Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Members' Business motions that have not achieved cross party support

***S5M-06006 Tavish Scott: Island Games, Support Scotland's Athletes**—That the Parliament welcomes the NatWest Island Games taking place in Gotland, Sweden; recognises the contributions and efforts of athletes from the Western Isles, Orkney and Shetland to the Island Games; notes that, in addition to Shetland, Orkney and the Western Isles, 21 further island groups are participating, featuring more than 4,000 athletes across 14 different sports; further notes that athletes from Shetland will be participating in each of the 14 sports; is concerned that the cost of travel for training and competing is often disproportionately higher for Shetland athletes than those from other parts of Scotland, and often prohibitively so; recalls the assurances given by the Scottish Government in September 2016 that it would give consideration to the creation of an islands transport fund for athletes; notes the view that such a fund would further the careers of individuals and teams that are successful in being chosen for Scottish representative sport; believes that this biannual event brings together athletes, families and supporters from across the globe and is a wonderful meeting of friends, bringing out all that is good in sport, and wishes all competitors the best of luck in their pursuit of medals in Gotland.

Lornhill Academy in Alloa, on their success in the Stirling Scottish Marathon in May 2017; understands that the marathon was Kirsty's 21st marathon or ultra-marathon; notes that Amy had decided to run the marathon as a bet with her brother who claimed she wouldn't be able to complete the event, and recognises that Morag raised £1,000 for Bowel Cancer UK.

***S5M-06014 John Finnie: Amnesty International Calls for UK to Ban Imports from Illegal Israeli Settlements**—That the Parliament notes the launch of a new campaign by Amnesty International, which calls on the UK to ban the import of all goods produced in illegal Israeli settlements; understands that this campaign has been launched to mark the 50th anniversary of Israel's occupation of the West Bank, including East Jerusalem and the Gaza Strip; notes the belief that hundreds of millions of pounds' worth of goods produced in Israeli settlements built on occupied Palestinian land are exported internationally each year, despite most countries around the world having officially condemned the settlements as illegal under international law, and calls for an end to the illegal settlements. **R**

Supported by: Ross Greer*, Andy Wightman*

***S5M-06013 Sandra White: Community Central Halls 40th Anniversary**—That the Parliament congratulates Community Central Halls (CCH) in the Glasgow Kelvin constituency on its 40th anniversary; notes that CCH was established in 1976 following a local community campaign to secure the continued use of the building; understands that, over the last 40 years, CCH has evolved from providing community space for local organisations to providing a range of diverse, vital community services including preschool nursery provision, after and out-of-school care, youth work, café and catering, and day care and home care for older people; believes that the success of the development trust is attributed to the dedication of the staff team, including the development services manager, Gary Gentles, who celebrates 30 years of service with CCH in 2017, and wishes Gary and the team many more successful years to come.

Supported by: Bill Kidd*, Richard Lyle*, David Torrance*, Ash Denham*, James Dornan*, Stewart Stevenson*

***S5M-06012 Alexander Stewart: Tullibody Youth Boxer Wins Silver in First Bout at Championships**—That the Parliament recognises the achievements of Billie Denholm, an emerging Tullibody athlete, who has been crowned one of the UK's top boxers after winning a silver medal at the annual GB Tri-nations Boxing Championships; understands that Billie, an NQ sports coaching student at Forth Valley College, is currently the UK number two in the female youth flyweight category (51kg) after competing at the event; believes that the 16-year-old secured the silver medal in her first bout; notes that Billie was one of only 11 youth athletes to represent Scotland at the competition and that this was the first time that she had fought at the event, and acknowledges that she has been boxing for just over two years and trains every week at Jonesy's Boxing Club in Plean.

Supported by: David Torrance*, Stewart Stevenson*, Clare Haughey*, Ash Denham*, Gail Ross*, Bill Kidd*, Ivan McKee*, Alex Cole-Hamilton*

***S5M-06009 Ross Greer: Qualified Teachers in Scottish Schools**—That the Parliament expresses concern regarding reports that the Scottish Government's plans to open the door to a Teach First model of initial teacher education; believes that this would permit graduates who have not completed teacher training to teach in schools for a year; understands with concern that this is premised on rushing graduates into teaching on lower pay than properly qualified teachers in order to save on costs; believes that this would undermine the high professional standards in Scotland's schools and lead to lower-quality education, and calls on the government not to proceed with this and instead ensure that all teachers remain fully qualified through the completion of appropriate teacher education courses.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
