Debate on the subject of—

[S5M-05941](#) Jenny Gilruth: Levenmouth Rail Link—That the Parliament notes what it sees as the strong support that the Levenmouth Rail Campaign has achieved; believes that this has been demonstrated by it organising a petition that has been signed by over 12,500 residents from the area, which calls for the re-opening of the rail link from Thornton to Leven; welcomes the Fife Council report, *Levenmouth Sustainable Transport Study – Final Stag Report*, which was published in January 2017; understands that this study included a strongly positive cost-benefit analysis for the link and suggested that its reopening would lead to major economic benefits; believes that, although the Levenmouth area faces high levels of economic deprivation and problems with connectivity, it has substantial opportunities for employment and economic development; considers that this project could help deliver this; understands that passenger numbers on other reopened services, including the Borders Railway and the Airdrie-Bathgate line have exceeded predictions, and notes the view that a strong case has been made for ministers to

give serious consideration to the re-opening of the Levenmouth line for passenger and freight services.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
