### Members' Business motions that have not achieved cross party support

**\*[S5M-15784](#) Sandra White: WASPI Campaign**—That the Parliament regrets what it sees as the UK Government's inaction to end the injustice experienced by women affected by the changes to state pension laws; welcomes the campaign by the Women Against State Pension Inequality (WASPI) group to achieve fair transitional state pension arrangements for all women born in the 1950s affected by changes to state pension laws, including those in Glasgow Kelvin, and notes calls on the Scottish Government to urge the UK Government to provide a bridging pension that supplies an income until state pension age, which is not means tested, as well as compensation for the absence of a bridging pension to those who have already reached their state pension age, compensation to all those who have not started to receive a bridging pension by an appropriate date, which would be sufficient to recover lost monetary interest, and compensation to the beneficiaries of the estates of those who are deceased and failed to receive a bridging pension.

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
