Written questions lodged on 15 March 2019

S5W-22044 Mike Rumbles: To ask the Scottish Government whether it has considered introducing legislation similar to the private members' bill recently considered in the House of Commons on a minimum height for letterboxes; what regulations on letterbox height apply in Scotland, and how these can be amended.

S5W-22183 Liam McArthur: To ask the Scottish Government, further to the answer to question S5W-21864 by Ash Denham on 14 March 2019, what discussions it has had with the Inspector of Prosecution regarding the follow-up review; when it was informed that she would be undertaking the review; what information it has regarding the proposed contents of the review, and whether this will include analysis of (a) the protracted timescales, (b) structural barriers and (c) public confidence in the process.

S5W-22184 Johann Lamont: To ask the Scottish Government what progress has been made in taking forward recommendation 94 by the Education and Culture Committee in its 10th Report, 2015 (Session 4), *Attainment of pupils with a sensory impairment*, which called on it to "work with local authorities and deaf people to examine how appropriate [acoustics] standards can be provided in all schools", and, in light of this recommendation, whether it has considered placing such standards on a statutory footing.

S5W-22190 Daniel Johnson: To ask the Scottish Government for what reason Police Scotland has not published a disaggregation of hate crime incidents since 2013-14, and when it will resume doing so.

S5W-22191 Daniel Johnson: To ask the Scottish Government what analysis it has carried out of migrant tenants might being exploited for their labour in exchange for rent.

S5W-22193 Bill Bowman: To ask the Scottish Government what its response is to its official statistics, which have recorded that the recruitment of learning support and additional support needs staff nationally has fallen from 4,703 to 4,119 since 2010.

S5W-22194 Bill Bowman: To ask the Scottish Government what its response is to its official statistics, which have recorded that, since 2010, Dundee has retained 97% fewer learning support and additional support needs staff compared with the overall national figure.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

Final Proposal for a Member's Bill

(lodged 26 February 2019)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

Progress of Legislation

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
