# SPICe Fact Sheet

## Duilleagan Fiosrachaidh SPICe

---

### Current Party Leaders and Spokespersons

---

This Fact Sheet lists Party Leaders and Spokespersons of parties currently represented in the Scottish Parliament.

Spokespersons are assigned by their parties to lead on specific policy areas. Please note that party roles are decided by individual parties and are not within the Parliament's rules or conventions.

The majority of Party Leaders and Spokespersons are Members of the Scottish Parliament (MSPs). Where a party is represented in the Scottish Parliament, but the Party Leader or Spokesperson is not an MSP, to ensure consistency across parties, we have included this information in this Fact Sheet. These entries have been marked accordingly.
