## Meeting of the Parliament

**2:00 pm Time for Reflection: Reverend Sang Cha, Minister, Alloa St Mungo's Parish Church, Alloa**

**followed by Parliamentary Bureau Motions**

**followed by Topical Questions**

**1. Mike Rumbles:** To ask the Scottish Government what discussions it has had with ScotRail, in light of the company reportedly receiving record fines for its performance in the last financial year. ([S5T-01066](#))

**2. Claire Baker:** To ask the Scottish Government what discussions it has had with DF Barnes since the announcement of redundancies at BiFab on 4 May. ([S5T-01069](#))

**followed by Scottish Government Debate: Scottish National Investment Bank**

**S5M-12076 Keith Brown: Scottish National Investment Bank**—That the Parliament notes the publication of the Scottish National Investment Bank Implementation Plan, which sets out proposals and recommendations for the establishment of the bank, and further notes the emphasis that these proposals place on the bank being bold and ambitious by providing patient mission-based finance, which will help create and shape future markets and help Scotland achieve its full economic potential.

The Presiding Officer has selected the following amendments

**S5M-12076.1 Dean Lockhart: Scottish National Investment Bank**—As an amendment to motion S5M-12076 in the name of Keith Brown (Scottish National Investment Bank), insert at end "; acknowledges concerns expressed by stakeholders that a cluttered policy landscape can lead to confusion, a lack of alignment, duplication and weakened accountability, and calls on the Scottish Government for clarity of focus and delivery with respect to the role and objectives of the bank."

**S5M-12076.2 Jackie Baillie: Scottish National Investment Bank**—As an amendment to motion S5M-12076 in the name of Keith Brown (Scottish National Investment Bank), leave out from "the emphasis" to end and insert "that, with economic growth in Scotland continuing to trail equivalent growth across the UK, it is crucial that the Scottish National Investment Bank is created as soon as possible; further notes with concern that existing measures to boost growth, such as the Scottish Growth Scheme, have not been fully utilised; believes that the Scottish National Investment Bank should not start life under-capitalised, and calls on the Scottish Government to bring forward a comprehensive industrial strategy to maximise the impact of the Scottish National Investment Bank and drive increased growth."

**S5M-12076.3 Andy Wightman: Scottish National Investment Bank**—As an amendment to motion S5M-12076 in the name of Keith Brown (Scottish National Investment Bank), insert at end "along with better social and environmental outcomes; believes that the bank should develop a strategic programme of low-carbon investment, including housing and broadband infrastructure; further believes that the bank's Executive Board should represent a wide range of interests and that the Parliament should play a key role in shaping the bank's ethical investment code, and agrees that future development work should consider whether a banking licence would increase

the bank's financial options and the opportunities that a Scottish payments company would provide to reduce the costs to small businesses of processing payments."

**followed by Finance and Constitution Committee Debate: Revised Written Agreement with the Scottish Government on the Budget Process**

**[S5M-11875](#) Bruce Crawford: Written Agreement on the Budget Process**—That the Parliament agrees the revised Written Agreement on the budget process between the Scottish Government and the Finance and Constitution Committee.

**followed by Standards, Procedures and Public Appointments Committee: Changes to Standing Orders on the Budget Process**

**[S5M-11991](#) Clare Haughey: Budget Process - Standing Order Rule Changes**—That the Parliament notes the Standards, Procedures and Public Appointments Committee's 1st Report 2018 (Session 5), *Budget Process - Standing Order rule changes* (SP Paper 308), and agrees that the changes to Standing Orders set out in Annexe A of the report be made with effect from 9 May 2018.

**followed by Legislative Consent Motion: Holocaust (Return of Cultural Objects) (Amendment) Bill - UK Legislation**

**[S5M-12112](#) Fiona Hyslop: Holocaust (Return of Cultural Objects) (Amendment) Bill**—That the Parliament agrees that the relevant provisions of the Holocaust (Return of Cultural Objects) (Amendment) Bill introduced in the House of Commons on 13 March 2018 relating to the repeal of section 4(7) of the Holocaust (Return of Cultural Objects) Act 2009, so far as these matters fall within the legislative competence of the Scottish Parliament, should be considered by the UK Parliament.

**followed by Business Motions**

**followed by Parliamentary Bureau Motions**

**5:00 pm Decision Time**

**followed by Members' Business  
Debate on the subject of—**

**[S5M-10404](#) Alex Neil: Dog Attack Figures**—That the Parliament expresses its concern at figures obtained by a recent *Clyde News* investigation, which suggest that, between January and June 2017, 205 children were taken to A&E due to dog bites; understands that the number of people receiving treatment for such bites in Scotland has risen from 1,939 in 2015 to 2,027 in 2016 and that, in the first six months of 2017, 1,057 children and adults in the NHS Greater Glasgow and Clyde area went to hospital; considers these figures to be very worrying, and notes calls for a

post-legislative review of the Control of Dogs (Scotland) Act 2010, including the degree to which the Act is being effectively enforced by local authorities.
