***[S5M-17659](#) Claudia Beamish: Stow Primary, Better Energy Scottish Champion**—That the Parliament congratulates Stow Primary School on its excellent work on sustainability and reducing plastic waste; notes that one of its pupils, Pierre Mac, worked hard to put together a video report on the school's work, which has been published on the BBC website; recognises that the school was named as the Scottish Champion at the 2019 Better Energy School Awards; notes that its work on sustainability has been pupil-led; understands that this has included fantastic initiatives, such as it being the first school in the country with a reverse vending machine for plastic bottles, swapping plastic for bamboo toothbrushes and making "Reece the Recycled Cow" from recycled materials; wishes it the best of luck at the UK awards in London on 18 June, and encourages other young people across Scotland to follow what it sees as the Stow pupils' trailblazing example.

***[S5M-17599](#) Rona Mackay: John McKean, Teacher of the Year**—That the Parliament congratulates John McKean, who is a language and communication principal teacher at St Ninian's High School in Kirkintilloch, on being named Teacher of the Year at the Scottish Education Awards; celebrates John's hard work in supporting all of his students to reach their full potential and focusing on each as individuals; understands that St Ninian's 2018 inspection saw the best results of any school under Education Scotland's current system, and congratulates all at the school on this news.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
