## Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

### Motions and amendments can be published with symbols:

- \* before the number indicates publication for the first time
- \*...\* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Other new and altered motions and amendments

**\*[S5M-15223](#) Angela Constance: Plight of Livingston Workers Stranded Without Pay This Christmas**—That the Parliament acknowledges the plight of the workers from the company, Kaiam Livingston, who have been left without wages after the company announced without notice that staff would not receive their December wages due to a lack of company funds; notes that the workers were also given the devastating news that they were likely to face significant job losses in the New Year, as the future of the company is not clear; believes that its action has left many of its workforce and their families desolate and without money for food or bills at this precious time of year, and has left them with an agonising wait for information about their pay and the future of their jobs; considers the company's actions deplorable and a breach of workers' rights, and asks the Scottish Government to ensure that it is fully engaged with national agencies and local organisations to seek fairness and justice for Kaiam workers.

**\*[S5M-15222](#) Jackie Baillie: Erskine Bridge Architecture Award**—That the Parliament celebrates that the Erskine Bridge has been awarded a Category A Achievement by Historic Environment Scotland for being of particular architectural interest; notes that, when the bridge opened in 1972, it was one of the most architecturally and technically designed bridges of the post-war period; praises both the designers and those who have worked hard to retain its reputation as a state of the art landmark in Scotland, and considers that its simple design and striking image has resulted in it being one of the most innovative bridges of the 20th century.

**\*[S5M-15221](#) Jackie Baillie: Morrison's in Dumbarton to Encourage Young People to Eat Healthily**—That the Parliament celebrates the initiative of Morrison's in Dumbarton to provide young people in the area with free fruit in order to ensure that more young people eat their five-a day; understands that the supermarket plans on handing out around 40,000 pieces of fruit as part of the programme; considers that, through providing local young people with this fruit, it will not only be beneficial to their health but will help to reduce the amount of waste produced by a supermarket of its size, and encourages local families and young people to take full advantage of the scheme in order to improve their health and wellbeing.

**\*[S5M-15220](#) Liam Kerr: Yorokobi by CJ, Japanese Restaurant of the Year**—That the Parliament congratulates Aberdeen's Yorokobi by CJ on winning Japanese Restaurant of the Year

at the inaugural Scottish Asian Food Awards 2018; understands that the ceremony attracted some of the country's most well-known and accomplished members of the industry to Glasgow's Crowne Plaza Hotel for the announcement of the winners; considers that Yorokobi by CJ serves top-quality authentic Japanese cuisine, earning a dedicated following of many local customers; acknowledges that those also shortlisted in the category were Koku Shi (Central Scotland), Wudon (South West), and Maki Ramen (South East); believes that the Scottish Asian Food Awards play a significant role in highlighting the importance of small businesses, not just to the local economy, but to the wider Scottish and UK economies, and wishes Yorokobi by CJ every success for the future.

Supported by: Richard Lyle\*, Jeremy Balfour\*, Bill Kidd\*, Liz Smith\*

**\*S5M-15219 Willie Coffey: Congratulations to Kilmarnock's Wossobama2 Muay Thai Boxing Club**—That the Parliament congratulates the local Kilmarnock-based Wossobama2 Muay Thai Boxing Club, on its outstanding success at the recent World Championships in Italy; recognises that six young people from Kilmarnock, with another two from the Black Diamond Club in Edinburgh, represented Scotland to compete against strong competition; further recognises that, despite such competition, the Kilmarnock youths achieved a fantastic 14 medals out of Team Scotland's overall achievement of 17; congratulates everyone at the Wossobama2 Muay Thai Boxing Club and Team Scotland, and wishes them continued success in the future.

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
