Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

Motions and amendments can be published with symbols:

- * before the number indicates publication for the first time

- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Members' Business motions that have achieved cross party support

***[S5M-15855](#) Christine Grahame: Men's Sheds**—That the Parliament recognises the important contribution that the Men's Sheds movement makes to people's wellbeing; notes that there are now sheds running or in development across the length and breadth of the country, including in Lauder, Galashiels, Peebles, Mayfield and Roslin; understands that the activities and groups vary from community to community but that, by and large, the sheds provide a meeting place for men to undertake activities in a friendly, supportive and social environment; believes that such groups can have a positive impact on men's mental health and wellbeing by providing supportive groups that offer an opportunity for them to feel more able to open up about anything bothering them as well as helping them build positive ties in their community, and hopes that more sheds can continue to be established.

Members' Business motions that have not achieved cross party support

***[S5M-15808](#) Christine Grahame: Threatened Closure of Newtongrange and Gorebridge Libraries**—That the Parliament notes with considerable concern the threatened closure of the libraries at Newtongrange and Gorebridge by Midlothian Council; notes that both libraries, as well as providing modern library services including IT suites, host many local groups, including at Newtongrange Library, which hosts a reminiscence group, Village Voices, a Job Club providing support and advice on CVs and other employment matters, Book Bug for new parents and carers, a Lego club, Peep, a class for mothers and toddlers, among many others; understands that Newtongrange Library is also a registered Third Party Reporting Centre and Keep Safe Building; notes that Gorebridge Library hosts computer classes, a job club, a Citizens Advice Bureau, a knitting group and, for children, Bookbug sessions, a study club, craft and Lego clubs and many more, which, like Newtongrange Library, provides all of these facilities free of charge, and considers that, as with libraries throughout Scotland, these facilities are crucial and that any such closure would be a retrograde step and highly detrimental to local communities and their residents.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
