

# **Corporate Procurement Strategy 2024-27**

**16 May 2024**

**Reference: SPCB (2024) Paper 41**

## **Executive summary**

1. The SPCB is invited to approve the Corporate Procurement Strategy 2024-27 prior to its publication.
2. The procurement strategy has an important role in setting out how the SPCB runs its procurement function. The Strategy builds upon well-established good practice and provides a framework for continually improving our procurement service through five strategic focus areas.
3. The Procurement Reform (Scotland) Act 2014 requires any public organisation which has spend of £5 million or more to develop and publish a procurement strategy. The Corporate Procurement Strategy has been drafted in accordance with the Act and all mandatory requirements have been included.
4. The strategy will have a refresh in 2027 to ensure that it is full aligned with the Session 7 strategic plan.

## **Governance**

5. The report has been shared and presented to the Senior Executive Team on 15 April 2024

## **Publication Scheme**

6. This paper should not be published until the Corporate Procurement Strategy has been approved and published.

## **Decision**

7. The SPCB is invited to approve the Corporate Procurement Strategy.
