Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Motions for Debate

***S5M-10518 Derek Mackay: Budget (Scotland) (No.2) Bill**—That the Parliament agrees that the Budget (Scotland) (No.2) Bill be passed.

Supported by: Nicola Sturgeon*, Joe FitzPatrick*

Members' Business motions that have not achieved cross party support

***S5M-10527 Anas Sarwar: Supporting Scotland's Carers**—That the Parliament acknowledges that the Carers (Scotland) Act 2016 comes into force on 1 April 2018; understands that unpaid carers in Glasgow and across the country provide more care than the health and social care workforce combined and that this has been valued at being worth £10.8 billion annually; notes the view that this level of care can only be sustained if carers themselves are supported; understands that the financial resources allocated to implement the legislation are set out in the draft budget as "an additional £66 million...to continue to support the delivery of the Living Wage for adult social care workers, and to increase payments for free personal and nursing care"; is concerned therefore at reports that the resources to support carers in the first year of the act is equivalent to only £22 for each carer and that the £19.4 million that the Scottish Government has estimated it will cost to implement it is inadequate, as it underestimates the demand and costs on integrated authorities, does not recognise funding streams coming to an end in advance of the new law and fails to take account of the £16 million costs for waiving charges for carers, including replacement care, and notes the calls on ministers to both review the resources accompanying the act and ensure that the resources provided to the integrated authorities are used to directly benefit carers and are fully accounted for.

Other new and altered motions and amendments

***S5M-10538 John Mason: Housing and Societal Inequality**—That the Parliament notes the recent report from Zoopla, which shows that the number of homes valued over £1,000,000 in Scotland has increased by 2,264; understands that this represents an increase of one quarter over 2017; believes that this growth highlights increasing wealth for the richest and a rising gap

between the richest and poorest; considers that such increases in wealth are not adequately taxed; recognises that, compared to many other areas of the UK, Scotland has a relatively small number of these properties with 11,101, compared with the South East of England, which has 180,397; believes that this inequality in society is unhealthy and potentially damaging for the economy, and welcomes any proposals to deal with this through taxation or otherwise.

***S5M-10536 Alexander Stewart: NHS Forth Valley's Blood Pressure Testing Initiative, Flo**—That the Parliament welcomes NHS Forth Valley's new scheme, Flo, which will allow people in Alva, Dollar and Clackmannan to take their own blood pressure readings and text the result to a nurse or doctor; notes that the system, which is named after Florence Nightingale, will see people receive a routine text message from their GP about their blood pressure, ask them to take to readings and text the results to a secure online database; understands that, if the readings fall outwith the parameters agreed in the person's care management plan, a message will be sent back with advice on what to do and an alert will be sent to clinical staff to help support early intervention; believes that it is hoped that this will reduce the need for the person to travel to their GP surgery or to hospital; commends NHS Forth Valley on what it sees as an excellent, proactive and efficient initiative, and acknowledges that the board aims to extend it to all practices.
Supported by: Tom Mason*, Michelle Ballantyne*, Miles Briggs*, Liz Smith*, Jeremy Balfour*, Alison Harris*

***S5M-10535 Bill Kidd: The Glasgow Eagles and Drumchapel Citizens Advice Bureau**—That the Parliament congratulates both the Drumchapel Citizens Advice Bureau (CAB) and the Glasgow Eagles Special Needs Sports Club on being awarded grants from the Corra Foundation; understands that the CAB will use its £4,500 award to help pay the salary of a part-time training officer at and that the Eagles' £3,575 grant will help meet the running costs of delivery of its table-tennis group for children and adults with a physical or learning disability; understands that, during the last year, the foundation has supported charities in the Anniesland constituency and that, annually, it provides nearly £1 million to grassroots charities across the country through its Henry Duncan Grants programme, which acts as a lifeline for community charities in the face of a challenging financial climate by helping to pay staff or running costs, and wishes the CAB and the Eagles all the very best.

Supported by: Mairi Gougeon*, James Dornan*, Rona Mackay*, Ash Denham*, Ivan McKee*, Richard Lyle*, Joan McAlpine*

***S5M-10534 Liam McArthur: Stockan's Oatcakes Living Wage Employer**—That the Parliament welcomes the news that Stockan's, which manufactures its famous Orkney Oatcakes in the harbour town of Stromness, has recently become an accredited Living Wage Employer; agrees with The Living Wage Foundation that a hard day's work deserves a fair day's pay; considers that Stockan's dedicated staff are central to the success of the business and the key to the great quality oatcakes that are produced and shipped all over the world; believes that Stockan's move to become a Living Wage Employer is an example of how to value and show appreciation for employees; wishes the company well for the future, and hopes that its good example is followed by other businesses in Orkney and across Scotland.

***S5M-10533 Anas Sarwar: Glasgow Photography Children's War Museum Exhibition**—That the Parliament recognises the fantastic work of the photo journalist, Antonino Olmos, and the Syrian youth activist group, Young Lens, which will be presented at an exhibition of photography at Anderston and Kelvingrove Church in Glasgow from 15 February to 4 March 2018; acknowledges that Antonio's documentary covers the journey of Syrian refugees across Europe in 2015; further

acknowledges that Young Lens is a network of young activists who are recording the experience of communities in towns and cities across Syria, and encourages the public to visit the exhibition.

***S5M-10532 David Torrance: Fife Flyers, Gardiner Conference Winners**—That the Parliament congratulates Fife Flyers ice hockey team on securing the Elite Ice Hockey League's Gardiner Conference title; notes that the team secured the title with a nailbiting 7-6 overtime victory in a local derby with Dundee Stars on 18 February 2018, which yielded the one point needed; further notes that this title is the team's first trophy since joining the Elite Ice Hockey League in 2011, and wishes Fife Flyers all the best for the remainder of the season.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
