### Members' Business motions that have not achieved cross party support

**\*S5M-00505 Jackie Baillie: Save our Services—**That the Parliament notes with concern reports that NHS Greater Glasgow and Clyde’s final draft local delivery plan includes proposals to transfer birthing services from the community maternity units at the Vale of Leven Hospital and Inverclyde Royal Hospital to the Royal Alexandra Hospital (RAH) in Paisley and the Queen Elizabeth University Hospital (QEUEH) in Glasgow; rejects the assertion in the plan that “extensive public engagement” has taken place on the proposals and is unaware of any attempt by the NHS board to consult members of the public; believes that denying pregnant women in Dumbarton, Vale of Leven, Helensburgh and Lomond the choice to give birth at the Vale of Leven Hospital runs contrary to the *Vision for the Vale*, which was published in 2009 and committed the Scottish Government to ensuring that the community maternity unit would be “sustained and promoted”; understands that the plan also includes proposals to close the rehabilitation wards at Lightburn Hospital and transfer emergency paediatric services to the QEUEH with the downgrading of the children’s ward at the RAH; believes that the NHS board will make a decision on the proposals on 28 June 2016, and notes calls for the Cabinet Secretary for Health and Sport to intervene and pledge to work with local communities to prevent the closure of health services.
