**\*S5M-12173 David Torrance: Levenmouth Children's Clothing Bank and Buckhaven and Methil Rotary Club**—That the Parliament thanks the Levenmouth Children's Clothing Bank for supplying tens of thousands of items to more than 650 young children; understands that the clothing bank, which was launched by the Rotary Club of Buckhaven and Methil in November 2016, has been named the best community project in the UK and Ireland by Rotary International, making the club the first in Scotland to achieve this accolade; commends everyone at the club and the clothing bank on this incredible achievement and for the support that they, and the community, offer to struggling families, and wishes them the best of luck.

**\*S5M-12171 Neil Findlay: 2018 Global Drug Survey**—That the Parliament notes the findings of the 2018 Global Drug Survey, which looked at the recreational drug use of 130,000 people across 44 countries; understands that it found that the amount of cocaine consumed per session in Scotland was more than double the global average; notes that the researchers, who interviewed 15,000 cocaine users, found that 36.7% in Glasgow reported that they could get delivery of the drug within 30 minutes, and believes that this is yet more evidence of the ready availability of class A drugs and the failure of current drugs policy.

Supported by: Neil Findlay\*

**\*S5M-12170 Neil Findlay: ScotRail**—That the Parliament notes reports that, on 2 May 2018, a senior executive at ScotRail aggressively shouted and gesticulated at a female trade union officer, and threatened to remove the Transport Salaried Staffs' Association (TSSA) from future meetings with the ScotRail executive board following a media story that had been published; considers this behaviour unacceptable and unprofessional in the workplace; believes that, in behaving in this manner towards a female trade union officer, the executive demonstrated an underlying attitude of sexism, which it considers is endemic in the rail industry; further believes that threatening to remove a trade union from any normal industrial relations meeting is unacceptable and flies in the face of the Scottish Government's Fair Work agenda; condemns all workplace bullying, and calls on the transport minister to insist that ScotRail immediately invest in sexism awareness training for all members of the ScotRail senior executive team, and for ScotRail to issue a public apology for this alleged behaviour towards an officer of the TSSA.

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
