MSPs with dual mandates

This Fact Sheet lists all Members of the Scottish Parliament (MSPs) who currently hold a dual mandate. It also lists the MSPs that held dual mandates in previous sessions.

Dual mandate is the term used to describe those MSPs who, in addition to their seat in the Scottish Parliament, also hold a seat in either the House of Commons (MPs), House of Lords (Peers) or represent a ward in their local council (Councillors).

This Fact Sheet lists the name of the MSP, their party and the constituency or region that they represent in the Scottish Parliament. It also lists the area that they represent in the House of Commons or in local government or their title (if they are a peer).

Finally, this Fact Sheet provides information on the start and end dates of dual mandates.

It should be noted that no MSP has held a dual mandate through holding a seat in the European Parliament.
