the land which is to be resumed once the landlord has compensated the landholder in such manner as is specified in the order,
- (b) making such other provision in relation to the resumption as the Land Court considers appropriate.
- (5) For the purpose of sub-paragraph (2)(a), “public road” is to be construed in accordance with section 151 of the Roads (Scotland) Act 1984.

15

PART 4

COMPENSATION

CHAPTER 1

RIGHT TO COMPENSATION

Small landholder’s right to compensation

- 20 26 (1) Paragraphs 27 and 28 apply where—
- (a) a small landholder is removed from a small landholding,
- (b) a small landholder renounces the tenancy of a small landholding (see paragraph 18),
- 25 (c) a small landholder enters into a new tenancy, to which this schedule does not apply, of the land comprising the landholder’s small landholding, or
- (d) in the case of a tenancy of a small landholding which forms part of the estate of a deceased small landholder, one of the conditions mentioned in sub-paragraph (2) is met.
- (2) The conditions referred to in sub-paragraph (1)(d) are that—
- 30 (a) the tenancy is terminated by virtue of subsection (3) of section 16 of the Succession (Scotland) Act 1964,
- (b) following transfer to an acquirer under that section, the tenancy is terminated by the Land Court under paragraph 23(5), or
- 35 (c) following such transfer, the tenancy is the subject of a counter-notice under paragraph 24(2) declaring it to be terminated and either—
- (i) no appeal is made to the Land Court within the period permitted for doing so, or any appeal made is withdrawn, or
- (ii) the Land Court confirms the counter notice under paragraph 24(5).

- (3) Where paragraphs 27 and 28 apply by reason of sub-paragraph (1)(d)—
- (a) any compensation that arises under those paragraphs is due to—
 - (i) where the condition in sub-paragraph (2)(a) is met, the estate of the deceased landholder,
 - (ii) where the condition in sub-paragraph (2)(b) or (c) is met, the acquirer to whom the tenancy was transferred, and
 - (b) Chapter 3 applies to the executor or (as the case may be) the acquirer in respect of that compensation as if the person were a small landholder.
- (4) For the purposes of sub-paragraph (1)(a) and (b), a landholder is not to be treated as having been removed from a small landholding or as having renounced a tenancy of it if the landholder continues in occupation of it under a new tenancy to which this schedule applies.

Small landholder's right to compensation: improvements

- 27 (1) The small landholder is entitled to compensation from the landlord of the small landholding where—
- (a) a permanent improvement has been made to the holding,
 - (b) the improvement is suitable to the holding,
 - (c) the improvement was made or paid for by the landholder or the landholder's predecessors under the same tenancy, and
 - (d) either—
 - (i) the improvement was not made in order to comply with a specific written agreement, or
 - (ii) it was made for such a reason but fair consideration (by way of reduction of rent or otherwise) was not received for the improvement.
- (2) The amount of compensation payable under sub-paragraph (1) is an amount equal to the value of the permanent improvement to an incoming tenant of the holding after deduction of the value of any consideration or assistance (financial or otherwise) given in respect of the improvement by the landlord, or the landlord's predecessors in title, to the landholder or the landholder's predecessors under the same tenancy.
- (3) In this Part—
- “permanent improvement” means—
- (a) an improvement relating to—
 - (i) a dwelling-house,
 - (ii) work carried out in implementation of an HRA action plan included in an HRA designation order made under section 1 of the Housing (Scotland) Act 2006 (Housing renewal areas: criteria),
 - (iii) farm offices,
 - (iv) subsoil or other drains,
 - (v) walls or fences,

- (vi) deep trenching,
- (vii) clearing the ground,
- (viii) planting trees,
- (ix) making piers or landing stages,
- 5 (x) roads suitable for pedestrian and vehicular traffic from the holding to a public road (as defined in section 151 of the Roads (Scotland) Act 1984) or the sea shore,

(b) any other improvement which the Land Court considers adds to the value of a holding to an incoming tenant,

10 “predecessor under the same tenancy” does not include a sub-tenant.

Small landholder’s right to compensation: increase in value due to diversification

28 (1) The small landholder is entitled to compensation from the landlord of the small landholding where—

- 15 (a) during the tenancy, the use of any part of the holding, or a change to any part of it, for a purpose other than cultivation has increased the value of the holding from what it would otherwise have been,
- (b) the use or change occurred wholly on or after the coming into force of this paragraph, and
- (c) the use or change was authorised in accordance with Part 2.

20 (2) The amount of compensation payable under sub-paragraph (1) is an amount equal to the value of the use or change in question to an incoming tenant of the holding after deduction of—

- 25 (a) any benefit which the landlord or the landlord’s predecessor in title has given, or has agreed in writing to give, the landholder or the landholder’s predecessors under the same tenancy in consideration of the use or change in question, and
- (b) any grant which has been or will be made to the landholder, or the landholder’s predecessors under the same tenancy, in respect of the use or change in question.

30 (3) But where an incoming tenant’s ability to use the whole of the land comprised in the holding for the purposes of cultivation is substantially prejudiced as a result of the use or change in question, no compensation is payable under sub-paragraph (1) unless the use or change has an environmental benefit.

Landlord’s right to compensation

29 (1) Paragraphs 30 and 31 apply where—

- 35 (a) a small landholder is removed from a small landholding,
- (b) a small landholder renounces the tenancy of a small landholding (see paragraph 18),
- (c) a small landholder enters into a new tenancy, to which this schedule does not apply, of the land comprising the landholder’s small landholding,

-
- (d) a small landholder abandons the tenancy of a small landholding, or
- (e) in the case of a tenancy of a small landholding which forms part of the estate of a deceased small landholder, one of the conditions mentioned in sub-paragraph (2) is met.
- 5 (2) The conditions referred to in sub-paragraph (1)(e) are that—
- (a) the tenancy is terminated by virtue of subsection (3) of section 16 of the Succession (Scotland) Act 1964,
- (b) following transfer to an acquirer under that section, the tenancy is terminated by the Land Court under paragraph 23(5), or
- 10 (c) following such transfer, the tenancy is the subject of a counter-notice under paragraph 24(2) declaring it to be terminated, and either—
- (i) no appeal is made to the Land Court within the period permitted for doing so, or any appeal made is withdrawn, or
- (ii) the Land Court confirms the counter notice under paragraph 24(5).
- 15 (3) Where paragraphs 30 and 31 apply by reason of sub-paragraph (1)(e)—
- (a) any compensation that arises under those paragraphs is due by—
- (i) where the condition in sub-paragraph (2)(a) is met, the estate of the deceased landholder,
- (ii) where the condition in sub-paragraph (2)(b) or (c) is met, the acquirer to whom the tenancy was transferred, and
- 20 (b) Chapter 3 applies to the executor or (as the case may be) the acquirer in respect of that compensation as if the person were a small landholder.
- (4) For the purposes of sub-paragraph (1)(a) and (b), a landholder is not to be treated as having been removed from a small landholding or as having renounced a tenancy of it if the landholder continues in occupation of it under a new tenancy to which this schedule applies.
- 25 (5) Where a landholder abandons a tenancy of a small landholding, the tenancy is to be treated for the purposes of this Part as having been terminated.

Landlord's right to compensation: deterioration etc. of holding.

- 30 (1) The landlord of the small landholding is entitled to compensation from the small landholder where—
- (a) there is dilapidation, deterioration or damage to any part of the holding, or to anything in or on the holding, and
- 35 (b) the dilapidation, deterioration or damage is the result of the landholder, or the landholder's predecessor under the same tenancy, failing to fulfil that person's responsibility to cultivate the holding or to use it in accordance with a use or change authorised in accordance with Part 2.

- (2) The amount of compensation payable under sub-paragraph (1) is whichever is the greater of—
- (a) an amount equal to the amount (if any) by which the value of the holding is reduced from what it would have been without the dilapidation, deterioration or damage in question,
 - (b) the cost, as at the relevant date, of making good the dilapidation, deterioration or damage in question.
- (3) For the purpose of sub-paragraph (2), the relevant date is—
- (a) where the right to compensation arises due to renunciation or removal, whichever is the later of—
 - (i) the date of the landholder's quitting the holding,
 - (ii) the date of termination of the tenancy,
 - (b) in any other case, the date of termination of the tenancy.

Landlord's right to compensation: decrease in value due to diversification

- 31 (1) The landlord of the small landholding is entitled to compensation from the small landholder where—
- (a) during the tenancy, the use of any part of the holding, or a change to any part of it, for a purpose other than cultivation has reduced the value of the holding from what it would otherwise have been, and
 - (b) that use or change occurred wholly on or after the coming into force of this paragraph.
- (2) Sub-paragraph (1) applies regardless of whether or not the use or change in question was authorised in accordance with Part 2.
- (3) The amount of compensation payable under sub-paragraph (1) is an amount equal to the amount by which the value of the holding is reduced from what it would have been without the use or change in question.

Recovery of compensation: further provision

- 32 (1) Compensation is recoverable by a landlord under paragraph 30 or 31 only where—
- (a) at least 3 months prior to the termination of the tenancy, the landlord gives notice in writing to the small landholder of the landlord's intention to claim compensation,
 - (b) the landholder abandons the small landholding, or
 - (c) the Land Court agrees that the requirement for notice should be dispensed with in all the circumstances of the case.
- (2) Where a small landholder has remained in occupation of a small landholding during more than one tenancy, neither the landholder nor the landlord is deprived of a right to compensation under this Chapter by reason only that the thing which would give rise to the right to compensation occurred during a previous tenancy of the landholder's.

CHAPTER 2

COMPENSATION: ANCILLARY PROVISION

Outstanding rent

33 Where compensation is due to a small landholder by a landlord under Chapter 1, any
 5 sum of rent due or to become due by the landholder in respect of the small landholding
 may be offset against that compensation.

Compensation to outgoing landholder by incoming landholder

34 (1) This paragraph applies where an incoming tenant of a small landholding (the “incoming
 10 landholder”) agrees with the outgoing small landholder of the holding (the “outgoing
 landholder”) and the landlord of the holding to take on the outgoing landholder’s rights
 and liabilities in respect of any rights to compensation which would otherwise arise
 under this Part.

(2) The incoming landholder is to be treated for the purposes of calculation of compensation
 under this Part as—

15 (a) having been in occupation of the holding as the landholder during the outgoing
 landholder’s tenancy, and

(b) having made or paid for any permanent improvements which were made or paid
 for by the outgoing landholder or the outgoing landholder’s predecessors under
 the same tenancy,

20 and, accordingly, the outgoing landholder has no right to, nor liability for, compensation
 under this Part.

Record of condition

35 (1) A landlord or a small landholder of a small landholding may, at any time during the
 25 tenancy of the holding, require a record of condition of the holding, or part of the
 holding, to be made.

(2) A record of condition is a record specifying some or all of the following—

(a) the condition of—

(i) the cultivation of the holding or (as the case may be) part of the holding,

(ii) anything in or on the holding,

30 (b) who has made or paid for any permanent improvements.

(3) A record of condition is to be made by a person appointed—

(a) by agreement by the landlord and the landholder, or

(b) by the Scottish Ministers on the application of either the landlord or the landholder.

35 (4) The cost of making a record of condition is payable jointly by the landlord and the
 landholder.

- (5) Where a person is appointed by the Scottish Ministers to make a record of condition—
- (a) the Scottish Ministers may charge such reasonable fee as they determine for making the appointment,
 - (b) the remuneration payable to the person making the record is such amount as the Scottish Ministers determine,
 - (c) any other expenses of, or incidental to, the making of the record are subject to taxation by the auditor of the sheriff court or, on review, by the sheriff,
 - (d) the landlord and the landholder are jointly and severally liable for the cost of making the record.
- (6) The Land Court is, on an application being made to it by either party, to determine any dispute between the landlord and the landholder relating to the making of a record of condition.

CHAPTER 3

PROCESS FOR DETERMINATION OF COMPENSATION AMOUNT

Application to Tenant Farming Commissioner

- 36 (1) A landlord or small landholder may apply to the Tenant Farming Commissioner for an assessment of the amount of compensation due to or by a person under this Part in respect of a small landholding.
- (2) Any application under sub-paragraph (1) must be made no later than the end of the period of 3 months beginning with the date of termination of the tenancy of the holding.
- (3) The Scottish Ministers may by regulations prescribe the form and content of an application under sub-paragraph (1).

Appointment of valuer by Tenant Farming Commissioner

- 37 (1) This paragraph applies where the Tenant Farming Commissioner is given an application under paragraph 36.
- (2) The Commissioner must appoint a person (referred to in this Part as the “valuer”) to carry out the assessment mentioned in paragraph 40(1).
- (3) A person may be appointed as the valuer only where the person appears to the Commissioner—
- (a) to be independent of the landlord and the small landholder, and
 - (b) to possess qualifications, knowledge and experience suitable for assessing the compensation that may be payable to landlords and landholders of small landholdings.
- (4) The valuer must be appointed before the end of the period of 28 days beginning with the date on which the application is given.
- (5) The Commissioner must give notice in writing to the landlord and the landholder of the name and address of the valuer appointed under sub-paragraph (2).

Chapter 3—Process for determination of compensation amount

- (6) The Scottish Ministers may by regulations modify the period specified in sub-paragraph (4).

Objection to valuer appointed by Tenant Farming Commissioner

- 5 38 (1) The small landholder or, as the case may be, the landlord may apply to the Land Court to appoint a person as the valuer in place of the valuer appointed under paragraph 37(2) on the grounds that the valuer so appointed (either or both)—
- (a) is not independent of the landlord or (as the case may be) the landholder,
- (b) does not possess the qualifications, knowledge and experience mentioned in paragraph 37(3)(b).
- 10 (2) An application under sub-paragraph (1)—
- (a) must—
- (i) be made before the end of the period of 14 days beginning with the date on which notice of the appointment was given to the landlord or, as the case may be, landholder under paragraph 37(5), and
- (ii) state the ground of objection to the valuer appointed by the Commissioner, and
- (b) may propose a person to be appointed as the valuer in place of the valuer appointed by the Commissioner.
- (3) The Land Court may, on an application under sub-paragraph (1)—
- 20 (a) refuse the application, or
- (b) allow the application and appoint another person as the valuer (whether a person proposed in the application or not).
- (4) The decision of the Land Court on an application under sub-paragraph (1) is final.

Valuer's expenses

- 25 39 (1) Where a valuer is appointed under paragraph 37(2) or 38(3)(b), the person responsible for meeting the expenses incurred in carrying out the valuer's functions under this Part is—
- (a) where the compensation award is in a person's favour, the person by whom the compensation is payable,
- 30 (b) where there is no compensation award, the person who made the application under paragraph 36(1).
- (2) Where, in the case of a valuer appointed under paragraph 37(2), those expenses have been met by the Commissioner, the Commissioner is entitled to recover them from the person by whom they are payable under sub-paragraph (1).
- 35 (3) For the purpose of sub-paragraph (1), a compensation award is in a person's favour where, ignoring the effect of paragraph 33, the compensation payable to the person under this Part exceeds the compensation payable by the person under it.

Assessment of compensation

- 40 (1) The valuer is to assess the amount of compensation to which the landlord or (as the case may be) small landholder is entitled under Chapter 1.
- (2) The valuer is, prior to carrying out the assessment under sub-paragraph (1), to—
- 5 (a) invite the landlord and the landholder to make written representations about the assessment, and
- (b) have regard to any such representations.
- (3) For the purposes of any assessment under sub-paragraph (1), the valuer may—
- 10 (a) enter onto land, and
- (b) require the landlord and landholder to comply with any reasonable request made by the valuer.
- (4) The Scottish Ministers may by regulations modify this paragraph so as to specify the basis on which the valuer is to assess the compensation payable and the consideration to be given to certain matters by the valuer in doing so.
- 15 (5) Before laying a draft of a Scottish statutory instrument containing regulations under sub-paragraph (4) before the Scottish Parliament, the Scottish Ministers must consult such persons as they consider appropriate.

Notice of assessment

- 41 (1) The valuer must—
- 20 (a) give a notice in writing (referred to in this Part as a “notice of assessment”) to—
- (i) the small landholder, and
- (ii) the landlord, and
- (b) at the same time, give a copy of the notice to the Tenant Farming Commissioner.
- (2) The notice of assessment must be given before the end of the period of 8 weeks beginning with—
- 25 (a) the day after the day on which the period for applying under paragraph 38(1) to appoint a different person as the valuer ends without such an application being made, or
- (b) where such an application is made—
- 30 (i) the date of the Land Court’s decision on it, or
- (ii) the date on which the application is withdrawn.
- (3) A notice of assessment must—
- (a) specify the amount, assessed under paragraph 40, of compensation—
- 35 (i) to which the landholder is entitled under paragraphs 27 and 28,
- (ii) to which the landlord is entitled under paragraphs 30 and 31,
- (b) specify the date of valuation of each of the amounts mentioned in paragraph (a),
- (c) set out how the valuer arrived at each of those amounts,

(d) be dated.

- (4) The notice may also contain or be accompanied by any other information that the valuer considers appropriate.

Appeal against valuer's assessment

- 5 42 (1) The small landholder or the landlord may appeal to the Lands Tribunal against a notice of assessment.
- (2) An appeal under this paragraph must—
- 10 (a) state the grounds on which it is being made, and
- (b) be lodged before the end of the period of 21 days beginning with the date on which the notice of assessment is given.
- (3) The Lands Tribunal may reassess the amount of compensation assessed under paragraph 40 (and any factor affecting the amount).
- (4) The valuer whose assessment is appealed against may be a witness in the appeal proceedings.
- 15 (5) In the appeal proceedings, in addition to the landlord and the landholder, the following persons are entitled to be heard—
- (a) where the landlord is a creditor in a standard security, the owner of the small landholding,
- 20 (b) where the landlord is the owner of the small landholding, any creditor in a standard security over the holding or any part of it.
- (6) The Lands Tribunal is to give written reasons for its decision on an appeal under this paragraph.
- (7) The decision of the Lands Tribunal in an appeal under this paragraph is final.

Referral of certain matters by Lands Tribunal to Land Court

- 25 43 (1) This paragraph applies where, in an appeal before the Lands Tribunal under paragraph 42, an issue of law arises which may competently be determined by the Land Court by virtue of section 1(6) of the Scottish Land Court Act 1993 or this Act.
- (2) The Tribunal is to refer the issue to the Land Court for determination unless the Tribunal considers that it is not appropriate to do so.

PART 5

RIGHT TO BUY

Register of Community Interests in Land: small landholders' interests in buying land

44 (1) In this Part—

“Keeper” means the person who keeps the Register of Community Interests in Land under section 36 of the Land Reform (Scotland) Act 2003,

“Register” means that Register.

- (2) The Keeper is to keep the Register so that there is contained in it a part for registering small landholders' interests in buying land in accordance with paragraph 45.
- (3) There is to be included in that part of the Register—
- (a) a record of any notice or notification given to the Keeper under this Part, and
 - (b) where the registration of a landholder's interest in buying land is removed under paragraph 47(4), an entry specifying the date on which that is effected.

Registration of small landholder's interest in buying land

45 (1) A small landholder may apply to have registered an interest in buying the land comprising the landholder's small landholding by giving a notice (a "notice of interest") to the Keeper.

- (2) The notice of interest must—
- (a) be in such form as the Scottish Ministers may prescribe by regulations, and
 - (b) specify—
 - (i) the particulars of the landholder and the owner of the land,
 - (ii) the location and boundaries of the land (by reference, where appropriate, to the lease of the holding or any map or drawing),
 - (iii) any interest or rights comprised in the land (including any sporting or mineral rights), and
 - (iv) such other information as the Scottish Ministers may so prescribe.

- (3) The landholder must—
- (a) give a copy of the notice of interest to the owner of the land, and
 - (b) notify the Keeper that the copy has been so given.

(4) On receipt of the notice of interest, the Keeper must—

- (a) register—
 - (i) the landholder's interest in buying the land,
 - (ii) the details specified in the notice of interest, and
 - (iii) the date of registration, and

- (b) give an extract of the registration to the landholder and the owner of the land.

(5) Where the registration relates to land over which there is a standard security, the owner of the land must—

- (a) intimate that fact to the landholder, and
- (b) give a copy of the extract to the creditor in the standard security within the period of 28 days beginning with the day on which the owner is given the extract.

(6) The Keeper may charge such reasonable fee as the Scottish Ministers may by regulations specify for—

- (a) registering landholders' interests in buying land, and

- (b) providing extracts, and copy extracts, of registration.

Owner's challenge to registration

- 5 46 (1) This paragraph applies where the Keeper gives the owner of land comprising a small landholding, under paragraph 45(4)(b), an extract of the registration of the small landholder's interest in buying the land comprising the holding.
- (2) The owner may, by notice in writing to the Keeper, challenge the registration on the grounds that any matter contained in the extract is inaccurate.
- (3) On receipt of notice under sub-paragraph (2), the Keeper is to make such enquiry in connection with the landholder's interest as the Keeper considers appropriate.
- 10 (4) If, following such an enquiry, the Keeper considers that the notice of interest is inaccurate, the Keeper—
- (a) must, if the inaccuracy is material, rescind the registration of the landholder's interest,
- (b) may, if the inaccuracy is not material, amend the registration.
- 15 (5) Where, under sub-paragraph (4)—
- (a) the registration is rescinded, the Keeper must intimate that fact to the landholder and the owner,
- (b) the registration is amended, the Keeper must give an extract of the registration to the landholder and the owner.
- 20 (6) The landholder or the owner may appeal to the Land Court against any decision made, following notice under sub-paragraph (2), by the Keeper in respect of the registration.
- (7) The Court may make such order as it considers appropriate in an appeal under sub-paragraph (6).

Duration of registration

- 25 47 (1) The registration under paragraph 45(4)(a) of a small landholder's interest in buying land—
- (a) continues to have effect only in relation to such land as remains comprised in the landholder's small landholding, and
- (b) ceases to have effect—
- 30 style="padding-left: 80px;">(i) if the registration is rescinded under paragraph 46(4)(a),
- (ii) if the landholder's tenancy of the land is terminated, or
- (iii) where neither of those things has occurred, at the end of the period of 5 years beginning with the date of registration.
- (2) The owner of the land must give notice in writing to the Keeper where—
- 35 style="padding-left: 40px;">(a) the landholder's tenancy of the land is terminated during the period mentioned in sub-paragraph (1)(b)(iii), or
- (b) there is a reduction in the land comprising the holding during that period.

- (3) Where a landholder's interest in buying land is, or has been, registered, the landholder may at any time apply under paragraph 45(1) to have the interest registered again (with or without modification of the matters specified in the notice of interest).
- (4) The Keeper must remove from the Register any registration of a landholder's interest in buying land which no longer has effect.

Notice of proposal to transfer land

48 (1) This paragraph applies where—

- (a) a small landholder's interest in buying the land comprising the landholder's small landholding has been registered under paragraph 45(4)(a), and
- (b) the registration has not ceased to have effect.

(2) The owner of the land, and any eligible creditor in relation to the land, must, before transferring the land or any part of it to another person, give the landholder notice of any proposal by the owner or (as the case may be) the creditor to make such a transfer.

(3) But sub-paragraph (2) does not apply if the transfer is an exempt transfer for the purposes of this paragraph (see paragraph 49).

(4) Notice under sub-paragraph (2) must be given—

- (a) in writing, and
- (b) in accordance with such provision (including provision as to the form of the notice) as the Scottish Ministers may prescribe by regulations.

(5) An owner or creditor who gives a landholder notice under sub-paragraph (2) must give a copy of the notice to the Keeper.

(6) In this Part, "eligible creditor", in relation to land, means a creditor in a standard security with a right to sell the land under—

- (a) section 20(2) or 23(2) of the Conveyancing and Feudal Reform (Scotland) Act 1970, or
- (b) a warrant granted under section 24(1) of that Act.

Transfers not requiring notice

49 (1) A transfer of land is an exempt transfer for the purposes of paragraph 48 if the transfer is or (as the case may be) would be—

- (a) otherwise than for value,
- (b) in implement or pursuance of an order of a court, other than an order under section 24 of the Conveyancing and Feudal Reform (Scotland) Act 1970 or a decree in an action for the division and sale of land,
- (c) between spouses or civil partners in pursuance of an arrangement between them entered into at any time after they have ceased living together,
- (d) between companies in the same group,
- (e) to a statutory undertaker for the purpose of carrying on the undertaking,

- (f) a transfer—
- (i) implementing the compulsory acquisition of land under any enactment,
 - (ii) by agreement, of land which could have been acquired compulsorily under any enactment,
 - 5 (iii) implementing any right conferred by Part 2 (which provides for the community right to buy) of the Land Reform (Scotland) Act 2003 to buy land,
 - (iv) implementing missives for the sale and purchase of land concluded, or an option to acquire land which existed on a date on which no interest in buying the land was registered under paragraph 45,
 - 10 (v) which requires, or which but for the provisions of section 14 of the Housing (Scotland) Act 1987 would require, the consent of the Scottish Ministers under subsection (5) or (7) of section 12 of that Act,
 - (vi) by a registered social landlord (within the meaning of the Housing (Scotland) Act 2010) in pursuance of the power conferred by section 107 of that Act,
 - 15 (vii) vesting the land in a person for the purposes of any enactment relating to sequestration, bankruptcy, winding up or incapacity or to the purposes for which judicial factors may be appointed, or

(g) a transfer of land in consequence of—

- 20 (i) the assumption or resignation or death of one or more of the partners in a partnership, or
- (ii) the assumption or resignation or death of one or more of the trustees of a trust.

25 (2) But, in the case of a transfer mentioned in any of paragraphs (a), (d) and (g) of sub-paragraph (1), the transfer is not an exempt transfer for the purposes of paragraph 48 if the transfer—

- 30 (a) is or forms part of a scheme or arrangement or is one of a series of transfers, and
- (b) the main purpose or effect, or one of the main purposes or effects, of the scheme, arrangement or (as the case may be) series is the avoidance of the requirements or consequences of this Part.

(3) For the purposes of sub-paragraph (1)(d), companies are in the same group if they are, or are included in a number of, companies which, by virtue of section 170 of the Taxation of Chargeable Gains Act 1992, together form a group for the purposes of sections 171 to 181 of that Act.

35 (4) In sub-paragraph (1)(e), “statutory undertaker” is to be construed in accordance with section 214 of the Town and Country Planning (Scotland) Act 1997.

(5) The Scottish Ministers may by regulations modify (any or all of) sub-paragraphs (1) to (4).

40 (6) Before laying a draft of a Scottish statutory instrument containing regulations under sub-paragraph (5) before the Scottish Parliament, the Scottish Ministers must consult such persons as they consider appropriate.

Right to buy

50 (1) Sub-paragraph (2) applies where—

5 (a) the owner of land comprising a small landholding, or an eligible creditor in relation to the land comprising the holding, gives notice to the small landholder of the holding of a proposal to transfer land, or

(b) the owner or such a creditor takes steps with a view to the transfer of the land or any part of it and—

10 (i) the transfer is a transfer in respect of which notice of a proposal to transfer land is required to be given to the landholder, and

(ii) such notice has not been given.

(2) The landholder has the right to buy the land to which the proposed transfer relates (including any interest or rights comprised in the land) from the owner of the land or (as the case may be) the creditor.

15 (3) For the purposes of sub-paragraph (1)(b), an owner or eligible creditor takes steps with a view to a transfer of land when—

(a) the land is, by or with the authority of the owner or creditor, advertised or otherwise exposed for sale,

20 (b) the owner or the creditor, or a person acting on behalf of the owner or the creditor, enters into negotiations with another person with a view to the transfer of the land, or

(c) the owner or the creditor, or a person acting on behalf of the owner or the creditor, proceeds further with any proposed transfer of the land which was initiated prior to the date on which the landholder's interest in buying the land was registered.

25 (4) References in sub-paragraph (3) to the owner of land include references to a person in whom the land has vested for the purposes of any such enactment as is mentioned in paragraph 49(1)(f)(vii).

(5) Sub-paragraph (6) applies where—

(a) a landholder has a right to buy land under sub-paragraph (2), and

30 (b) despite the existence of that right, the owner or (as the case may be) the creditor transfers the land to a person other than the landholder.

(6) The landholder has the right to buy the land (including any interests or rights comprised in the land) from the person to whom the land is transferred or is subsequently transferred.

(7) The Scottish Ministers may by regulations modify sub-paragraphs (3) and (4).

35 (8) Before laying a draft of a Scottish statutory instrument containing regulations under sub-paragraph (7) before the Scottish Parliament, the Scottish Ministers must consult such persons as they consider appropriate.

Exercise of right to buy

40 51 (1) Where a small landholder has a right to buy land under paragraph 50(2) by virtue of paragraph 50(1)(a), the landholder may proceed in accordance with paragraph 53 to buy

the land from the owner of the land or (as the case may be) the eligible creditor provided that notice is given under sub-paragraph (2).

- (2) Notice is given under this sub-paragraph if—
- (a) the landholder gives notice to the owner or (as the case may be) the creditor that the landholder intends to buy the land, and
 - (b) the notice is given within the period of 28 days beginning with the day on which the landholder is given a notice of a proposal to transfer land.
- (3) Where a landholder has a right to buy under paragraph 50(2) by virtue of paragraph 50(1)(b), the landholder may proceed in accordance with paragraph 53 to buy the land from the owner or (as the case may be) the creditor provided that the landholder gives notice to the owner or, as the case may be, the creditor that the landholder intends to buy the land.
- (4) Where a landholder has a right to buy land under paragraph 50(6), the landholder may proceed in accordance with paragraph 53 to buy the land from the person to whom the land has been transferred or subsequently transferred provided that notice is given under sub-paragraph (5).
- (5) Notice is given under this sub-paragraph if—
- (a) the landholder gives notice to that person that the landholder intends to buy the land,
 - (b) the notice is given within the period of 3 years beginning with the day on which the land is transferred to that person, and
 - (c) the landholder's tenancy is in force on the date on which the notice is given.
- (6) If, at any time, the landholder does not intend to proceed, in accordance with paragraph 53, to buy the land, the landholder is to give notice of that fact to the person from whom the land would otherwise have been bought.
- (7) The right to buy mentioned in—
- (a) sub-paragraph (1) is extinguished if the landholder does not give notice in accordance with sub-paragraph (2),
 - (b) sub-paragraph (4) is extinguished if the landholder does not give notice in accordance with sub-paragraph (5),
 - (c) sub-paragraph (1), (3) or (4) is extinguished if the landholder gives notice under sub-paragraph (6).
- (8) A landholder giving any notice under this paragraph must give a copy of the notice to the Keeper.
- (9) The Scottish Ministers may by regulations make provision for a period within which any notice given by a landholder under sub-paragraph (3) is to be given.
- (10) Regulations under sub-paragraph (9) may modify this paragraph.

Effect of extinguishing right to buy

52 Where a small landholder's right to buy land is extinguished under paragraph 51(7) or 53(9), the landholder may acquire a subsequent right to buy the same land or any part of it under paragraph 50(2), but only if—

- 5 (a) the period of 12 months beginning with the day on which the right to buy is extinguished has expired, or
- (b) before that period has expired—
- (i) the land is transferred to another person, and
- 10 (ii) that person requires to give notice of a proposal to transfer land in relation to a subsequent transfer.

Procedure for buying

53 (1) It is for the small landholder to make the offer to buy in exercise of the landholder's right to buy under paragraph 50.

(2) The offer is to be at a price—

- 15 (a) agreed between the landholder and the person from whom the land is to be bought (in this Part, "the seller"), or
- (b) where there is no such agreement—
- (i) payable by the landholder in accordance with paragraph 55(9), or
- 20 (ii) if the price is determined in an appeal under paragraph 57, as is so determined.

(3) The offer must specify the date of entry and of payment of the price in accordance with sub-paragraph (4).

(4) The date of entry and of payment of the price is to be—

- 25 (a) a date not later than 6 months after the date on which the landholder gave notice under paragraph 51 of the landholder's intention to buy,
- (b) where the price payable by the landholder is the subject of an appeal under paragraph 57 which has not, within the period of 4 months beginning with the day on which the landholder gave such notice, been—
- (i) determined, or
- 30 (ii) abandoned following agreement between the landholder and the seller, a date not later than 2 months after the appeal is so determined or (as the case may be) abandoned, or

(c) such later date as may be agreed between the landholder and the seller.

35 (5) The offer may include such other reasonable conditions as are necessary or expedient to secure the efficient progress and completion of the transfer.

(6) If the landholder has not, within the period fixed by or agreed under sub-paragraph (4), done any of the things mentioned in sub-paragraph (7), the seller may apply to the Land Court for an order under sub-paragraph (8).

-
- (7) The things are—
- (a) concluding missives with the seller for the sale of the land to the landholder, or
 - (b) if the landholder has not so concluded missives, taking all steps which the landholder could reasonably have taken in the time available towards so concluding missives.
- (8) An order under this sub-paragraph may—
- (a) direct the landholder—
 - (i) to conclude missives with the seller within such period as may be specified in the order, and
 - (ii) to take such remedial action for the purpose of so concluding missives as may be so specified, and
 - (b) direct the landholder and seller to incorporate into the missives any term or condition in respect of the sale of the land as may be so specified.
- (9) The right to buy mentioned in sub-paragraph (1) is extinguished if—
- (a) the landholder fails to comply with an order under sub-paragraph (8), or
 - (b) where the seller has not applied for an order under that sub-paragraph, the landholder has not (having regard to the period fixed by or agreed under sub-paragraph (4)) within a reasonable period from the acquiring by the landholder of the right to buy otherwise concluded missives with the seller for the sale of the land to the landholder.

Appointment of valuer

- 54 (1) Where the price to be paid for land is not agreed between the seller and the small landholder as mentioned in paragraph 53(2)(a), the land is, except where sub-paragraph (2) applies, to be valued by a valuer appointed by agreement between the seller and the landholder or by a person nominated by them.
- (2) This sub-paragraph applies where the land in respect of which the landholder is exercising a right to buy forms part of an estate comprising other land in respect of which any other landholder has given notice under paragraph 51 of the landholder's intention to buy.
- 30 (3) Where sub-paragraph (2) applies, the land mentioned in that sub-paragraph is to be valued by—
- (a) a valuer appointed by agreement between—
 - (i) the seller, and
 - (ii) at least half of the landholders mentioned in that sub-paragraph, or
 - (b) a person nominated by the persons mentioned in paragraph (a)(i) and (ii).
- 35 (4) Where there is no agreement as to the appointment of a valuer under sub-paragraph (1) or (3), the valuer is to be appointed by the Land Court or by a person nominated by the Court.
- (5) In this Part, “valuer” includes two valuers with an overseer.

Valuation of the land

55 (1) A valuer appointed under paragraph 54 is to assess the value of the land in respect of which a small landholder's right to buy under paragraph 50 is being exercised as at—

5 (a) the date of notice under paragraph 48 of the seller's proposal to transfer the land, or

(b) where no such notice was given, the date on which the landholder gave notice under paragraph 51 of the landholder's intention to buy the land.

(2) The valuer is to assess the value of the land having regard to the value that would be likely to be agreed between a reasonable seller and buyer of such land—

10 (a) assuming that the seller and buyer are, as respects the transaction, willing, and

(b) where the buyer is a sitting small landholder.

(3) In assessing the value of the land under sub-paragraph (2), the valuer is to take account of—

15 (a) in so far as a seller and a buyer of the land (assuming that they are, as respects the transaction, willing) would do so, any factor attributable to the known existence of a person who (not being the landholder who is exercising a right to buy the land) would be willing to buy the land at a price higher than other persons because of a characteristic of the land which relates peculiarly to that person's interest in buying it,

20 (b) when the seller would in the normal course of events have been likely to recover vacant possession of the land from the landholder,

(c) the terms and conditions of any lease of sporting interests affecting the land, and

(d) any moveable property belonging to the owner of the land which is, by agreement between the landholder and the owner, to be sold with, and valued along with, the land.

25 (4) In assessing the value of the land under sub-paragraph (2), the valuer is to take no account of—

(a) the absence of the period of time during which the land would, on the open market, be likely to be advertised and exposed for sale,

30 (b) any factor attributable to any use of the land which is or would be unlawful,

(c) any increase in the value of the land resulting from improvements to the extent that the landholder would be entitled to compensation in respect of those improvements upon renouncing the tenancy of the small landholding,

(d) any increase in the value of the land resulting from the use of any of the land, or changes to the land, for a purpose other than cultivation of the land,

35 (e) any reduction in the value of the land—

(i) as a result of any dilapidation or deterioration of, or damage to, fixed equipment or land caused or permitted by the landholder, or

(ii) resulting from the use of any of the land, or changes to the land, for a purpose other than cultivation of the land, or

40 (f) any fixed equipment owned by the landholder.

-
- (5) Where land in respect of which the right to buy is being exercised forms part of an estate, the valuer is, in addition to assessing the value of the land under sub-paragraph (2), to assess the value representing the difference between—
- 5 (a) the value of the estate were the estate being sold by the seller to a person other than the landholder, and
- (b) the value of the remainder of the estate (that is to say, the estate less the land in respect of which the right to buy is being exercised) were the remainder being sold by the seller to such a person.
